**PROF. GLENN TO DIRECT  
WOMEN'S COMIC OPERA**

Will Dance and Sing to  
Light Music

The opera "Princess Chrysanthemum" which will be put on by the Woman's Choral Club, April 15, will be one of the greatest things the women of this University have ever undertaken. To make its success a certainty, Miss Rowland has engaged Professor Glen to conduct the final rehearsals and put "pip" into things which will give it the true comic opera swing.

The chorus contains forty of Oregon's co-eds and the principals are selected from the star pupils of the Vocal department.

The costumes are on the way from Portland and scenic painters are working a stage setting which will portray characteristic Japanese landscape.

Dr. Stuart becomes more enthusiastic over the dancers at each rehearsal—so responsive to the particular style of dance does she find the girls to be.

The theatre orchestra will be augmented to twelve or more pieces and will start rehearsals this week so that the musicians will be perfectly familiar with the score the night of the performance and leave no chances of a "ball-up" on the part of the orchestra.

**BARGAIN RATES FOR THE  
1912 OREGANA TILL 15TH**

Indications Point to Most Successful of All Year  
Books

Editor Chet Moores and Manager Wendell Barbour of the Oregana have returned from Portland after making final arrangements for the publication of their book.

The contract has been let to the Portland Printing House, which submitted the lowest bid. This is the company that printed the Oregana last year and their contract this year calls for a completion of the work by Junior Weekend so that the book may be distributed at that time.

Manager Barbour says that his annual will contain over one hundred pages more than last year's, that it will contain one thousand cuts and \$400.00 more of advertising than any previous annual. The total cost of publishing will aggregate somewhere between four and five hundred dollars.

Already 350 subscriptions have been handed in which is more than the total of last year.

April 15 has been selected as the date for the closing of the reduced price. After that the price will be raised from \$1.50 to \$2.00. Those wishing to take advantage of the present rate may hand the deposit of 50 cents to Clarence Walls at the University Book Store, or any of the following, Jack Lueky, Earl Jones, Herbert Barbour, Clementine Cutler or Rex Turner. Also a bulletin has been placed in the library on which the names of those desiring to subscribe may be placed.

**FINAL LECTURE GIVEN  
BY PRESIDENT CAMPBELL**

That all the great problems of philosophy are clearly and completely answered by the teachings of the Christian religion and that the course of philosophy and psychology of this age and former centuries is leading to the conclusions that were advanced by the founder of Christianity two thousand years ago, was the emphatic assertion of President Campbell in his address before the Y. M. C. A. last evening. This address was the last of a series of six lectures that have been given before the Y. M. C. A. on various phases of the Bible. Although such a discussion would ordinarily be difficult to comprehend for many of those whose studies have not included the more abstract subjects. Pres. Campbell led up to his conclusions by a series of steps presented so simply and clearly as to be plain to anyone.

Preceding the address of the evening J. Earl Jones gave a short inaugural address after being installed in office. William Lai sang a solo in his usual pleasing manner.

**FEW BOYS NEITHER BAD  
NOR BASHFUL MAY COME**

Few Boys Neither Bad

A favored few of the masculine element of the student body will receive a reward for their goodness about Monday or Tuesday, in the form of invitations to the Co-ed Gymnasium Exhibition. This exhibition was given last year and Dr. Stuart hopes to make it an annual affair. It will be given Thursday evening in the men's gym.

Every sophomore and freshman girl in college will take part. The order of exercises is: (1) Grand March; (2) Swedish Day's Order; (3) Irish Tilt; (4) Apparatus Work; (5) May-pole dance.

The Gamma Phi Beta sorority will give their formal dance in the men's gymnasium tonight. Elaborate plans have been made, and many out of town girls will be guests.

Dave McDaniel, president of the Junior class, writes that he will be back at college Monday. Mac is now in Eastern Oregon, having nearly recovered from the severe attack of tonsillitis from which he suffered last week.

Miss Zoe Frazier, of Lebanon, attended the Tri Delta initiation Friday evening.

**ALL HAVE OPPORTUNITY  
TO HEAR T. ROOSEVELT**

Train Will be Stopped, Classes Dismissed

Arrangement for Ex-President Roosevelt's lecture at the Southern Pacific depot next Wednesday are rapidly being completed. It is not known definitely just where the train will be stopped, but President Campbell is trying to arrange with the railroad company for a place which will easily accommodate the crowd. The crossing at High street has been thought upon as a probable stopping place thus permitting the ex-president to speak from the rear end of the train. The decision of this matter, however, lies with the Southern Pacific Company.

In order that the students will be able to hear Mr. Roosevelt to advantage, it will be necessary that they arrive considerably ahead of the time scheduled for the Shasta Limited to appear, and consequently all nine o'clock classes at the University may be cut short or dismissed. Some of the classes may be postponed and some may be held in the open air at the station. The lecture is being arranged for by university authorities, and an attempt will be made to give every university student a chance to hear it.

The subject which the ex-president will discuss is not yet known, but from present indications he will speak of facts bearing on the University life.

**DEBATERS TELL HOW IT  
HAPPENED AT BANQUET**

After the last night's contest, debaters and judges were entertained at a supper at the Hotel Osburn. Eighteen men were present and for an hour and a half they feasted upon wit, wisdom, and a few other more substantial viands.

President Campbell acted as toastmaster and called informally upon the debaters and the judges to explain how it happened.

Results were received from the debates at Stanford and Washington, and enthusiasm ran high when it was learned that Oregon had won the championship. Glenn Hoover, speaking for Washington, promised to "come back" next year.

**STANFORD "U" WEEK  
END INCLUDES REGATTA**

The most striking and original feature of the Junior Week End festivities at Stanford last week was a regatta and an elaborate program of aquatic sports on Lake Lagunita.

The schedule of events comprised tilting contests, races, swimming matches, parades and other interesting events on the water. A large number of entries were made in all the events and it was spoken of in the Stanford paper as one of the most successful features of the Week End jollification.

Miss Rae Zimmerman, ex-'13, and Miss Ione Lambert, ex-'12, of Portland are visiting at the Theta House.
