BANDY BALL TO REVIVE

Determined Movement to Awaken Golf Interests Among Faculty and Students.

There will be a meeting of everyone interested in golf next Wednesday, at 4 P. M., in Prof. Reddie's room in Villard Hall. The purpose will be to re-organize the club after its past year of inactivity. Eight years ago there were about a hundred enthusiastic members, who had a well-furnished club house at the links on College Hill, but for a few years interest has suffered a slump.

This year, the promoters consider the chances for a successful revival very good. The links can be reached easily on the cars, and but a small outlay of forty dollars will put the greens in excellent condition. A large membership will lower the annual fees to about fifty cents. Arrangements have been made for laying in a large supply of balls and clubs.

Golf is a good winter sport, and with cross-country, is about the only out-of-door recreation for the rainy months. A number of the faculty of officers are enthusiasts already; among them are Pres. Campbell, Profs. De Cou, Dearborn, Shafer, Thurber, Miss Tiffany, and Mr. Prescott. The present record is forty, but before the end of the year, with a good course and regular, consistent play, this record is expected to be lowered to thirty-five.

Two tournaments will be held in late winter or early spring, one handicap, and the other an open tournament.

BASKETBALL SERIES FOR CLASSES STARTS DEC. 12

Schedule Consisting of Four Games Will Be Played Off Early Next Week.

Beginning next Tuesday, the inter-class basketball series for the possession of the Hayward cup will commence. Only four games will be played, two on Tuesday and two on Wednesday, and the championship will be decided on the percentage basis.

Little is known of the relative strength of the contesting teams, particularly in the case of the freshmen, and a close race for the cup is anticipated by the various teams.

Up to this week it has been generally understood that the same rules would govern the inter-class series as those formulated for the club and fraternity games, that is that none of last year's varsity men would be allowed to play, but the Sophomores have taken matters into their own hands by electing Carl Fenton as captain of their aggregation, and it is probable that the other classes will follow suit. As yet, however, Bill Nitscke (junior) is the only other captain chosen.

WALKER ELECTED FOOT BALL CAPTAIN FOR '12

Independence Student to Lead Oregon Hopfuls in Championship Scramble.

At a Banquet of the football team, Wednesday night, at the Osburn Hotel, Dean Walker, '13, was elected captain of the 1912 Varsity. Five ballots were taken, all of which resulted in a tie between Walker and Ed Bailey, and the deadlock was broken by the flip of a coin, in which Walker outlucked the giant tackle. Fenton nominated Walker and Sap Latourette put Bailey's name before the team.

Walker is a popular player, this being his third year on the Oregon team. Walker prepped at Columbia University of Portland and played three years on that team, receiving several all-interscholastic selections by the Portland scribes. Walker is a hard, conscientious player, and a favorite with team and fans alike. He hails from Independence and is a junior in the college of liberal arts.

Miss Margo Egan entertained Friday afternoon with cards, in honor of two guests from Portland, the Misses Leirnsen and Sutton.

Miss Amy Rothchild entertained in the evening with a dance, also in honor of Miss Sutton and Miss Leirnsen.

Miss Sophie Catlin and Miss Neil Thielson were hostesses at a large dance in Salem, at the Hotel Marion, on Friday, December 1. A great many of their University friends were present.

The Tri Deltas entertained for the Phi Gamma Deltas Friday evening. The evening was spent in dancing.

The Tri Delta Seniors entertained a few of their friends at dinner Thursday evening.

Guests at the Beta Theta Pi House over the week-end are C. E. McCulloch, Tyler Oglesby and Grover Kestly, from Portland; Frank Sullivan, from Oregon City; Carl Gabrielson, and Tom Townsend, from Salem; Edwin Fortmiller, from Albany, and Arthur Means and Merle Chessman, from Pendleton.

Stuart Freeman, a student of Portland Academy, spent a few days at the Kappa Sigma House.

Otto's candies are made fresh every day and not like other chocolates and bon bons shipped here and made two or three months ago. Try them and be convinced.
