

REGENTS DEBATE CUP WON BY GRANTS PASS

SOUTHERN OREGON SCHOOL
GETS PERMANENT POSSES-
SION OF FINE TROPHY

PENDLETON DEFEATED ON CONSERVATION

Two to One Decision Comes Because
Affirmative Speakers Did Not
Take Burden of Proof

Grants Pass High School defeated Pendleton last night in the championship debate, and thereby won permanent possession of the Regents' cup presented to the team first winning two championships.

The contest, close and interesting throughout, was undecided until after the final rebuttal speech of Allan Herick, of Grants Pass. His work was a feature of the debate, although he was ably assisted by his colleagues, Erle Best and Miss Helen Love.

The Pendleton team, composed of James Hartwell, Claude Hampton and Chester Fee, did excellent work, but they did not assume the burden of proof to the satisfaction of the judges. It was their duty to show that national conservation of national resources is preferable to state conservation. The negative opposed them by proving that national conservation is inexpedient, impractical and unjust, and that such is not the case with state conservation. The decision was two to one in their favor.

The judges were, Professor Thurber, Ray Goodrich and E. M. Brown. Lloyd Casebeer opened the program with a piano solo. After the contest, President Campbell presented the Regents' cup to the victors.

To the discredit of the University, a very small audience was present.

MR. JASPER STEVENS SUCCUMBS TO ATTACK OF TONSILITIS

The sad news was received, Thursday, of the death in Southern California, of Mr. Jasper Stevens, father of "Si" Stevens, '12. Mr. Stevens was one of the most substantial men of Eastern Oregon, being president of a number of banks. He was also a member of the first graduating class sent out by the University of Oregon, and lived for a number of years in the city of Eugene.

His death came as the result of a severe case of tonsillitis, from which he never entirely recovered, and which had caused him to take a trip to California in search of better health. "Si" has left for his home, but expects to re-enter college next fall.

WOMEN JOURNALISTS FROLIC AS REWARD FOR WORK

The management of the Co-Ed Emerald not only put out the best issue on record, but made money at it, and a handsome balance remains to the managers, Emma Waterman and Erma Clifford. As there is no provision for the disposal of their fund, it has been decided to expend it in a picnic for the staff up to the McKenzie at O'Brien's. This will occur next Saturday, and will be a strictly feminine affair. The feminine journalists will take a carriage early in the morning, spend the day in a frolic, and return by moonlight.

Bertha Masters, of Portland, is visiting at the Gamma Phi Beta house.

SINGLE TAX CONTROVERSY SUBSIDES AIR CLEANS UP

The single tax controversy between Edwin Himes and the supporters of Professor Gilbert has apparently been dropped. C. H. Lingenfelter and Howard Zimmerman, two prominent students in the Economics department, addressed an open letter to a local publication Thursday, defending Professor Gilbert's integrity and analyzing some of his questioned statements. With this, the incident seems to have closed.

STUDENTS ENDORSE PLAN

Subscribe Freely to Send "Hawk"
East to Represent "U" in A.
A. U. Meet

Unqualified success has met the effort to raise funds to send Martin Hawkins, the premier Northwest hurdler, to the national A. A. U. games in Pittsburgh this summer.

The students have responded heartily to the suggestion, and in a few hours yesterday a committee consisting of Ralph Moores, Bob Kellogg, Verner Gillis and James Johns, succeeded in pledging over half the required sum. This amount was raised by touching the students on the campus, without any systematic canvass being made. The down town friends of the Oregon captain have not yet been approached, nor have the different organizations been asked to contribute. No effort is being made, as yet, to collect the money. Pledges are being taken, and when the amount necessary to cover actual expenses shall have been promised, the lists will be turned over to the student body officers for collection and auditing.

The names of those subscribing to help the University to be represented in this national meet will be published in the next Emerald.

CLUB FAIRLY LAUNCHED

Canoe Club Effects Permanent Organization and Elects
Officers

At a well attended meeting at the Gamma Phi house Thursday evening, the University Canoe Club was permanently organized and officers elected for the ensuing year.

Ralph Moores was chosen President, Emma Waterman Vice President, Flora Dunham Secretary, and Willard Shaver Treasurer. A constitution and by-laws were adopted, and a committee on membership appointed, consisting of Ralph Newland, Dean Collins and Lenore Hansen.

It was decided to give a canoe picnic for members Saturday, June 10.

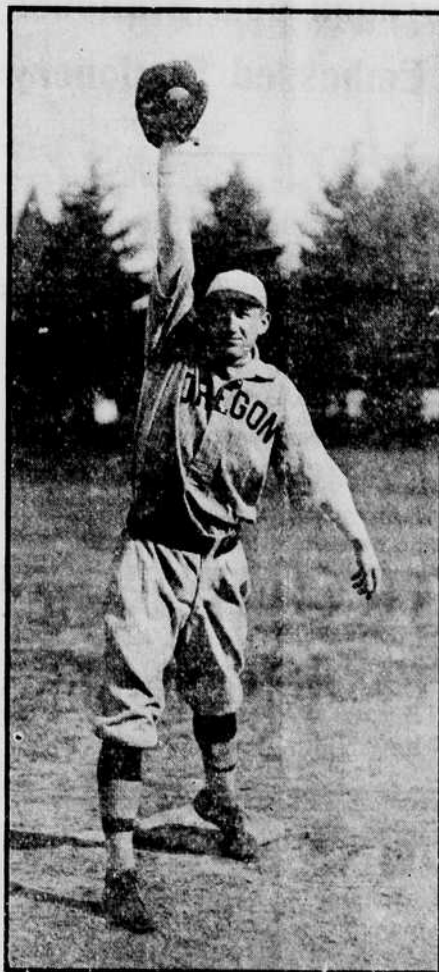

It is hoped to form a live organization of those especially interested in this spring water sport, and to this end applicants for membership will be subjected to reasonable tests of their ability to handle a canoe and to take care of themselves in the water.

As announced in the constitution, the purpose of the club is to promote interest in canoeing by giving carnivals, building boat houses, and safeguarding those participating in the sport.

Mrs. Fuller, the Gamma Phi house mother, entertained her many friends with an informal Friday afternoon from two to five.

FRIARS ELECT

ROBERT KELLOGG
HOMER JAMISON
DAVID M'DANIELS
LEON RAY

HOMER JAMISON, '12

Unanimously chosen Captain 1912
Varsity Baseball Team

At a meeting of the eleven baseball "O" men yesterday afternoon, Homer Jamison, '12, of Portland, was unanimously chosen to captain the 1912 baseball team.

"Jamie" has held down the position of first sacker ever since his entrance into college, and has acquired a reputation throughout the Northwest both as the best first baseman and as the scrappiest man in the league. The election was a popular one, and augurs well for the success of next year's team.

FERDINAND NEUBAUER WILL BE INSTRUCTOR SUMMER SCHOOL

Ferdinand Neubauer, '10, is in the city again preparatory to taking up his work as instructor in mathematics in the coming summer session. Mr. Neubauer has just completed a successful year as instructor in mathematics in LaGrande High School and next year will occupy a similar position in Oakland, Ore.

For his master's degree Mr. Neubauer is working in collaboration with Prof. E. E. DeCou on the translation of a German work "The Nature of Numbers." It is a profound treatise on higher mathematics and will probably ultimately be adopted as a textbook here at Oregon.

SIX ASPIRANTS ENTER LISTS FOR FAILING AND BEEKMAN

There are six entries this year for the Failing and Beekman oratorical prizes. Charles Robison will deliver "The Scapegoat;" Percy Collier's is entitled "Conservation of Natural Resources;" Naomi Williamson will speak upon "Industrial Accidents;" Alice Stoddard upon "Child Labor;" Darrel Bellat upon "Law and Justice;" and Maybelle Larson's will be "The Trend of Population from the Country to the City." All give promise of being most interesting and giving the judges considerable trouble in choosing between them.

PERMISSION IS AT LAST GIVEN AND SWIMMING NOW LEGAL

Permission has been secured from the chief of police to swim in the mill race, provided the swimmers are properly attired and do not stand or lounge on the sidewalk. Proper garb is a bathing suit or a gym suit that clothes the wearer from shoulder to knee. Regular swimming classes will be held if there are enough applications, but the lateness of the season will probably keep many from attending any stated hours.

SOPHS ORGANIZE CLUB

Eleven Prominent 1913 Men Have
Formed Society Under Name
of Sphinx Club

The Sphinx Club, a Sophomore Society, containing eleven members, and representing five national fraternities and the Dorm Club, has been announced in the University. The society was organized October 15 of last year, and from the beginning has exercised a strong influence in college and class affairs.

Although nothing definite has been given out of the purpose of the club, the organization is reported to stand for a greater Oregon and a spirit of old-time congeniality among the students.

The membership of the society will probably more than double next fall, at which time a number of prominent 1914 men will be admitted. It is not the aim of the Sphinx Club to hold strictly to any certain clubs or fraternities, but to eventually claim members among the outside men and in every organization in the University. The members and organizers are Paul Bredwell, Dean Walker, Glen Storie, Ray Murphy, Harold Warner, Fen Waite, Vernon Vawter, Lloyd Barzee, Bill Neil and Dan Mitchell.

WINS AND BREAKS EVEN

California Takes Final Game 4 to 3
After Desperate Fight by
Oregon Men

The University of Oregon lost its chance to win the Coast baseball championship by dropping Thursday's game to California by a 3-4 score. A collection of hits and an error or two let in two runs for the Californians in the third inning. Oregon came back in the fourth and scored one run when Roberts walked, stole second and scored on the next two outs. Chapman secured a pass in the fifth, went to second on an infield bobbie, and scored on Ford's center field sacrifice fly.

Oregon tied up the score in the sixth inning, when Chandler beat out one to first, pilfered second, went to third on Mike O'Kelly's error, and scored on Roberts' clean single. Roberts registered when Word hit to center field for two bags.

In the seventh, California secured the winning run. Coane singled and negotiated the rubber on a squeeze play.

Oregon came near tying up the score, again in the ninth, when Houck singled and attempted to score from first on Annuson's hit to center field. He made a desperate slide for the rubber, but was called out on a questionable decision. It was a spectacular ninth inning close to a game that was interesting throughout.

SIGMA NU WINS FINAL GAME IN FRAT LEAGUE

DEFEATS BETAS 6-0 AND THERE-
BY ACQUIRES PERMANENT
POSSESSION OF TROPHY.

GOOD FIELDING WINS FAST GAME

Final Games In Tournament Have De-
veloped Good Ball and Much
Interest

Sigma Nu won permanent possession of the much coveted Doughnut trophy cup, by defeating Beta Theta Pi, 6-0, in the final game this afternoon. The Betas lost today's game largely on errors, as they made ten bobbles to one by the victors. The game was stubbornly contested and developed a great deal of interest in the student body at large, as the bleachers were filled with partisans of the two teams.

The battery work of the teams was about even as four hits were secured off Fenton and three off Kellogg. The condensed score is as follows:

	Beta Theta Pi
Runs	0 0 0 0 0 0 0 0
Hits	0 0 0 1 1 0 1 0
	Sigma Nu
Runs	1 0 2 0 0 3 0 0
Hits	1 1 0 0 0 2 0 0

The two semi-final games in the 1911 Doughnut series were played Friday, and gave rise to considerable interest in the student body at large.

In the afternoon session, Sigma Nu, present holders of the trophy cup, defeated Kappa Sigma 6 to 5. The outcome of the game was due chiefly to the superior hitting of the Sigma Nus, who connected freely with Sap Latourette's offering, while Kappa Sigma secured but two safe bingles off Bob Kellogg. The sensation of the game was the big league class unexpectedly shown by "Father Tom" Burke who made several sensational stops in left field and batted like a veteran.

A desperate last inning rally by the Sigma Chi's in the evening game all but tied the two to one score with the Beta's. Martin Hawkins was out on a slide home, however, and thus perished the Sigma Chi's hopes of a trophy to adorn their mantle. Beta Theta Pi played a consistent game but owes its victory largely to the excellent work of their battery Fenton and Broughton. Hits were kept well scattered and though the Sigma Chis played plucky ball they could not head the Beta lead of two runs.

University Music Department Pre- sents Program at Villard

The University School of Music invites everyone to a piano recital Saturday night at 8:15, assisted by Miss Edna Miller, soprano, and Mr. Buford Roach, violinist.

Those who will appear on the program are: Lloyd Casebeer, Lena Newton, Madelene Harding, Buford Roach, Ruth Davis, Jessie Fariss, Emo Hendershott, Hazel Weatherston and Nell Murphy.

The staff of the Women's Edition of the Emerald is enjoying a picnic at O'Brien's today.

Pearl Wilbur, who has been in Portland the past week, has returned to Eugene.
