ENTIRE STUDENT BODY HONORS VIRGIL NOLAND

Resolution Showing Deepest Regret
Adopted and Forwarded to Parents
of Deceased.

The largest assemblage which has been present at any student body meeting this year met in Villard Hall at 11 o'clock Thursday morning in response to a special summons of President Ray, for the purpose of paying a fitting tribute to Virgil Noland, the popular student and athlete, who died Wednesday night.

In addition, arrangements were made for the memorial services of the afternoon, including decorations, ushers, and the seating of classes. A message of sympathy from the Idaho team was read and President Ray was given authority to secure suitable floral pieces for the student body. The resolution of condolence as passed was introduced by Earl Latourette and reads as follows:

"Whereas, it has pleased Providence to take from our midst Virgil Noland, a young man of excellent character and exemplary habits, and

Whereas, we do deeply regret his untimely death and mourn over his loss as a fellow-student and friend, and

Whereas, our departed friend was a member of the University football team, therefore be it

Resolved, that we, the Associated Students of the University of Oregon, do hereby express our deepest regrets over his sudden death and that we extend to his family our heartfelt sympathy, and be it further

Resolved, that as an indication of our sorrow and as a mark of our respect, we do hereby recommend that the football manager be instructed to cancel all the remaining games of this season, and be it further

Resolved, that a copy of these resolutions be sent to the family of the deceased, and that they be spread upon the minutes of the Associated Students of Oregon.

Immediately after the student body meeting, the class of 1915 met and in addition to making arrangements for floral tributes and the escorting of the body of their former classmate to the train, and in addition passed resolutions voicing the same sentiment expressed in those of the student body.

In the evening, from 7 to 9 o'clock, the friends of the dead athlete were allowed to view his body in Gordon's undertaking parlors. An escort, composed of practically all the men in the Freshman class, marching with the body from the undertaking parlors to the midnight southbound train, formed a final and fitting tribute to the student, whose life came to such an untimely end.

Mr. H. Snyder, a Sigma Nu of Washington University, is visiting at the Sigma Nu House.

EMERALD REVIEWS LIFE OF UNFORTUNATE BOY

Virgil Noland Gave Promise of Making
Strong Man In the
Future.

(By Leland Hendricks.)

Virgil Noland was born at Astoria, Oregon, December 22, 1890. He is the only son of Judge George Noland, himself a graduate of the University of Oregon of the class of 1880, and at present a highly respected citizen of Klamath Falls.

Noland received his early education in the public schools of Astoria. He did preparatory work in the Shattuck Military Academy of Missouri, the Boone Preparatory School of California, and Portland Academy, graduating from the latter institution in June, 1910. He spent the following winter in California, and prepared to enter the State University at Berkeley this fall, but changed his mind in favor of Oregon. Accordingly, he was enrolled in the present Freshman class here last September.

Before many weeks had passed, Noland began to be known in athletics and other activities as well. He was pledged to the Sigma Nu fraternity and by hard and consistent work in practice, he won a place at left guard on the Varsity football team. He has played this position with credit in every game participated in by Oregon this season. Nor has he been found wanting in scholarship; instead, he has done consistent work in all his classes, and was one of the few Freshman football men to escape the ban of "posts."

Virgil Noland was a young man of exceptional qualities, and in the brief time he was with us, won an enviable place in the esteem of his fellow-students and instructors. His sad death recalls another which occurred about the same time last year, when Charles Widlund, also a football player and one of the biggest men in school, was stricken with typhoid fever.

In the death of this promising student the entire University has not only suffered a shock, but has experienced a loss as well, from which it will never fully recover.

COACH JOHNSON WILL HOLD
DEBATE TRYOUTS MONDAY

Professor Johnson, Oregon's new debate coach, announces that the first and only preliminary tryout for the men's debating team will be held at seven o'clock Monday evening in Villard Hall.

At this tryout ten men will be chosen, from whom the final selection will be made. Ten minutes will be given each man, in which to present his opinion on "The Judicial Recall," the subject chosen by the Tri-State League.

IN MEMORY OF VIRGIL
NOLAND

No praises now nor glad songs
will avail,
To urge him on unto the vic-
tor's goal;
For he has won from out this
tearful vale,
Because of his unconquerable
soul.

So well he played in this dark
game of life,
With heart whose courage suf-
fered no defeat;
That from the furious struggle
and the strife,
Death lifted him, and sped with
flying feet.

And yet the heart o'erflows, the
slow tears start,
We cry to him that shall no
more be seen:

"Come back from that far coun-
try, where thou art,
And walk with us again the
campus-green!"

Was it last year that death with
fatal dart,
Smote in our midst who cheered
the victors on?
Again he smites and plays his
solemn part:
A voice is stilled, a cheerful face
is gone.

But with our comrade, is it now
not well?

We know not death as he shall
soon be known;
This would appear, if they could
speak and tell,

Who, as our brother, to his
breast hath flown.

—Earle Stannard, '14.

Miss Aletha Emerich leaves for
Medford today.
