

OREGON SHOWS U. OF W. WHO BILL HAYWARD IS

TRI-STATE TRACK MEET WON WITH TWENTY POINTS TO SPARE

GISH OF W. FAILS TO MEET EXPECTATIONS

Hawkins Lowers 220-yd. Hurdles Record—McConnell Breaks 880-yd. Record—Kellogg Wins 15 Points

Oregon demonstrated her come back qualities in the Tri-State Track Meet Saturday, May 13, 1911, by rolling up the decisive score of 72 points. She also showed Washington who Bill Hayward is. Bill is "it." Washington, her nearest rival, had 51 points and Idaho with the relay race conceded to her, was able to secure but 17 points.

The weather was threatening all the afternoon and its low temperature is probably responsible for the fact that only two records were broken. Captain Hawkins, of Oregon, clipped one fifth of a second off the Northwest Conference 220-yd. hurdle record by running them in 25 1-5 seconds, and McConnell, of Oregon, broke the college record in the 880 yd. run, formerly held by Ed Davis, at 2 min., 2 sec., by running it in 2 min. 3-5 sec. Bob Kellogg, also of Oregon, was the greatest individual point winner. He won first in the three weight events, netting him 15 points. Gish, of Washington, won the second greatest number of individual points, 13.

The surprise of the day was the failure of Washington's great athlete, Gish, to do all that was expected of him, and all he was confident he would do. Gish failed to place in the 100 and 220 yard dashes, and lost the 880 yard dash to Johns of Oregon. Gish finished second in this race but was disqualified along with Kay of Oregon, for fouling. He won the broad jump with ease and secured second place in the javelin, over Evans of U. of W., who holds the American Intercollegiate record. He also got second place in the discus and third place in the shot put.

A large crowd was in attendance and the old time Oregon spirit prevailed during the afternoon.

The events and results are as follows:

- Mile run—McClure (O), Huggins (O), Kleopfer (W). Time 4:40.
- Discus—Kellogg (O), Gish (W), Bailey (O). Distance 123 6-10.
- 100 yard dash—Courtney (W); Kay (O), Johns (O). Time, 10 2-5.

- 440 yard dash—Johns (O), Condon (W), Loux (I). Time 50 3-5.
- 220 yard hurdles—Hawkins (O), Montgomery (I). Distance, 22 27-100.
- Two-mile run—Miller (O), Huggins (O), McClure (O). No opposition.
- 220 yard dash—Montgomery (I), Johns (O), Courtney (W). Time, 22 3-5.

- Javelin—Neill (O), Gish (W), Evans (W). Distance, 148 4-10.

INTERCOLLEGIATE TOURNAMENT FRIDAY AND SATURDAY

The date for the tennis tournament has been definitely set and with the permission of the weather, the meet will be run off Friday and Saturday of this week. Oregon's team has not as yet been picked, but will be selected by Manager Newland from some half dozen promising candidates, shortly before the tournament.

Washington will be represented by George Fibiger, Harry Goetz and either Art Moncrief or Ivan Talbott for third man. Two members of the team are freshmen, but nevertheless are reported to put up a first class article of tennis, which will obviate the possibility of a walk over for Oregon.

FILE DREADED PETITION

University Appropriation Will Now Be Held up Until After Election of November, 1912

The referendum petitions against the legislative appropriations for the University of Oregon were filed yesterday afternoon with Secretary of State Olcott by H. J. Parkison, of Portland, and Mayor W. H. Abrams, of Cottage Grove.

The petitions contained a total of 42,424 names or nearly double the number required by law to refer the act to the voters of the state.

The filing of the petitions means that Oregon, for at least two years, will be deprived of many needed repairs and improvements which were provided for by the appropriation, as the matter can not be brought before the voters until the November election of 1912.

There are rumors afloat to the effect that other referendum petitions will be filed before Friday against the appropriations for the Oregon Agricultural College and the State Normal at Monmouth.

MARTIN HAWKINS, Captain Northwest Championship Track Team.

"Haywards the greatest trainer in the Northwest and is the man who'll train the 1911 Northwest championship football team," said "Chuck" Taylor.

Les Dobie being caught loafing as usual, said, "Hayward, he's the man that broke into Washington's athletic corral."

FRAT LEAGUE RESUMES

Sigma Chis Defeat A. T. O.s and Betas Win from Beavers in Opening Games

The Doughnut League began its second series after several weeks of inactivity Tuesday night when the Sigma Chis and the A. T. O.s played a game, the result of which was a 15 to 5 victory for Jamison's men. "Semi-pro" McKinsey, of Midway fame, occupied the slab for the Sigma Chis and Watson was the receiver. Bob kept the hits well scattered over the field and his supporters accepted the chances with more or less accuracy. The Sigma Chis took the lead from the first and held it throughout the contest. Motschenbacher twirled a steady game for the A. T. O.s but his support failed at critical periods. Brosius officiated behind the windpad. Coach Lynch made his debut as umpire and performed in a satisfactory manner. The score keeper was unable to keep account of the errors.

The second game of the Doughnut series was played last night between the Beavers and the Beta Theta Pis. The Betas landed the long end of the eight to four score. Fenton did the twirling for the winners and Broughton wielded the big mit. John Kestley coached from the first base line in his inimitable style. Tom Word was the Beaver slabster and Dolly Gray did the receiving. The first part of the game was even, but costly errors gave the Betas a lead that their opponents could not overcome.

WILL PLAY MAAC NINE

Coach Lynch's Nine Will Meet Veteran Team Put Out by Portland Club

The cohorts of Coach Lynch will be lined up against the fast Multnomah aggregation at Eugene next Friday and Saturday, May 19th and 20th. Since their defeat by Oregon in Portland the Multnomah team has been strengthened by the addition of several new men and have defeated O. A. C., Willamette and several other fast teams of the state.

It is now up to the Oregon team to again defeat them and remove all chances of the O. A. C. or Willamette aggregations claiming the state championship.

DeNeffe, the pitcher, who two years ago, with Multnomah, defeated Oregon in a fifteen inning game, will be the slab artist for Multnomah in the coming games.

The Multnomah line up will contain several Oregon grads, among whom shine Dud Clarke and Dick Hathaway, the clubmen will line up as follows: DeNeffe, pitcher; Stott, catcher; McClennan, first base; Campbell, second base; Hathaway, third base; McKenna, short stop; outfielders, Clarke, Meyers and Morris.

The Oregon lineup will probably remain the same as during the intercollegiate series, with Houck, Jamison, and Cobb as twirlers.

The first game will be called at 4 o'clock Friday and the second at 1:30 Saturday on the campus grounds. These games, and the one with California, May 31st, will finish up the season for the Oregon team.

The Pendleton and Baker City high school teams left today for Corvallis where they will participate in Saturday's interscholastic meet.

CAPTAIN MAIN ISSUES CALL FOR SPRING PRACTICE

Captain Main has issued the call for spring football practice and beginning this afternoon aspirants for the 1911 eleven will start preparations for defeating Washington next fall.

This spring practice will occur but three times a week and is designed primarily for those men who have not been kept in condition by spring training on the track or diamond. Light suits will be used and the old men are urged to report to Trainer Hayward for the necessary paraphernalia.

Prof. F. S. Dunn will deliver the third of his series of classical lectures tonight at 8 p. m. in Deady Hall.

SENIORS SEEK A COACH

"Jim" Hammond Leaves for East—Dobie Will Secure Another Professional Actor.

Mr. James Hammond, '98, who has been busy the past two weeks coaching the Senior play, "Just Out of College," has left for the East to fill a summer engagement.

Mr. Hammond has been holding daily rehearsals and as a result everything is in shape for a splendid production. The lines are learned and the players are busy putting the final touches onto the acting.

Although some time will elapse before May 27, when the play will be staged, work will not stop with Mr. Hammond's departure, as Manager Dobie is negotiating with George Baker, of the Baker Stock Co., for a competent coach and hopes to have a capable actor here within the next few days. In the interim Coach Buchen has kindly consented to work a little harder and is giving the rising Thespians daily instruction.

Y. W. C. A. PLANS INTERESTING MEETING NEXT MONDAY

The freshmen have charge of the Y. W. C. A. meeting next Monday afternoon and have prepared an interesting program. Miss Morgan will speak to the girls and Miss Edna Miller will sing. Ruth Beach is the leader for this meeting.

Every freshman girl as well as every Y. W. C. A. member is urgently requested to be present.

DESPITE BAD WEATHER WEEK END IS SUCCESS

BALL GAMES, TRACK, PICNICS, DANCES AND WORK ALL ENTERTAIN

400 VISITORS ATTEND THE FESTIVITIES

Big Event of Week-End Is of Course Victory In the Tri-State Track Meet

Despite unfavorable weather, which prevented the canoe carnival being held, and which detracted somewhat from the interest in the athletic events, the 1912 Week-end was probably the most successful one ever seen at the University of Oregon.

From the time the umpire called "play ball" in the Idaho game Wednesday afternoon, until the last trainload of visitors left on Sunday's trains, there was something doing every minute and unless all indications are amiss the several hundred visitors were kept continually amused.

The big event of the week was, of course, the victory in the Tri-State track meet, when Oregon secured sweet revenge on her old rival Washington and made more points than both of the other contestants.

Two hundred couples attended the Prom Saturday night and although the floor was crowded visitors were carefully looked after and all seemed to enjoy themselves. The general committee was in charge of W. Barbour, Mrs. A. A. Bancroft, Mrs. J. A. Stevens. The grand march was led by David McDaniels and Miss Jamison, of Portland.

The interscholastic track meet was well attended, though the heavy track militated against fast time. The Washington High School team which won this meet, is coached by John C. Veatch, '07, a former Oregon track star and debater.

The University Day work was systematically planned and accomplished important results. Eighty feet of cement walk was constructed west of Deady, a tennis court established and the concrete "O" on Skinner's Butte repainted.

A new feature of the week end which by its popularity bids fair to become permanent, was the cap burning exercises conducted on Kincaid Field immediately before the meet. The class of 1914 under the leadership of President Yaden assembled and amid stirring speeches and yells cast the green caps into a huge bonfire.

It is conservatively estimated that four hundred visitors enjoyed the University's hospitality. This includes a number of men connected with the visiting athletic teams, a hundred and twenty-five preparatory athletes and the usual number of alumni, parents, rushers and just visitors. The larger share of these were entertained at the various fraternity, sorority and club houses.

Altogether the last Week End under the auspices of the class of 1912 was most successful and will doubtless go down in tradition as a record breaker.
