OREGON WINS GOOD GAME FROM IDAHO

A LARGE CROWD OF COLLEGE PEOPLE AND THEIR GUESTS SEE GOOD GAME

OREGON EVEN IN SERIES WITH IDAHO

Oregon is Still Holding Second Place in the Northwest League—Washington First

Oregon came back at Idaho Thursday afternoon and evened up her record by taking the game at 5 to 5 before a big crowd of Oregon people and their week-end guests. There was some good playing seen, Roberts displaying more class perhaps than any other man on the Oregon team, while Barrett played a brilliant game at short stop. Both pitchers, Houck and Lundstrom, were pretty freely. In the fifth inning Cobb went in for Houck and was in turn replaced in the eighth by Jamison. Oregon still holds second place in the Northwest Conference League. In the first Idaho was unable to score. Roberts was first up for Oregon, got a two-bagger to left field, Chandler struck out and Roberts came home on a long bingle by Word, who was put out in an attempt to reach third. Oregon 1, Idaho 0.

In the second canto Robinson, Williams and E. Perkins fanned in rapid succession. For Oregon, Cobb reached first, Mount fanned and Cobb was caught napping. Jamison was hit by pitched ball, reached second on an error by Cromb and came home on a lucky hit by Taylor who reached first. Taylor went out in an attempt to steal second, and Houck was thrown out at first.

Third—Fenton caught Hillman's fly to right garden, Robinson's ball went into Houck's hands; Barrett walked, Perkins sent one to short stop and Barrett was caught at second.

For Oregon—Roberts found Lundstrom for a two-bagger and came home on a sacrifice fly by Word. Chandler came home on a lucky hit by Cobb which brought Cobb to second; Mount fanned.

In the fourth, inning Lundstrom erred on errors by Fenton and Cobb and a bunt by Williams. Oregon failed to score though Houck managed to reach third.

In Idaho's fifth try Perkins fanned and two flies, caught by Chandler and Cobb sufficed to finish the three men. Word walked, Fenton fanned and Word and Cobb were out on a double play by Williams to Kettenbach.

The sixth inning saw Kettenbach reach the home plate. An error by Word allowed Williams to reach third and he came home on a bingle by Perkins who was stopped at second. Jamison made first, stole second and came home on Taylor's hit. Taylor likewise galloped across the home plate.

In the seventh Idaho was unable to score though Barrett advanced to first.

Lundstrom walked Word and Fenton Robinson put Word out in an attempt to reach home and Fenton gained first. Amundsen and Jamison went out at first.

STANDING OF CONFERENCE TEAMS UP TO DATE

Team	Won	Lost
Washington	7	0
Oregon	7	5
Pullman	6	2
O. A. C.	5	5
Idaho	4	5
Whitman	1	5

The next games to be seen in Eugene are the two with the Multnomah Club of Portland May 19th and 20th, and the last games of the season will be played with the University of California May 31st and June 2nd, closing the Oregon baseball season of 1911.

TOURNAMENT COMING

Oregon and Washington Are Disagreeing as to Both the Place and the Date

Oregon has a contract to meet Washington on the tennis court or Saturday, May 30, but at present the matter is somewhat undecided.

The Washingtonians wish to meet their Oregon rivals in Portland, probably on the Multnomah Club courts, but the Oregon men are holding out for the tournament on the local varsity court.

Oregon is endeavoring to have the tournament postponed for at least one week on the grounds that the weather has been so unfavorable here that sufficient opportunity for practice has not been afforded. The matter has not been decided as yet and the outcome is very uncertain.

Both doubles and singles will be played off. Ralph Newland, Harry Stine, Paul Bond, and "Dolly" Gray are the men who have displayed the most class up to date, and from this list the team will probably be chosen.

Citizens of Syracuse, N. Y., will give \$100,000 to Syracuse university for the improvement of its campus.

The University of Chicago is discussing the adoption of the honor system.

The University of Michigan baseball schedule calls for four games in the east.

The senior engineers at Minnesota are constructing a thirty-five horsepower aeroplane.

stole second, came to third on Roberts' little hit and came home on a passed ball. Chandler sent one to center field and reached first and stole second. Word eluded one to left and Chandler came home.

In the last, Barrett found Jamison for a two-bagger, Perkins fanned and Lundstrom was thrown out at first by word.

Score: Oregon, 8; Idaho, 5.

MARTIN HAWKINS.
Oregon's Captain of Track, 1911—the man who tied the Coast record of 15.2 in the high hurdles last year. He holds both the college and Northwest record in this event and is a strong man in the javelin and broad jump. Mr. Hawkins is a member of the Class of 1912.

INTERSCHOLASTIC MEET COMPLETE SUCCESS

WASHINGTON HIGH SCHOOL OF PORTLAND IS WINNER WITH THIRTY-FOUR POINTS

LARGE CROWD WITNESSES THE GAME

Barber, Bibee, Quickmore and Foster Tie for First Place as Point Winners

Washington High School of Portland won the first annual interscholastic track and field meet held at the University of Oregon yesterday.

The day was unpleasant and the track slow and heavy. Frequent showers during the morning interfered with the running off of the preliminaries, delaying some of them until the afternoon.

In spite of the weather a good crowd turned out and the grandstand was well filled with enthusiastic "prepers"—and their varsity hosts.

There were large numbers entered for every event which only served to make them more interesting. There were in all 135 entries, representative of 27 different Oregon High Schools.

One new interscholastic record was established, Foster, of Dayton, hurling the 12 pound hammer 146.9 feet.

The relay race was perhaps the most interesting feature of the entire meet. It looked for a time as if Washington were to be the winner, but Pendleton rallied by a bare few inches.

Four men, Barber, of Washington; Quickmore, of Washington; Foster, of Dayton, and Bibee, of Jefferson, tied for the highest number of individual points and will probably have to draw to decide it.

The results were:
 100-yard dash—Quickmore, Washington High; Sheehan, Oregon City; Kaiser, Salem; Skipworth, Eugene. Time, 10:3-5 seconds.

Pole vault—Doan, Ontario; Gause, Newberg; Jensen, Junction; Perkins, Columbia. Height, 10 feet 3 inches. (Continued on the following page.)

SCHEDULE OF DOUGHNUT LEAGUE TO BE RESUMED.

The remaining preliminaries of the Doughnut League series will be played off this coming week—two of the games, Acacia vs. Kappa Sigma and Sigma Nu vs. Dormitory Club, were played off before the opening of the conference games. The entire preliminary schedule will be finished this coming week and the finals the following week. The games for next week are as follows: Alpha Tau Omega vs. Sigma Chi, Monday, May 15, 4 p. m.; Beta Theta Pi vs. Beaver Club, Tuesday, May 16, 4 p. m.; Delta Sigma vs. Tawah Club, Wednesday, May 17, 4 p. m.; Avava Club vs. Acacia, Thursday, May 18, 4 p. m.; Sigma Chi vs. Beta Theta Pi, Thursday, May 18, 4 p. m., Midway Park; Dormitory Club vs. Alpha Tau Omega, Saturday, May 19, 8:30 a. m.; Beaver Club vs. Delta Sigma, Saturday, May 19, 10:30 a. m.

STUDENTS BECOMING INTERESTED IN GOLF GAME

Golf enthusiasts are making another effort to revive the old golf club. Golf is a game which is extremely fascinating and those who indulge in it become very fond of it. The links can be easily improved at comparatively small cost.

The present record is held by Bert Prescott at thirty-eight. It was formerly held by Professor Dearborn at forty-two until lowered by Prescott last year.

There are a number of enthusiastic student golfers at present who are rapidly becoming adept at the game. The game is equally enjoyable to men and girls and several college girls are becoming quite devoted to the sport.

"Chuck" Taylor.
At present captain of baseball and last season captain of football. Taylor is a strong man behind the home plate and has held down the catcher's position for three years. He will have another year in athletics with the University although he is a Senior, for he will take post graduate work next year and has participated in inter-collegiate athletics for only three years.

WOMEN'S TENNIS TRYOUTS MONDAY AND TUESDAY

The tryouts for the girls will be held Monday and Tuesday if the weather permits, but if not they will be indefinitely postponed until clear weather.

Every girl in college is urged to try out for a place. Anyone who desires to try out may practice with Miss Perkins every day from four o'clock on. Miss Perkins plays with the candidates and acts as judge of the skill shown. Fifteen girls tried out the first time and Frances Adams, Norma Graves and Hazel Rader were the only ones chosen for membership. It is hoped that as a result of skill gained in practice since that time that a large number of girls will be successful.

RACE CLOSE FOR FIRST PLACE IN BIG MEET

IDAHO HANDICAPPED — WASHINGTON AND OREGON LEAVE IT FAR BEHIND.

TWO COLLEGE RECORDS ARE BROKEN

Two College Records Are Broken—Events Are Slow in Being Pulled Off—Large Crowd Out.

Before an excited crowd of fifteen hundred loyal Oregon supporters, Big Bailey and Long Bob Kellogg, Oregon's weight men, hurled the 16-pound hammer out for two long mighty throws, and thus auspiciously opened the sixth annual Tri-State meet on Kincaid Field this afternoon. The morning showers had softened up the track and left it in excellent condition. The afternoon was just a little chilly, and cloudy, but unless rains should interfere in all probability northwest records will be broken.

Up to time of going to press the following events had taken place:

- Hammer throw—Kellogg (O), 139.4; Sherrick (W), 132.4; Eakin (W), 123.
- 100-yard dash—Courtney (W), Kay, (O), Johns (O). Time 10.2 seconds.
- Discus—Kellogg (O), 123.6 feet; Gish (W), 108.9; Bailey (O), 103.
- Kellogg broke McKinney's record with his throw of 123.6 feet.
- High Jump—Evans and C. Bowman (W), tied for first, 5 feet, 6 inches; Strohecker (I), 3d, 5 feet, 3 inches.
- Broad jump—Gish, (W), 22.21 feet; Hawkins, (O), 20.85 feet; Evans, (W) 20.21 feet.

880-yard dash—McConnell, (O); Stoll (W), Denning (I); time 2 minutes, 3-5 seconds.

In this race McConnell lowered the college record by one and 2-5 seconds.

120-yard hurdles—Hawkins, (O), Latourette, (O), Brokaw, (W); time 15.3 seconds.

Up to the time of going to press, Oregon was leading by a narrow margin of one point, having 81 points to Washington's 80 and Idaho's 2.

With ten events still to be pulled off it was impossible to make any predictions as to the possible outcome of the meet as the two teams were running such a close race for first place.

Idaho was severely handicapped with an entry of only six men, while Oregon and Washington each had their full quota of twelve.

The meet was pulled off in very slow style due to the fact that a number of the men were entered in three or more events.

"Fat" Bailey upon whom Oregon counted for a second place in the hammer throw disqualified by repeated fouls in the ring.

Hawkins won the high hurdles in handy style with a lead of several feet.

The men representing Oregon in the meet were Captain Hawkins, Kay, Kellogg, Bailey, Latourette, McConnell, western corner of the field, Huggins, Elliott, McClure, Neil, Johns, Huggins, Elliot, McClure.

The officials:
 Starter, Dave McDaniels; announcer, Chester Moores; referee, Eberle Kuykendall; scorer, Clarence W. Walls; clerks of the course, Ralph Newland, Bill Main; Timers, E. M. Brown, Dr. Leonard, George Hug; judges of finish, Prof. Glen, Prof. Buchen, Victor Zednick, Prof. Thurber; field judges, Fred Moulten, "Chuck" Taylor, Vernier Gilles, Alva Grant, Ferd Struck, Ben Grout.
