DEDICATED TO VARSITY AND PROFESSOR GLEN

March Number of Monthly Will Treat of Devotees of Calliope

The March number of the Oregon Monthly, which goes to press Monday, March 6, will be one of interest not only to music lovers, but to all students and friends of the University of Oregon. It will be distinctly musical throughout, and will be dedicated to Professor Irving M. Glen, Dean of the School of Music.

Professor Glen has been untiring in his efforts to put music on a par with other student activities, therefore great effort has been put forth to make this number a fitting memorial to his earnest and efficient leadership.

Every department will speak for itself. There will be several stories by such pleasing writers as Carin Degermark, Nancy Noon, Cornelia Pinkham and Fen Waite. The Who's Who section will give interesting and authentic accounts of the student life of musical celebrities in college. The Waste Basket will be especially attractive, appealing to the humorous side of the musical "sharks."

COMMITTEE WILL PLAN TO ENTERTAIN ORATORS

Arrangements are nearly completed for the entertainment of the visiting delegates to the Inter-Colligate Oratorical contest.

All the fraternity and sorority houses have consented to entertain some of the visitors. A committee of one member from each house has been appointed to meet the delegates next Friday afternoon and escort them to the houses where they will stay. This committee will meet Monday afternoon at 3:45 to arrange all details.

Friday night after the contest the visitors will be entertained at the annual banquet of the association.

They will depart from Eugene some time Saturday.

CO-EDS DEBATE TRYOUT TUESDAY, NOT MONDAY

The preliminary women's debate tryout will be held next Tuesday (instead of Monday) evening at 7:00 o'clock.

A large number are expected to enter the tryout, although only a few have as yet handed their names to Manager Huntington. These are Birdie Wise, Lilah Clark, Carin Degermark, Elizabeth Bush, Jessie Calkins and Alice Stoddard.

The judges of the tryouts will be Dr. Bennett, Mr. Kempthorne and Professor Buchen. Speeches must be limited to five minutes.

ROBISON WILL SPEAK AT ORATORICAL BANQUET

At a meeting of the Oregon delegates to the Inter-Collegiate Oratorical contest, Charles W. Robison was elected to respond to a toast for the University at the banquet, which is attended by the delegates, and by any other students or friends who so desire. Tickets are on sale at the Steward's office.

Professor Glen will be toastmaster. Hendershot's orchestra will supply the music.

Do You Know That One of the Prof. Refused to Pay His Mock Court Fine?

A quiet man who would sedately pass, detesting noise and ring of parting brass, had little chance his pathway to pursue. He's hounded down by all the farsome crew, who pounce upon while he's passing by, and quickly rush him to the court room nigh. His clumsy plunks they try to part him with, but he the shining wheel refused to give. A little while he may his journey wend, but they will surely land him in the end.

Derwin's theories are to be studied by a club organized for the purpose at the University of Wisconsin.

EXAMS FOR WEST POINT WILL BE GIVEN HERE

Senator Chamberlain Announces That Politics Will Not Affect Choice

At the request of Senator Chamberlain, the University of Oregon will hold competitive examinations in Eugene on April 6th and 7th to determine the appointee to West Point from Oregon. Heretofore the appointment has been made by one of Oregon's senators, and politics has almost invariably played a part. The arrangement this year will put a stop to such practices.

To take the examination, a man must be between 17 and 22 years of age, a citizen of Oregon, at least 5 feet 4 inches at 17 and 5 feet 5 inches at 18 years of age, and sound physically. He will be examined in Algebra, Physical and Descriptive Geography, English Grammar, English Composition, Literature and History, including Ancient, Modern and Mediaeval, with special emphasis on the history of our own country. He will also be given a rigid physical examination. The applicant averaging highest in these examinations will be given the appointment from Oregon, which permits him to go to the Presidio in San Francisco and take the regular entrance examinations for West Point, and if successful, be entered into the academy on June 14, 1911.

The physical test will be given in Eugene, along with the academic examinations, but it is suggested that applicants submit themselves to such a test before taking the examinations in Eugene, in order to make certain that they have no defect which will stand in the way of appointment.

Already several applications have been filed with the Registrar, and the University authorities predict a large number of men will try for the appointment.

VARSITY BOKING AGENCY ANNOUNCES ATTRACTION

A large majority of the number of future assemblies have been provided with programs along with their respective dates. The following are definitely assured: (On March 8 the Junior class will have charge of the entertainment; March 15 Edgar B. Piper, of Portland, will lecture; March 22 the Freshman class will render a program; April 5 President P. L. Campbell will speak; and April 12 Mrs. Clara Waldo will give an address. March 29 has not yet been provided for, but the committee promise to get a good speaker for that occasion, or turn that hour over to the student body if necessary.
