GEARY HEARS FROM OREGON ALUMNUS IN SIAM

Clarence Steele, '10, Writes Interesting Letter From Distant Land.

Bangkok, Siam, Jan. 7, 1912.
Mr. Arthur M. Geary,
Eugene, Oregon.
My Dear Friend:

Located as I am out here, over 10,000 miles from the University, I don't get to hear or see much news of the Institution that I learned to love so much, but I have just received from my father the page of the Oregonian dated Nov. 12, that contains the article which you wrote on some of the records of the University and I want to congratulate you on the splendid article. It has been assigned a place in my scrap-book and will help to remind me of the days I spent with you.

Think of waiting all this time to hear the result of the game between Oregon and Washington, and then have to be disappointed by such a score as 29-3. But both sides can't win and we must take our turn in losing sometimes, I suppose. I hope we may be more successful in the track meets this spring.

We had a fine trip on our way out here, sailing from San Francisco October 17, and stopping at Honolulu, Yokohama, Tokio, Kobe, Nagasaki, Manila, Hong Kong, Canton, and Singapore, before we reached Bangkok on the 5th of December. We were here in time, however, to see much of the coronation ceremonies of His Majesty the King of Siam, and it was a grand and gorgeous spectacle. Conditions here are fast becoming modern. We have a modern home in most respects and while it differs considerably from those at home, we are able to live quite comfortably.

Ask the proper party to see that I get the Emerald regularly. Must close now.

Best regards from your old friend,
CLARENCE A. STEELE.

O. A. C. in answer to a Whitman editorial, saying that Oregon and O. A. C. were dissatisfied with their present systems of coaching, says the O. A. C. is perfectly satisfied with Coach Dolan and desires no change.

WANTED, A TRACK ASSISTANT—Any strong, husky under-classman, who desires to be student manager of track next year, should report to Manager Geary.

Do Not Forget
when going home on your vacation, to take home a box of "OTTO'S" VICTORIA CHOCOLATES, the best chocolates made.

Have you paid that dollar to the Emerald? Do it now.

Y. M. C. A. EDITION OF EMERALD OUT SATURDAY

Issue Will Contain Eight Pages and Will Feature Association Work at Oregon.

The special Y. M. C. A. edition of the Emerald, scheduled for next Saturday, February 25, is well under way. Editor Himes and his staff have been busy with the big features all week, and the issue promises to be one of the best in the history of the Association.

The paper is to be an eight page edition, with stories by leading students and faculty members. Cuts of prominent national Y. M. C. A. men, Oregon association supporters and cabinet, will be seen in its columns.

Some of the special features will be an article by Pres. Campbell—"Influence of the Association on Student Life," and "The History of the Association," by Carl McClain. The Association President will have an article on "Student Conferences," and Debate Coach Johnson one on "Association Work at Wisconsin." Dr. Schaffer has an article of interest dealing with the work of Dr. Condon, a hearty Y. M. C. A. supporter. The issue will also contain articles by the association cabinet members dealing with their different committee work. Athletics will be dealt with in an interesting way by Kellogg, Bailey and Newlands, on track, Basketball and tennis, respectively.

The national and state association work will be well represented with articles by leading men.

FAMOUS BROOKLYN PASTOR TO ADDRESS LOCAL AUDIENCE

If unusual importance to both the college students and towns people is the news that has just been received from Portland that Dr. Robert M. Moore, pastor of one of the largest churches in the United States, that of St. Johns M. E. Church of Brooklyn, New York, will stop off to speak in Eugene.

Dr. Moore is one of the biggest men connected with the great Men and Religion Forward Movement, and up in Seattle, according to Fred B. Smith, the talker to men, whom we had the pleasure of hearing two years ago, Dr. Moore made the deepest impression of any of the team of experts.

Dr. Moore will speak at a special mass meeting in Villard Hall on Friday afternoon of this week, at 4 o'clock. This treat is open to everyone.

Jesse Spalding, captain-elect of the Yale football team, is seriously ill with diphtheria.

Weber's Milwaukee Chocolates at the Obak Cigar Store.

GOLF TOURNAMENTS TO COMMENCE SOON

Entries for Open Tournament Close March 1—Dues Must Accompany Entry.

With the approach of Spring, announcement comes of definite plans for three separate golf tournaments, an open tournament for varsity and town people, a men's handicap, and a woman's handicap tournament to follow.

For the open tournament entries will be received up to March first, at either Villard Hall or McCornack's gun store, and must be accompanied by fifty cents dues for varsity people and one dollar for town and faculty golfers. A score of ninety-five for eighteen holes must be made to qualify.

As soon as this tournament is completed, the men's handicap will be held for the varsity men, who must enter for this by March 15. One hundred and five for eighteen holes will qualify for the finals.

This will be followed by the woman's handicap, entries for which close April 1. To qualify a score of one hundred and thirty for eighteen holes must be made.

After the preliminary tryouts in each tournament are completed the contestants will be paired off anew and will contest according to the amateur golf rules.

The committee for ranking for the men's tournaments is composed of Prof. Dearborn, Albert Tiffany and Bert Prescott, for the woman's tournament, in addition to the three mentioned above, Dr. Stuart, Miss Thompson and Miss Perkins.

The name of the winner of the all comers will be engraved upon the Laraway cup, of the men's handicap on the Smartt cup, and of the women's handicap on the Lucky cup. These cups will be the property of the varsity until won five times by one person.

"THE NEW CHINA" IS SUBJECT OF VISITING SPEAKER

The University men will have an opportunity on Thursday evening to learn, at first hand, something about a great world movement that has been occupying a major part of the newspaper columns recently. Mr. Marion F. Keelys, lately a resident of Canton, China, will address the men on the subject, "The New China."

Mr. Keelys has seen the working out of the revolution changes that have taken place as that slumbering nation has awakened. He understands the situation there thoroughly, so his lecture should be worth while to every one who wants to keep in touch with the rapid changes in the thought of the twentieth century.

A special solo will be rendered by Mr. Oliver Needham. The meeting will be held in Deady Hall from 7 to 7:50 P. M.

INTER-SORORITY BASKET BALL SERIES TO CONTINUE

The remainder of the games of the co-ed basketball series will be played off immediately, and the inter-class games will begin at an early date. The schedule as it now stands is as follows:

- Feb. 23—Kappa Alpha Theta-Oregon Club.
- Feb. 26—Freshman-Sophomore.
- Feb. 27—Freshman-Junior.
- Feb. 28—Freshman-Senior.
- March 4—Beth Rhea-Lambda Rho.
- March 5—Tri Delta-Beth Rhea.
- March 6—Lambda Rho-Tri Delta.
- March 11—Senior-Junior.

Engineers Meet.

The Engineering Club met last night in Deady Hall and a good program was rendered. Several applications for membership were read and voted upon favorably.

The program consisted of a talk by Prof. Percy P. Adams on "The Dome in Architecture," followed by a talk by Hugh Currin on the Bohemia Mining District.

PRELIMINARY TRACK WORK TO BEGIN NEXT WEEK

Trainer Bill Hayward, Oregon's wonderful coach, will issue his first call for track men early next week and a rousing meeting of all those interested in landing the championship bunting for Oregon this season, will be held in the gymnasium. After the meeting the veteran coach will line up the recruits from the freshman class together with the old guard of last year's fray, and the preliminary track work for the 1912 season will be commenced. As soon as the weather permits the outside track will be put in perfect condition. Little difficulty is expected to be encountered in putting the circular path in shape for record smashing, as the widening and grading done last year was of a permanent order.

After basketball activities have subsided, Coach Hayward will devote his entire time to developing and rounding the track squad into perfect condition.

Yielding to protests of thousands of students and alumni of Cornell, the athletic counsel rescinded its recent action awarding the 'varsity C to the managers of major sports.
