SAGE OF BOISE BEATS ALL RECORDS IN SEAGER

First Perfect Mark Is Given Out In Dr. Gilbert's "Pipe" Course

All records in the Economics Department have been broken. C. H. Lingenfelter Jr. has received a "100" in a Seager quiz.

This astounding news was broken to the campus in general this morning, and while Dr. Gilbert smiled sardonically, Jack Shattuck, Nell Hemenway, Pat Cecil and the other League "shaarks" turned green with envy.

Think of it! After the greatest minds of Portland, the Willamette Valley, Southern Oregon, and indeed the whole state, had labored and perspired for years only to be cut off with mere "50's," "76's" and "92's," a pugnacious blonde economist out of the sage brush and alkali of our sister state nonchalantly carries off the palm. Well may he exclaim with Longfellow's hero, Eureka! The aforesaid grade has created a furor in scholastic and academic circles, and it is reported that the American Quarterly will publish the paper in full with margin notes by Ed. Himes. Since this performance the Dorm has dropped the name of "Ling, the fire eater," and with one acclaim has bestowed on him the title of "The Sage of Boise."

Since this perfect paper has been handed out, one may well exclaim with the pessimists, Oh, Seager, where is thy victory? Oh, Dr. Gilbert, where is thy sting?

CALIFORNIAN BASEBALL TEAM ARRIVES ON TUESDAY'S 12:32

The University of California baseball team arrived on the 12:32 last night, and is being quartered at the various fraternity houses. Their northern trip has been only partially successful, as they lost both at Seattle and Portland. The team consists of thirteen players and coach, the unlucky number perhaps accounting for their defeats.

PENDLETON AND GRANTS PASS HIGHS TO DEBATE

This Will Be Deciding Contest, As Winners Keep Regents' Cup

Debaters from Grants Pass and Pendleton High Schools will contest in Villard Hall next Friday evening for the preparatory championship. Grants Pass has defeated everything in the Southern Oregon districts for the third successive year, while Pendleton has won out in the Eastern Oregon and Columbia River districts. This debate is for the final possession of the cup offered by the Regents of the University of Oregon to the champion team. Under the regulations of the Oregon High School Debating League, the school winning the state championship twice shall retain the cup permanently. Two years ago Grants Pass won from Pendleton in the finals, while last year Pendleton won from Eugene High. This being the second time these schools have met in the finals, more interest is being manifested than usual.

The subject to be discussed is national vs. state conservation of resources, Grants Pass supporting the former. Their speakers are Allen Herrick, leader, Earle Best and Helen Love. For Pendleton, James Hartwell, leader, Chester Fee and Claude Hampton.

DR. SHELDON WILL TRAVEL ENGLAND AND GERMANY

Dr. H. D. Sheldon, who is leaving the University of Oregon this year to take the chair of Education at the University of Pittsburg, will spend a year, previous to taking up his new work, travelling and studying in Europe.

Dr. Sheldon will leave America for Europe about the middle of July, and will spend about three months traveling through Germany. At the end of that time he will begin his studies at the University of Leipsic, under Professor Lamprecht, a specialist on German methods of education. While studying here, he will spend some time visiting the German schools, taking up in particular two questions: (1) The organization of the lower industrial schools; and (2) The German system of training teachers.

In the spring the Doctor will leave Germany and go to Manchester, England, where he will work under M. D. Sadler, a specialist in the history of education, and will spend some time visiting English and Scotch schools. He will return to America in the fall to take up his work in Pittsburg.

DOUGHNUT SEASON IS NEARING ITS CLOSE

Friday afternoon Kappa Sigma and Sigma Nu will play one of the two semi-final games for the Doughnut cup. The same evening Beta Theta Pi and Sigma Chi will clash. The two winning teams in these games will meet Saturday in the final game to decide the resting place of the coveted trophy cup for the ensuing year. All four of these teams are fairly strong, and all are well matched, so some good exhibitions are expected.
