

IDEA CANOE CARNIVAL WELL RECEIVED BY ALL

TOWNSPEOPLE BECOMING INTERESTED IN PROPOSED REGATTA

BUSINESS MEN DONATE TROPHIES

Tentative Program Has Been Arranged for Coming Sports

Although it is still considerably in the future, all indications point to a most successful canoe carnival this spring.

Among townspeople and faculty, as well as students, the idea of a boating festival is enthusiastically received and the committee from the Junior class has met with nothing but encouragement throughout the preliminary arrangements.

Three silver trophy cups are already assured as awards for the various contests, and considerable money has been promised by public spirited merchants and students.

The Eugene Commercial Club has put its sanction on the scheme, and Mr. Freeman, head of the publicity department, is arranging to send press notices of the carnival to all the newspapers of the state. Because of the distinctiveness and novelty of the idea, Mr. Freeman believes that these notices will be of legitimate news value to the papers and will thus serve to attract favorable notice and comment toward Eugene and the University of Oregon, and that many out of town visitors will be attracted to the regatta and that it can be made a regular event characteristic of and peculiar to the town and college.

At a meeting of the arrangement committee, Monday, steps were taken toward canvassing the different clubs and fraternities to ascertain the number of canoes which would be available. Suggestions have been obtained from all colleges where aquatic sports are held, and a tentative program of events has been determined upon, viz:

- 100-yard canoe race, singles.
- Up race and down river race, doubles.
- Doubles race by fraternity teams.
- Race by mixed teams.
- 100-yard women's singles.
- Women's distance race.
- Canoe tilting contests.
- Tub races.
- Tipping over contests.
- 100-yard swim.
- Mile swim.
- Tug of war.

DEUTSCHERS WILL TALK PLANS FOR THEATRICALS

The German Club will hold a regular meeting next Tuesday at the Lambda Rho sorority. The program has not been posted. At the next meeting the question of presenting the German play will be discussed and the time decided upon.

Read in Sunset Magazine, "Motoring in California," by Lloyd Osbourne, beautifully illustrated in four colors. The Seppl—A romantic serial, by C. N. and A. M. Williamson. "In the Shadow of the Dragon," by Grant Carpenter. Descriptive story of San Francisco's Chinese quarters. April issue, now on sale, 15 cents.

More than ninety candidates have turned out for the co-eds' class baseball teams at the University of Washington.

CHANCE FOR STUDENTS TO WIN SCHOLARSHIP

Applications for the 1911-12 scholarships offered by the Oregon Branch of the Association of Collegiate Alumnae must be filed by April 25.

This scholarship is offered each year to the women of the state, its disposition being determined by the applicant's need and ability to make good use of it.

The committee in charge are: Mrs. G. H. Marsh, 100 E. Sixteenth street, Portland; Mrs. R. R. Perkins, 373 E. 49th street, Portland; and Miss Laura H. Northup, 599 Elizabeth street, Portland.

WILL PRODUCE "AT YALE"

Dramatic Club Selects It For Its Most Important Production

"At Yale" will be the play presented by the Dramatic Club as its most pretentious production this spring.

This decision was arrived at by the committee of selection, consisting of Maude Beals, Birdie Wise and Ralph Moores. The other plays considered were "Brown of Harvard," "The Virginian," and "Checkers." "At Yale" was chosen because it, more than the others, was fairly independent of any one actor and because it had the rah, rah, atmosphere, so important in college productions.

As the name indicates, At Yale is a story of the great New England college in the '80's, and the principal action centers around the rowing crew with the Eternal feminine figuring considerably.

The cast for the play has not yet been decided upon, and it is just possible that because of the paucity of active masculine members in the Dramatic Club, another tryout may be held, before the cast is selected.

TO PICK COLUMBIA TEAM

Saturday All Men Will Start From the Scratch—No Handicap

Next Saturday a final tryout will be held to select the men to represent the lemon yellow in the indoor track and field meet which will be held at Columbia University, Saturday, April 8. There will be no handicap, and old and new men alike will start from the scratch. Fifteen men will be taken to Columbia to run under Oregon's colors.

On April 12, the Wednesday after the Columbia meet, the twelve men who are to go to the Coast meet at Berkeley will be picked. The team will leave on the Thursday after the tryout, for Berkeley, where they will arrive in time to witness the dual meet held on Saturday between Stanford and Berkeley.

DR. BENNETT READS AT Y. W. C. A. MEETING

Dr. C. F. Bennett read a delightful "talklet" from Dr. W. W. Thoburn's little book, "In Terms of Life," to the Y. W. C. A. girls Monday afternoon. Nell Murphy furnished the music for the meeting, and Naomi Williamson was leader.

Dave McDaniels, '12, is still ill in Portland.

GREEK MEETS GREEK IN BITTER FORENSIC WAR

DEMOSTHENES ZIMMERMAN WILL HEAD OREGON'S PHALANX

LEONIDAS RAY TO STAND AT HIS RIGHT

Villard Hall Will be Agora—Ray Goodrich Archon—Friday Date

Oregon, affirmative, versus Washington, negative, on the question, "Resolved That the United States should adopt a system of ship subsidies," will be the big event of the week at Villard Hall Friday night.

Ray and Zimmerman will be pitted against Glenn Hoover and Raymond Clifford, who are coming from the University of Washington with blood in their eyes and with the determination to avenge their overwhelming defeat of last year and to regain the championship of the Northwest, which is now held by Oregon.

Coach Buchen's veterans promise to do more than hold their own with the

HOWARD ZIMMERMAN, '13 Who Will Head Debate Against Washington Friday

Washington men, and the best, closest and most interesting debate ever held in Eugene may be expected. The teams are so closely matched that a fight to the finish will be begun when Mr. Ray Goodrich, who will referee the contest in the capacity of chairman of the evening, calls upon L. Leon Ray to open the case for the affirmative.

Clifford, of Washington, will probably follow Ray, and then Zimmerman will take the floor for Oregon. Hoover the debater, wrestler, and orator, will close the constructive argument for the negative, and each speaker will then be given five minutes for rebuttal. The fight will be hottest here, but those who know Zimmerman feel confident that he will prove himself the equal of the renowned Hoover. If such is the case, Oregon will get the decision.

Preparations for the contest are complete. It will begin at 8:00 P. M., and with Mr. Ray Goodrich, '05, presiding. The program will be opened with a selection by the Freshman Choral Club. The judges have been secured and will arrive in Eugene Friday afternoon. They are: Principal J. R. Wilson, of Portland Academy, Principal H. H. Herdman, of Washington High School, Portland, and Hon. Ralph W. Wilbur, of Portland.

WASHINGTON TEAM TO FEAST AT THE OSBURN

Manager Huntington has arranged to give a banquet to the visiting debating team from Washington at the Osburn, Friday night after the debate. Plates will be set for about sixteen men, which will include the members of both teams last year's debaters, Coach Buchen, Manager Huntington, the college orators and two members each from the Sigma Chi and Beta Theta Pi fraternities, which have brothers represented on the Washington team.

Miss Louise Cecil, '11, has recently been ill.

GO TO DEBATE STANFORD

Coach Buchen, Collier and Motschenbacher Leave for the South

"I confidently expect our affirmative team to win here, Friday night, and although I am not so sure of the negative side, I think we will defeat Stanford also."

This was the way Coach Gustave Buchen summed up the triangular debate situation on the eve of that great contest before leaving with Collier and Motschenbacher for Stanford on the Shasta this evening. Mr. Buchen has had the men at work on the ship subsidy question since Thanksgiving, and says he has nothing more to give them.

The negative team will stop at the Palace Hotel in San Francisco, until Friday night, and that night will put up at the Palo Alto Hotel, in Palo Alto. From there Coach Buchen will proceed directly to Salt Lake City, where he will be joined by Zimmerman and Ray before the Utah debate April 7th. Zimmerman and Ray will have the same side of the same question as against Washington, and the coach expects two victories from this team.

COACH WARNER MARRIES

Cupid Gets Our Husky Football Trainer—Fair Corneli Classmate is Bride

"Bill" Warner, Oregon's football coach, has fallen a victim to Cupid's wiles. He was married, March 22nd, at Pendleton, to Miss Charlotte Dorothy McElvey, a college sweetheart of his, at Cornell. Miss McElvey came from the East a few days ago and the courtship was brought to a focus at once.

Mr. and Mrs. Warner will reside at Hermiston, near Pendleton, where "Bill" is practicing law.

JUDGE HOMER AND BUSH RUN FOR CHAMPIONSHIP

At an early hour this morning Bush Brown and Judge Homer pulled off one of the most spirited quarter mile runs ever recorded on Kincaid field. Both principals in the run were backed heavily by their admirers, but the exact amount of capital that changed hands can not be ascertained.

They came down the stretch with Bush in the lead, but within thirty-six inches of the finish Homer nosed ahead and triumphed by a hair's breadth. The exact time could not be learned as timekeeper Jamie strangled the cuckoo clock.

Harold Broughton suffered a severe injury to one of his fingers at practice Monday.

WILL HEAR ROOSEVELT FROM TRAIN WEDNESDAY

GREATEST AMERICAN TO STOP AT DEPOT FOR TEN MINUTES

S. P. CO. WILL NOT STOP SHASTA AT "U"

Assembly Will Be Dismissed to Allow Students to Make Depot

Theodore Roosevelt, who has just completed a series of Earl lectures upon economic and political topics at the University of California, will pass through Eugene next Wednesday morning, and will probably deliver a short address to the students and townspeople.

Dr. Joseph Schafer, who has been corresponding with the ex-president, stating that he would be glad to speak on the campus, provided the Southern Pacific Company would stop the Shasta Limited. The matter was taken up with Manager O'Brien, who declined to stop the train, on the ground that such action would establish a precedent for the trip, and if the schedule of the train was once broken was once broken, infinite delay would result from numerous petitions for stops. Mr. O'Brien did state, however, that the train would regularly stop for about ten minutes at about 10:30 Wednesday morning, which would afford students and townspeople a chance to see and hear the greatest living American.

It is probable that no assembly will be held next Wednesday, to allow the students and faculty to make the depot.

Mr. Roosevelt is travelling very plainly and unostentatiously, with only his private secretary as companion. He has no private car, and is touring the country merely as a tourist in the Pullman. His speeches on this trip have been characteristically live and interesting, and were remarkably well received in California.

48 CANOES ON THE RACE EMERALD PIGGER COUNTS

Along in these spring days, when pigging and infantile paralysis are so prevalent, the discreet pigger who "would a-wooing go," wonders how large is the supply of gondolas on our classic stream. Capitalist Bond has the olive wreath for number of canoes owned, with a count of seven, but all of the twenty-six other personages on the campus who own canoes are ready to take issue as to the respective merits of their special articles of furniture. Among the faculty, individually and collectively, three of the submarines are owned, and among the alumnae and townspeople in general an even dozen can be counted. All told, when the canoe carnival brings them all forth from their hiding places, and making no allowance for a surplus in anyone's exchequer which will permit said person to own one, two score and eight canoes will be on hand.

"A ten-acre fruit orchard, well taken care of, will support a family, and is far superior as a money maker to a larger orchard," is the opinion of Thomas Shaw, of St. Paul, who is in charge of the Great Northern Experiment station.

Nat Kimball, '14, spent the week end in Portland.
