No. 30

## OREGON BASKETBALL TEAM OFF ON TOUR OF INLAND EMPIRE

### GETS CLEANED BY UNIVERSITY OF WASHINGTON IN TWO STRAIGHT GAMES

### JAMISON HURT IN FIRST U. OF W. GAME

Will Play Spokane Tonight and Walla Walla Y. M. C. A. Tomorrow Night.

The Varsity basketball team started its barnstorming expedition last Saturday night by trimming the three Portland High School teams. Each of the prep teams played fifteen minutes against the Oregon five, the final score being 72 to the prep's 14. No definite news has been received concerning the game with Whitworth on Saturday night. The Portland and Eugene daily papers received no reports and nothing has been heard from members of the team. An unconfirmed rumor reached Graduate Manager Geary that the Varsity trimmed the Tacoma collegians about 40 to 20.

Monday night the Varsity met with an unexpected reverse at the hands of Washington, losing by the score of 30 to 18. Capt. Jamison received injuries in this game that kept him off the floor last night and Washington came across again with a narrow margin of 11 to 10. Freshman Rader proved to be the Varsity's mainstay and succeeding in annexing eight out of Oregon's ten points, Walker securing the other two. The team left for Spokane last night, where they will meet Gonzapa College tonight.

Graduate Manager Geary received a letter from Dr. Sweetland of Willamette today, asking to cancel the game scheduled for Salem on February 21. Sweetland gives out a hard luck story about a badly crippled team and does not think they will be able to make a credible showing against Oregon. The general opinion of the campus agrees perfectly with Dr. Sweetland.

Thursday and Friday the Oregon five plays Pullman and on Saturday night meets the Walla Walla Y. M. C. A., which is nothing more or less than the Whitman team in disguise.

### WHITMAN COLLEGE MAY BE REMOVED TO SPOKANE

A movement is on foot to remove Whitman College from Walla Walla to Spokane. The plan is to combine Whitman and Spokane College and form a non-sectarian college with the campus situated on the Fort Wright grounds, provided the movement to abandon the fort is carried out. This plan has been pushed by prominent men of the Inland Empire, and although non-committal there is every reason to believe that the move is favored by the Whitman officials.

The Walla Walla institution has seemingly been on "its last legs" for the past several years, and the removal to Spokane is looked upon as a solution of its financial difficulty. Situated there, a large growth is predicted, and the ability to compete to a better advantage with the larger institutions of the Northwest.

The proposed campus site at Fort Wright comprises 1022 acres, and has buildings valued at \$200,000, thus forming ample opportunity for university development. These buildings, it is claimed, could readily be used for college purposes.

### Y. M. C. A. EDITION WILL APPEAR FEBRUARY 24

The Y. M. C. A. special edition of the Emerald will come out February 24. This will be the fifth annual edition devoted exclusively to the Y. M. C. A. The only break in the custom of devoting one issue to this purpose every year occurred last year when attending circumstances prevented adherence to the custom.

The special staff for this issue has been chosen. It consists of Ed Himes, editor-in-chief, A. B. Cash, managing editor, the cabinet officers, Jones, Motschenbacher, Pattee, Geisler, R. Heider, Calkins, and "Dutch" Young, as associate editors. Zimmerman as business manager, and Alfred Collier, assistant manager.

## GREAT FUN THAT DANCE

### Matinee Hop Delights Students, Who Throw Formality Aside and Enjoy Afternoon.

Did you attend the Matinee dance last Saturday afternoon? Well, if you didn't, you missed one of the most enjoyable and successful dances yet given by the Student Body.

About seventy-five couples were present; all formality was thrown to the winds, and everyone got in and had a good time.

The orchestra of five pieces dispensed a line of rhythm that was irresistible and the floor, after Manager Roberts had coaxed it with a little dust, gave up its usual attraction and allowed the couples to glide over its surface unhindered. And say, you should have seen the dresses of the girls—looked just like they do on the campus, except that their hair was combed. The eagle eye of the Emerald looked in vain for some fair damsel with party dress of silk and chiffon (I guess chiffon fits here; have to have something to go with silk to make the sentence euphonious). The Gamma Phis looked mighty cute in their middies and—but personalities must be avoided for fear I be called partial. Anyway, everybody said it was some dance and hope to see another one scheduled in the near future.

## CONTRACT NOT SIGNED

### Co-ed Debate With U. of W. Not Settled Yet, Washington Sounds Sentiment.

As the contract submitted by the Committee on Oratory and Debate, at Washington's request, has not yet been signed by the debate authorities of the latter institution, there is nothing definite concerning the Co-ed Debate between the Universities of Oregon and Washington.

The contract submitted by Oregon called for two debates, the one this year to be held in Seattle, April 3.

The visiting team, which will be Oregon's representatives if the forensic affair is held, submits the question, giving Washington the choice of sides. Three debaters and a chaperone were provided transportation by the terms of the unsigned agreement.

It was at Manager Zednick's suggestion that the debate be held, and according to Coach Leroy Johnson, the Washington people are delayed in signing the contract on account of indefinite sentiment in its favor at the northern institution.

### Seniors Attention.

Senior Summarus for the Oregoniana must be handed to Ed Bailey or left at the Book Exchange before February 25.

## THREE TROPHY CUPS TO BE AWARDED IN GOLF TOURNAMENTS

### LEADING JEWELERS TO PRESENT SILVER MUGS FOR WINNERS OF GOLF

### PRESCOTT AT WORK ON ARRANGEMENTS

### Increased Membership Desired to Put Game On Good Financial Footing.

Three beautiful trophy cups donated by Laraway, Smart, and Lucky, the popular Eugene jewelers, will be given for a men's handicap golf tournament, men's open tournament, and a handicap tournament for women, all of which are to be played off in the near future.

President Prescott, of the Golf Club, is working on the preparatory plans and as soon as possible will announce the dates for the competition, and arrange the entries and handicaps. Only club members will be allowed to compete and the games will be played strictly according to the recognized rules.

The Smart cup will be given to the winner of the men's handicap tournament; the Lucky cup will go to the winner of the women's handicap, and the Laraway cup to the champion player in the open tournament.

Golf is attracting great attention this season than ever before in the history of the game, in Eugene. The membership of the club has jumped to fifty, and as many more have signified their intention of joining.

The greens and general course is in almost perfect condition, some fifty dollars having been expended for general improvements.

President Prescott desires all students, faculty and townspeople who are interested in golf, especially those who desire to enter any of the tournaments, to join the club at once. The organization is in debt for a considerable sum for work that has been contracted already this season. The special rate of 50 cents to students still holds.

### SOPHOMORES HOLD SPECIAL MEETING THURSDAY AT 4

A special meeting of the Sophomore class has been called for Thursday, Feb. 15, at 4 P. M., in Villard Hall. Two delegates to the Oratorical Convention at Forest Grove will be elected. The question of awarding class numerals will again be brought up and Treasurer Grout will submit a plan for collecting delinquent class dues. The proposition to elect officers in the spring instead of in the fall will also be decided. All Sophomores are urged to be present.

### \* \* \* \* \* SMOKER FOR LINCOLN HIGH \* \* \* \* \*

A Smokerless Smoker, with the co-eds in the balcony, will be held in the University Men's Gymnasium at 4 o'clock, Friday afternoon, in honor of the Lincoln High School Minstrel Club. Songs by the Glee Club, three minute speeches by the fire eaters, wrestling and other athletic events will be programmed for the entertainment of the "preppers." All the students of the University are expected to attend.

### MARRIAGE OF JULIET CROSS AND TOM BURKE ANNOUNCED

Miss Juliet Cross and Mr. Thomas A. Burke, both members of the class of 1911, were quietly married, Wednesday, February 6, at Mrs. Burke's home in Gladstone. Georgia Cross, the bride's sister, was maid of honor, and Stanley Young, Mr. Burke's fraternity brother, was best man. Mrs. Burke is a member of the local chapter of Chi Omega, while Mr. Burke is a Sigma Nu. They are at home in Gladstone.

Edward Bailey, B. S. 1882, is a surgeon in the United States army, stationed on the U. S. T. "Burnside," Seattle, Wash.

## NEW NATIONAL GRANTED

### Delta Sigs Land Phi Delta Theta, Which Will Be Eighth Fraternity in College.

The announcement was made last Friday that the Delta Sigma Fraternity had been granted a charter of Phi Delta Theta, one of the oldest and largest of the national college fraternities.

Phi Delta Theta was founded at Miami University, Oxford, Ohio, in 1848, and has experienced a conservative yet steady growth since that time, until at present there are 73 chapters in the leading colleges and universities of the United States and Canada. They are nearly one hundred active alumni clubs and the roll of membership is approximately 18,000.

On the Pacific Coast there are chapters at the Universities of Washington, Idaho and California and Stanford University.

Nothing definite is known at present as to the date of installation, but it will probably be about the first of May. Phi Delta Theta, after being installed here, will be the eighth National fraternity in college.

Mrs. Helen McKinney Arnsperger is at home in Medford, Ore.

Mrs. Stella Robinson Littler, B. A. 1897, is living in Albany, Ore.

## EXAMS THING OF PAST

### Fifteen Flunks, Seven All A Cards, Mark the Extremes of the Registrar's Records.

The examinations and the coming out of the grades brought out the usual number of flunkers. There were fifteen of them, all of whom were men. As an offset, there were seven straight "A" cards, a much smaller number than ever before. Those who were so fortunate as to get them were: Clementine Cutler, Ella Moulton, Meta Goldsmith, Beulah Stebno, Ethel Sanborn, Ben Williams, and Chas. N. Reynolds. As a whole, the grading this semester was much stiffer than ever before, and a smaller number of high grades were given out. The new plan of having examinations only two hours in length seems to have been very satisfactory. There were some few cases where students had too many examinations in one day, but the faculty hopes to remedy this difficulty with ease.

Thus far, thirty new students have enrolled, and almost all the old students have registered. The new rule of paying a fee of two dollars if registering late seems to be very effective in bringing in the usual loiterers.

Estella V. Armitage, B. A. 1903, is now teaching in Washington High School, Portland.

## OREGON TO RECEIVE RECORD SUPPORT AT IMPORTANT DEBATE

### VARSITY DEBATERS EXPECTED TO EXCEL IN DISCUSSION OF JUDICIAL RECALL

### HOPEFUL MEN ALL EXPECT TO BE ASKED

### Ticket Sale Commences On the Campus Thursday and Big Sum Must Be Raised.

Oregon students will be treated to a debate on February 23, which promises to be one of the best ever heard in Villard Hall, and to wipe up all previous records along the lines of a full and enthusiastic attendance.

The team which meets the varsity in this forensic struggle is none other than the strong Utah combination, which succeeded in administering the sole defeat to the phenomenal Oregon team last year. The question, the "Judicial Recall," is a live one, one of the foremost political issues of the day, and Oregon has two debaters in Earl Jones, the hard working student- orator, and Peter Campbell Crockett, the wily Scott of Pendleton renown, who promise to fulfill the highest hopes of Oregon's supporters.

But the fullest measure of credit for the popularity of the Oregon-Utah debate, and the reason for its assured financial success, falls to the women of the University, and the novel and original Leap Year dance, which will be the joint attraction for the evening. The credit for planning the leap year dance, at which function the women will act in the full capacity of escorts, belongs to Nellie Hemenway and Cecil Miller.

The sale of tickets will be commenced on the campus Thursday morning, and will last until next Wednesday. The tickets will sell for 75 cents and will admit one couple. For individuals, tickets will be sold for 50 cents. It was thought expedient to make this special rate, as some of the ladies have expressed a desire to "stag it." The tickets will be sold by Nellie Hemenway, Bess Cowden, and Jessie Bibee.

"Unless one hundred dollars is raised by this sale, the dance will not be held, is the statement of Manager Geary, who is emphatic in his demand for liberal support of the coming debate, the total cost of which will approximate \$200.

Manager Geary is reported to have been guilty of giving out that the young lady who was so fortunate as to land him for the evening would be admitted to the dance and debate free of charge. Never in his social history has the genial graduate manager experienced the run of popularity accorded him during the past week.

The judges for the debate have been selected. They are Alfred Schmidt of Albany, Edward M. Sharp of Albany, and Ralph D. Hetzel of Corvallis.

### JUNIOR AND SENIOR PICTURES TO BE FINISHED FEB. 17

All junior and senior pictures must be in by February 17. Any junior or senior who has not had his or her picture taken by that time, will not appear in the 1913 Oregon. The work is being handled rapidly by the photographers and Karl Onthank hopes to send the junior, senior and faculty solios to the engravers during the coming week. All the fraternity and sorority work, including The Friars Club, and Scroll and Sript, must be in by February 25.
