Catchers, Kerry, U. of W., Johnson, W. C.
Pitchers, Sturgis, U. of W., Sweetser, W. S. C.

Third, Roberts, O.
S. S., Arney, U. of W.
Chandler, O., I. f.; Fenton, O., c. o. f.; Brinker, U. of W., r. f.

The above was Coach Lynch's selection for an All Northwest team in the conference colleges. This team is made up exclusive of O. A. C., as Mr. Lynch did not have the opportunity of seeing the Aggies in action this year.

Captain Taylor likewise picked a team identical with Lynch's team except that he used Reiben in the box in addition to Sturgis and Sweetser, and Lundstrom of Idaho at short. In the out field he picked Tully of W. S. C. for right field because of his hitting and base running abilities.

VARSITY PLAYING MAAC

Postponed Game Finally Called - Freshman Peet Makes Initial Bow

Freshman Peet made his initial bow in the pitcher's box against the strong Multnomah nine this afternoon and though several hits have been collected off his delivery he seems to be making good with the critical Varsity bleachers.

Dud Clarke, last year's Varsity captain, is the M. A. A. C. captain this year and is playing centerfield for the Portland men.

Table with 2 columns: Player Name, Position. Includes Taylor (c), Peet (p), Jamison (1b), Word (2b), Annusen (ss), Roberts (3b), Fenton (cf), Chandler (lf), Dobie (rf), Gleason, DeNeffe, McClellan, Campbell, McKenna, Patterson, Clarke, Monson, Hedrich.

ENTER 'HAWK' IN A. A. U.

Speedy Hurdler Will Enter Under S. A. C. of University Colors

Captain Martin Hawkins, who holds the record of 15 1-5 in the high hurdles, is in receipt of a letter from the Seattle Athletic Club asking him to enter under their colors in the National A. A. U. track meet to be held in Pittsburg early in June.

'Mart', although naturally eager for a trip East, is hesitating about running for the Seattle Club and feels that he would much rather compete under lemon and green colors.

Several of the friends and admirers of the speedy Oregon man have taken up agitating the question of the Varsity sending Hawkins East and the plan seems to be meeting with unanimous endorsement.

It appears that there is no money in the student treasury available for such a purpose, and that if Hawkins is to represent Oregon it must be provided for by subscription.

It is argued that Oregon now has the best hurdler in its history and should take advantage of the opportunity to make a showing in the East.

Though nothing has been said to 'Hawk' of the plan it is known that he would make the trip and it is hoped his friends may make it possible.

Miss Merle McKelvey and Miss Mildred Bagley are spending the week end in Portland.

DEFEAT WASHINGTONIANS IN YET ANOTHER LINE

TENNIS CHAMPIONSHIP HAS ALREADY DEPARTED FOR THE NORTHERN VARSITY

FOUR MEN WILL EARN TENNIS 'O'

Newland, Stine, Bond and Gray Are Men Who Are Turning the Trick This Year

Oregon's racquet wielders have been as successful as their brothers of the track team and though the final match is still in progress the intercollegiate tennis championship has already been won by Oregon.

In the tennis tournament yesterday and today another championship was wrested from Washington. Out of the five matches to be played, Oregon's representatives have won the first three, the number necessary to carry off the meet.

Stine started things in the singles yesterday for Oregon with Febiger on the other side of the net. Unheading his adversary's superior reach, 'Cap' went to work with his usual form and in the course of an hour had annexed the first three sets 6-2, 6-2, 6-2.

The second match (doubles) between Newland and Gray, of Oregon, and Moncrief and Goetz of Washington, was more closely contested, the first two sets going without much difficulty to Oregon.

At 9:30 this morning Newland ended the slaughter with Moncrief as the innocent victim. 'Newly' played his usual brilliant game and it was not long before he had accrued unto himself a tally of 6-0, 6-1, 6-4, winning the tournament from Washington.

The fourth match of the meet was played off just before noon, between Bond, of Oregon, and Goetz, of Washington. The match was the most contested of the whole tournament but was finally taken by the gritty Washington lad with a score of 4-6, 3-6, 6-2, 7-5, 7-5.
