

DOUBLE HEADER IN BASKETBALL PROVES BIG DRAWING CARD

VARSITY SMOTHERS HARRISBURG TEAM, AND KAPPA SIGS. NOSE OUT BETAS

CROWD THRILLS IN FRATERNITY CONTEST

Jamison's Expert Tossers Show Heels To Helpless Visitors and Score at Will.

A record breaking crowd gathered in the men's gym Wednesday night to witness the double-header played off between Harrisburg and the Varsity, and Kappa Sigma and Beta Theta Pi, the two undefeated teams of the interfraternity league.

Of the two matches, the latter proved to be of far greater interest, as the Kappa Sigmas were forced to fight hard for a fourteen to ten victory, while Oregon experienced no apparent difficulty in running up a seventy-three to ten tally against the much touted "Bullets."

The fraternity game was played first, and although the Betas kept close at the heels of their conquerors, there was no time that Kappa Sigma did not maintain a decided lead. Roberts starred as a point winner for the victors, while Boylen succeeded in holding Stine, the most dangerous man of the opposing five, to a no-shot record. The game was fast and clean.

At the close of the contest the Hayward cup was presented to Captain Roberts of Kappa Sigma by Ben Williams, ex-president of the Student Body.

The second game proved a decided relaxation to the Varsity veterans, after the strenuous work of daily practice. The Harrisburg boys showed a better knowledge of A. A. U. tactics than of inter-collegiate rules, and Jamison's men located the basket at will. The onlookers rapidly became satiated with the slaughter, and by the beginning of the second half, nearly one-third of the seats were vacated.

After a few minutes of play in the second half, the Varsity men were replaced by the substitute five, who ran the score up to its final reading of 73 to 10.

Trainer Hayward refereed both games.

SORORITIES PUT ON LID

Freshmen No "Dates," Sophomores One—Pan Hellenic Mandate That Must Be Obeyed.

At a meeting of the Pan-Hellenic Association last week, a stricter interpretation was read into the rule regulating the Pan-Hellenic Under-Classmen's social engagements. Hereafter the Freshmen can keep no evening engagements with men from Sunday to Friday. It is an infringement of the rule for a Freshman to allow a man to accompany her to or from the library, even if she goes directly home and is in by 9:15. If a Sophomore is escorted home from the library, it constitutes her one legitimate mid-week "date." This rule is being so strictly enforced that even brothers are tabooed and exception is made only in case of some important Varsity affair, such as basketball games, etc.

DATES FOR CLASS MEETINGS AND CLASS HOURS SCHEDULED

Owing to the great success attending the Assembly Class meeting system the faculty have decided to set aside three more assemblies during the present school year for this purpose. At present it is planned to hold these three meetings at the regular assembly hour on Wednesday, January 31, on Wednesday, March 6, and on Wednesday, April 3. The meeting places for the various classes at the assembly, on January 31, will be: Freshmen in Villard Hall, Sophomores in the Chemistry Lecture Room in McClure, Juniors in the Women's Gymnasium, and Seniors in Prof. Dunn's room in Deady.

Definite dates have also been adopted for the various class hours. On Wednesday, March 13, the Freshmen will present their program in Villard. The Seniors will hold forth on April 10, while the Juniors have announced May 15, as the date set for their appearance.

MONTHLY IS GRATEFUL

Editor Appreciates Past Assistance and Asks for Continued Support.

Miss Degermark, on being interviewed in regard to the Oregon Monthly, said: "I am glad that the Student Body has been able to grant the Monthly life for the rest of the year. I have been in a position lately to find out that the Alumni and friends of the University in general consider it a grave mistake to discontinue any Student Body enterprise just at this crisis, and an unfortunate step to stop the Monthly. I must confess that I was even surprised by the amount of interest shown by the students around the campus, and their regret that the Monthly was to be discontinued, for the material support they have given has not been as hearty as their words when we were under a cloud."

Now that it has been decreed that there shall be four more issues of the Monthly this year, I should like to appeal on behalf of the staff for the material support of the Student Body. There are some who have contributed to the various departments of our magazine quite faithfully and to them we are grateful, but we wish that many others who can write and have things of interest to say, would contribute also. Freshman themes and such things, cut and dried, are all right, but we thirst for some good live stories 'right off the bat.'

"In the matter of subscription, too, the Student Body might give us more effective support. Subscriptions may be paid at any time to the Editor or Managers Huggins and Bratager."

J. MERLE DAVIS SPOKE TO Y. M. C. A. ON JAPAN

Mr. J. Merle Davis addressed the Y. M. C. A. Wednesday evening on the subject of Japan. Mr. Davis is from Nagasaki and on account of his intimate acquaintance with the Japanese people, was able to discuss his subject in a most comprehensive manner.

He spoke feelingly on the necessity of the establishing of personal equality with the little brown people. Mr. Davis is now returning to Tokio, where he will take charge of one of the largest associations in Japan.

An addition has been made to the Y. M. cabinet in the person of Harold Young, who will take charge of the extension work in the Eugene High School.

Miss May Norton has lost a copy of Schiller's "Wilhelm Tell." Finder please leave with registrar.

AUTHORITIES PICK AN ALL-FRATERNITY TEAM FOR EMERALD

CRITICS AGREE UPON BRADSHAW, CENTER, AND RADER, FORWARD

INTERESTING COMPARISONS BROUGHT OUT

Bill Hayward Shows Knowledge of Player's Ability by Hitting Popular Selection.

* * * * *
* THE EMERALD ALL-FRAT. BASKETBALL TEAM *
* * * * *
* Bradshaw—Center. *
* Roberts—Forward. *
* Rader—Forward. *
* Boylen—Guard. *
* Viereck—Guard. *
* * * * *

The above team is the Emerald's theoretical basketball quintet, selected by comparing the choices of Trainer and Coach Hayward, Sporting Editor Mason Roberts, Varsity Captain Jamison, and Varsity Forward Dean Walker.

Bradshaw for center, and Rader for forward, were honored with the unanimous choice of the authorities. Roberts received three votes for forward, and Boylen a like number for guard. The other votes for guard were scattered over Viereck, McAllen, Rice, and Early, with Viereck landing the position with two votes. McAllen received one vote for forward.

The following were the selections and mentions for the Emerald team: Bill Hayward—For center, I think, Bob Bradshaw is the only choice, as he has already demonstrated class over any of the other fraternity candidates.

For guard I would pick Boylen as having most clearly shown his fitness for the position. Then Viereck is the man for the other side, with a slight edge over McAllen and Rice, because

MEN LEARN BANDAGING

First Lecture in New Course Given By Dr. Buckley—Other Topics Will Follow.

The Y. M. C. A. course in "First Aid to Injured," opened Thursday evening with twenty-four men in attendance. The first lecture was on the general structure of the body and how to make and apply bandages. It was delivered by Dr. Buckley, a graduate of the University of Minnesota, who has recently come to Eugene.

The complete schedule of the remaining lectures in the course has been definitely arranged. It is as follows:

Jan. 31, at 7 P. M.—Subject: "Injuries, in Which the Skin Is Not Pierced or Broken. Lecturer, Dr. F. W. Cummings.

Feb. 14, at 7 P. M.—"Injuries, in Which the Skin is Pierced or Broken; Injuries from Heat, Cold, or Electricity." Lecturer, Dr. F. W. Cummings.

Feb. 21, at 7 P. M.—"Unconsciousness, Partial and Complete; Poisoning; How to Carry Injured." Lecturer, Dr. C. W. Southworth.

Feb. 28, at 7 P. M.—"Injuries and Emergencies of Indoor and Outdoor Sports; Common Emergencies. Lecturer, Dr. C. W. Edwards.

These lectures are all held in Prof. Sweetser's room, Deady Hall.

LAW AND MEDICAL SCHOOLS GET MORE SPACE IN OREGANA

B. F. Alexander, a senior in the law department at Portland, has consented to take charge of the Law and Medical School sections in the 1913 Oregana. It is the intention of the staff to make this section of the book more important this year than heretofore by using pictures of the Faculty and Senior classes of both schools.

The champion inter-fraternity and class basketball teams will have their pictures in the next book and the hitherto neglected game of handball will be given space.

The campus subscription solicitors are meeting with excellent success, which seems to presage an excellent financial outcome for the undertaking.

Gilbert Beattie, '01, is superintendent of the Sheldon Jackson Industrial School, Sitka, Alaska.

SENIORS WORK ON PLAY

Begin Search For Coach—Arrange Tentative Date for Theatre on April Fifth.

At the meeting of the Senior class, held in Dr. Schmidt's room, Monday afternoon, several important committees made their reports. The Senior play committee reported that "She Stoops to Conquer" is to be produced at the Eugene Theatre, with April fifth as the tentative date. The same committee was empowered to obtain a coach, and although not yet definitely settled, it is probable that Prof. Reddie will be chosen for this position. Chairman Chester Moores, of the Senior Memorial Committee, recommended in his report that the choosing of a gift for the University be postponed until after the settlement of the referendum case, in order that something appropriate to the prospective new campus arrangement might be selected.

The election of a member on the Student Affairs Committee to take the place of Carl N. Homer, who has left college, was postponed until the next meeting.

Plans were discussed for the feasibility of a Senior Smoker and jollification to be held by the male members of the class.

Mrs. Joseph Knapp (Miss Cornelia Pinkham, '10) will spend the weekend in Eugene, as the guest of Mrs. Elmer Paine (Miss Peggy Mc Nair, '10).

Miss Grace Lilly, of Portland, after spending a few days as the guest of her sister, Beatrice, at the Gamma Phi House, has left for Brownsville.

Y. W. C. A. CHANGES ITS PLACE OF MEETING

Letters from the foreign field will be read at the regular Y. W. C. A. meeting January 29. The place of meeting has been changed to Dr. Schmidt's room for the time being, since the Women's Gymnasium is in use at 4 o'clock on Mondays. If possible, Dr. Schmidt's room will be made the permanent meeting place.

Miss Ruth Stone will lead the meeting, and Miss Wilma Young will give a piano solo. Election of officers for the coming term will also take place.

Owing to the approaching final examinations this will be the last meeting for the fall semester.

Miss Geneva Wilcox, of Independence, who has been visiting her sister, Cecile, for several weeks, left Thursday for Portland.

Miss May Norton spent the weekend at her home in Portland.

OREGON WILL PLAY WILLAMETTE TEAM NEXT FRIDAY NIGHT

CAPT. JAMISON EXPECTS HARD GAME WITH METHODIST ORGANIZATION

OREGON MAY HAVE BEST TEAM IN HISTORY

Return Contest Will Be Played In Salem at Later Date—Tickets on Sale Wednesday.

One of the hardest fought basketball games in the history of the University will take place next Friday night between the Oregon Quintet and the Willamette University star aggregation.

This will be the first athletic contest in which the two institutions have met since 1910, when difficulties over a football schedule resulted in a temporary severance of relations. In the 1910 basketball season Willamette defeated Oregon, and this year the lemon-yellow supporters are determined to wipe out the old score. Oregon has the best team in the history of the school, is the unquestionable assertion of those who have seen Captain Jamison's men work out, thus far. The team realizes the importance of annexing a victory over Willamette and at the same time respects the playing ability of that team. There will be no quarter shown on either side.

Willamette has a team made up of players who have worked together for several seasons, and besides have had the advantage of practice and the perfecting of their team work, ever since Thanksgiving of this year.

The game will probably be a battle royal from the starting gong until the whirlwind finish. The determination of Oregon to put the Willamette contingent out of the running, was voiced by Captain Jamison, when interviewed regarding the game, today: "I would rather beat Willamette Friday, than any team we will meet this year," was the assertion of the hard fighting leader of the Varsity team.

A return game will be played the Salemites in that city at a later date. The seat sale will open at Linn's Drug Store and Obak's Cigar Store, Wednesday, at 10 A. M. Reserved seats will be gobbled up at 50 cents per and the general admission will go at 35 cents.

ANNAPOLIS EXAMS CLOSE

Only Three Candidates Appear to Compete for Appointment to U. S. Naval School.

Three candidates are busy taking competitive examinations for the Annapolis appointment, two of whom will be successful. They are H. B. Howard, of Corvallis, Sydney S. Murphy, of Portland, and Andrew Koerner, of St. Johns. Examinations in arithmetic, algebra, geometry, spelling, geography, grammar, world's history, U. S. history, are being given. A severe physical examination will be conducted by Prof. Stafford, Bill Hayward, and Dr. Stewart.

The papers will be graded by the heads of the departments, a committee of the faculty doing the correcting. Each contestant's name has been placed in a sealed envelope, which bears a certain number, by which he signs his papers, so that the judges will have no way of knowing whose papers they are correcting and can therefore show no partiality.
