COLLEGE VOCALISTS ENTER PROFESSIONAL RANKS

The Eugene Octette, composed mainly of University songsters, made its first public appearance at the K. C. minstrels last night, and according to press reports, made a decided hit. Several glee club men were in the lineup and some local singers of note completed the eight.

Spurred on by their success, they are now contemplating a short inland tour, but have made no definite plans yet. The personnel of the club is: First tenor, Dobie, Fariss second tenor, Morton, Rolfe; first bass, Barbour, L. Rae; second bass, W. Rae and Haynes.

"HAL" BEAN RECOVERING AFTER OPERATION

"Hal" Bean has had the great misfortune of an extremely serious attack of appendicitis from which, however, he is now rapidly recovering. The attack came suddenly Tuesday evening, and he was removed to the General Hospital Wednesday, where he was operated on Wednesday evening.

Upon operating the doctors found his condition to be extremely precarious, but the operation was completely successful and Hal is now recovering rapidly.

of his ability to go in harder and stand more roughing.

For forwards Roberts and Rader are in a class by themselves. Roberts was able to show up to the best advantage because he played in more games than Rader.

Jamison—Bradshaw clearly holds the palm as choice for center.

Roberts and Rader are the choice for forwards. Stine is a good man for this position, but Rader passes better and plays the floor just as well.

For guards I would pick McAllen and Boylen, because they not only play their man, but have the ball as much as the forwards. Reynolds is a good man, but he can't shoot baskets. Viereck did not have the opportunity to show class, as did some of the other most likely candidates.

Mason Roberts—At center there is little doubt that Bradshaw is the best man in the running, strong and fast, above the average in basket shooting ability and has had the jump on every opposing center he faced this season. Still, McDaniels and Service also put up strong games, but hardly measured up to Bradshaw's standard.

Cady Roberts and Don Rader are generally conceded to be the logical pair to fill the forward positions. Both men are fast, and aggressive. Rader is an exceptionally good dribbler and plays the floor well. Stine and Rice, Watson and Cobb, deserve more than passing mention, but either lacked the shooting ability or the happy faculty of getting away from their guards that characterized the play of Rader and Roberts. Stine proved to be a wizard at shooting fouls.

The crop of guards is large. Reynolds, Boylen, Briedwell, Early, Viereck, and Parsons, played brilliant ball. Boylen is given first call because he is a good dribbler, a fair shot and plays the floor better than any man in the league. Early is given the other position. He is fast enough to follow any of the forwards, powerful enough to handle them, and an adept at breaking up dribbles. Reynolds and Briedwell run them a close second.

Dean Walker—At center Bradshaw has things all his own way. Had Service of the Tawahs played all year as he did in the Beta game, he would have been a strong contender for the position.

The forwards are Rader and McAllen. McAllen, who played guard all year, is really a forward and is placed on the team because of his ability to go out and get the ball, and his great floor speed. With Rader's speed and ability to score points, the above combination would cause their opposing guards several busy moments. Roberts,

Kappa Alpha Theta won the second game in the Inter-Sorority series, Wednesday afternoon, against the Tri Delta six by a score of 23 to 6. Much interest was shown in the game by the 'Varsity girls, and although one-sided, it was a good, hard-fought game. Dr. Stewart and Miss Thompson officiated.

The Theta line-up was as follows: Forwards, Hazel Rader (captain), Francis Adams; guards, Bess Cowden, Elsie Bain; centers, Eleanor McClain, Gertrude Taylor.

The Tri Delta line-up was: Forwards, Gretchen Sherwood, Ruth Gibson; guards, Bess Lewis (captain); centers, Emma Waterman, Jennie Fry, Ethel Risley.

There is some talk at present of picking an "all star" varsity team from the players of the six teams in the series and arranging a post-series game for them with the faculty team which will be composed of Dr. Stewart, Miss Thompson, Miss Morgan, Miss Perkins, Marion Stowe, Zell Hair. It is also likely that the faculty will be petitioned to allow this 'Varsity team to secure games with the girl's team of some of the nearby schools and colleges.

Are there any hustlers in college? I have a good proposition to make to several men for spare-time work. If you are interested, call and see me between 6:30 and 7:30 any evening next week, at the Delta Sigma House.

erts, Stine, Fisher, Watson, and Aperson, are the other forwards who showed most ability.

It would be inadvisable to break up such a good combination as Viereck and Rice for guards. Both men are on the job all the time. Boylen played a brilliant game at all times, but for a team which would actually win games, Viereck and Rice would work best. Other guards who showed ability were Briedwell, Bean, and Reynolds.
