WOMEN TRYOUT FOR MEMBERSHIP TO CLUB

Miss Perkins Will Coach the Girls
for the Several
Contests.

The Girls' Tennis Club has been holding tryouts for membership this last week. It is the aim hereafter to make membership in the Tennis Club signify skill in wielding the racquet. Each candidate must play two sets against Miss Perkins, who is considered a splendid player. Miss Perkins watches the plays and skill of each applicant and insists that each come up to the standard which she has set. However, those failing in this tryout will be given some valuable pointers and a chance to try again in two weeks.

About fifteen girls have tried out this week. The names of those who were able to come up to Miss Perkins' standard will be voted on by the Club at its next meeting.

Miss Perkins has also consented to coach next week, between the hours of 4 and 5 p. m. any girls who wish to enter in the second tryout.

ELIJAH BROWN'S MANTLE TO FALL ON ABLE ELISHA

John Andrews Hunt Who Will Succeed to This Mission Post Is
Promising Young Man.

John Andrews Hunt, (unmarried), six feet high, a prominent athlete in his university, a strong speaker, an unusually popular man in society, and one who is recognized as a leader among his associates, such will be the next general secretary of the Y. M. C. A. at the University of Oregon. Mr. Hunt graduates from DePauw University at Green Castle, Indiana, this spring. Mr. Percy Adams received a telegram from the president of the University yesterday, saying that he was glad to send word of the acceptance by Mr. Hunt of the proposition made him by the Advisory Board of the U. of O. Y. M. C. A., and he wished to add his enthusiastic recommendation of the man.

Being a university man and not a college man, he understands university problems, being a fraternity man, he is able to appreciate the attitude of the fraternity man toward such work as he represents. The local association feels fortunate in being able to secure him.

SCANT 25 HEED LUCKEY'S FRANTIC CALLS FOR HELP

Although but a scant 25 responded to the baseball manager's call for help in erecting temporary bleachers this morning the crowd made up in enthusiasm what it lacked numerically and by noon had the lion's share of the work done.

The stand is designed to accommodate 250 and parallels the third base line. Netting will protect the spectators from foul balls and Jack Luckey, the genial manager, is selecting nothing but the softest boards for his patrons to sit upon. The bleachers will be completed for Wednesday's game.

On account of the extra work to be done in preparing the baseball practice grounds on the campus for varsity games it has been necessary to appoint another assistant baseball manager. "Busher" Brown is the lucky man and with becoming modesty has accepted the new honor thrust upon him.

The college Y. M. C. A. was visited this week by the coast secretary who is making a trip to inspect the Northwest organizations.
