

YET ANOTHER CLUB IS ADDED TO LONG LIST

STUDENTS UNITE FOR SOCIAL AND ATHLETIC PURPOSES

225 STUDENTS ELIGIBLE AS MEMBERS

This One is Exclusively for Those Outside Other Organizations

Oregon now has a new club, for which only students living outside of fraternities and clubs are eligible.

The new organization came into existence last Thursday, and is designed to foster organization and unity in social and athletic ways and promote the best welfare of the University among those students who are unattached and unorganized by fraternal or club ties. The purposes and scope of the new club are formally summed up in the preamble of the organization's constitution, viz.:

"We, the students of the University of Oregon not belonging to fraternities, clubs, or dormitories, in order to promote a spirit of good fellowship, co-operation and unity, that we may better serve the interests of the University of Oregon, do hereby adopt the following constitution and by-laws."

It is said that there are about 225 students eligible for membership, and while not all were present at the last meeting, another will be held Tuesday at 4:00 in Professor Dunn's room to take in additional charter members.

The newly elected officers are: President, William Beals, '11; Vice President, Eva Frasier, '12; Secretary, Jessie Farris, '11; Treasurer, Leon Ray, '12; Member at large on the executive committee, Earl Jones, '12.

GREEKS TO MEET GREEKS

Rivalries to be Further Heightened by Rivalry on Track

In the event that Trainer Hayward and the Oregon track authorities carry out their plans, there will be an inter-fraternity track meet pulled off early this spring.

The idea of the meet will be to stimulate interest in track athletics and to bring out prospective material. The plan of holding inter-club competition was successfully introduced in baseball two years ago, with the launching of the famous Gregory league. This year the plan was successfully tried out in basketball. The baseball and basketball inter-club league now attracting general attention, it is believed that track activity will be put on the same basis this spring.

Although no definite plans have yet been made, in all probability a trophy cup or banner will be offered to the premier inter-frat track combination. A cup may also be given for the best relay team.

If the plans mature, the meet will be held in April, at some date between the Columbia meet, April 9th, and the California trip, April 22.

FROSH TEAM TRAVELS

Basket Ball Team Will Play in Portland High Schools Next Week

On next Thursday evening Bill Hayward and Manager Huggins, of the Freshman basketball team, will leave for Portland with a following of six Frosh, the number considered necessary to give the three high schools of that city a few object lessons in basketball as it should be played.

Coach Fenstermacher, of the Washington High team, is at present making arrangements for the three games, and upon the success of his negotiations with Lincoln and Jefferson High Schools will depend, in a large measure, the success or failure of the trip.

The lineup for first choice is as follows: Forwards, Brooks, Roberts; center, Bradshaw; Guards, Rice, Vierick; sub., Motschenbacher.

DOUGHNUT SEASON OPEN

Popular Inter-frat League is Reorganized—No New Teams Entered

With the advent of good weather and with a large squad of baseball enthusiasts already at work on the diamond, interest again turns toward the Doughnut League, which has proven so popular the past two seasons.

A preliminary meeting was held on Tuesday evening to arrange for the system of games for the year. The committee appointed that day will report on Sunday at a similar meeting, and if present plans materialize the first game will be played the 15th.

Some discussion has arisen in regard to the eligibility of Varsity men in their regular positions. There is some talk of requiring only pitchers and catchers trying for the Varsity team to play other positions than their regular berths.

The talked-of independent team has not materialized, and so far as known only the eleven regular frat teams will be entered. Much enthusiasm has been displayed and an interesting series of games is assured.

OFFICIAL DENIAL COMES FROM REGISTRAR TIFFANY

According to Registrar Tiffany, the rumor that there will be no April vacation this year is entirely unfounded. The vacation is fixed by the calendar," said Mr. Tiffany, "and it is not at all likely that the faculty will abolish it this year."

OREGON STILL HAS CHANCE TO TIE

If Jamison's Men Win Tonight, Will Tie Seattle for Basketball Championship.

Oregon's chances for the Northwest basketball championship were considerably lessened last night by losing the game to the University of Washington by a score of 22 to 18. Seattle reports say that it was the roughest and fastest game yet played in the conference. Oregon started off well and rolled up 8 points before Washington came down to earth and the score of the first half ended 14 to 11 in favor of the lemon yellow quintet.

Oregon showed the better team work and were stronger in guarding. Walker was the star for Oregon, shooting four field goals. Olson and Clemenson were the sparklers of the Seattle squad, Olson alone scoring twelve points for his team.

The second game of the series will be played tonight, and the best Oregon can do is to tie Washington in the percentage column. If Washington wins, they will have landed another championship, regardless of Willamette's claim based on the flimsy pretext of comparative scores.

Washington's lineup was as follows: Left forward, Sugg; right forward, Olson; center, St. Johns; left guard, Hasely; right guard, Clemenson.

Oregon's: Left forward, Jamison; right forward, Walker; center, Fenton; left guard, Elliott; right guard, Simms.

The out of town guests were: Mr. A. C. Noon, M. D. Spencer, Judge Helms W. Thompson, James Caufield.

The patronesses were: Mrs. P. L. Campbell, Mrs. J. T. Geisler, Mrs. W. C. Barbour, Mrs. E. C. DeCou, Mrs. J. D. Laber.

JOE LYNCH FOR COACH

Tom Kelly's Mantle Will Probably Fall On Syracuse Man

Although the contract is not yet signed it is almost certain that Joe Lynch will be Oregon's baseball coach for the coming season.

Lynch is not very well known on the Coast, and not much can be learned about his past career. He is a graduate of Syracuse, and played three years on the Varsity team there. After graduation he coached some Eastern teams, then Lincoln High's football team for two years.

The contract calling for \$300 for the season has been sent to him and it is expected that he will sign it immediately.

FINAL GAME FOR CUP

Kappa Alpha Theta and Gamma Delt Will Clash Monday for Championship

But one game was played of the inter-sorority basketball series this week, and resulted in a victory of Kappa Alpha Theta over Tri Delta by the close score of 14-13.

This game narrows the competition down to two teams, Kappa Alpha Theta and Gamma Delta Gamma, which will play the deciding game for the Emerald mug Monday afternoon. The other eight have been gradually eliminated by these two fast teams, and a close and exciting game is anticipated.

Kappa Alpha Theta won from Tri Delta Wednesday afternoon by a score of 14-13. This game was by far the fastest and most exciting of any of the games in this series, and was vigorously fought throughout. Monday at 5:00 Theta will play Gamma Delta Gamma for the Emerald cup in the Men's Gymnasium.

The lineup for the Theta Tri Delta game was:

Theta—Hazel Rader (c), Frances Adams, forwards; Bess Cowden, Maurine McAdams, guards; Eleanor McClain, Mary DeBar, centers.

Tri Delta—Ruth Gibson (c), Jennie Fry, forwards; Bess Lewis, Jean Allison, guards; Emma Waterman, Marion Stowe, centers.

WASHINGTON HAS HARD FIGHT ON IT'S HANDS

WOULD THEY DEFACE CAMPUS BY RAILWAY TRESTLE?

CAR COMPANY WOULD DISFIGURE CAMPS

tudents Make Strong Protest to Lawmakers Against Car Line on Lake's Edge

For the second time in the last three years, the citizens of Laurelhurst, a suburb of Seattle, have petitioned the state legislature to allow them to run the street car line, by means of a trestle across Union bay, which is a part of the University of Washington campus.

As in both previous times, but more strenuously, the students, faculty and alumni are using their utmost efforts to down the measure. A petition has been circulated among the townsmen, and personal influence has been brought to bear upon the legislature with the view of saving the campus from this intrusion.

The principal objection to the trestle as embodied in the petition sent to the legislature by President Kane, of the University, and D. A. McDonald, President of the Alumni Association, are:

1. "The trestle would be unsightly and cut off about 160 acres of the University's picturesque water area."
2. "That the noise of the cars over the trestle will interfere with class work in the University buildings, and make useless the natural amphitheatre."
3. "That the trestle will interfere with aquatic sports."
4. "That the residents of Laurelhurst would themselves find a trestle unsightly," and
5. "A remonstrance signed by 9,000 voters, secured in one day, has been filed with the Secretary of State."

The outcome of the measure is yet in doubt, although a measure providing for a different trestle has passed the senate by a large vote.
