

O. A. C. CONSENTS TO PATCH UP QUARREL WITH 'SISTER OREGON'

APPOINTS COMMITTEE TO ARRANGE MATTERS FOR FUTURE RELATIONS

OREGON MANAGER READY TO SIGN DATES

Oregon Students Glad that Quarrel Has Ended and Anxious to Meet Old Rival.

Now that Oregon and O. A. C. are on speaking terms again, the fans in Oregon can look forward to some keen competition in the line of athletics. O. A. C. will probably meet us this spring in track and baseball, but little hope is held out for a possible meeting to settle the basketball squabble. On account of the strong sentiment on the campus in favor of the resumption of relations between the two colleges, it will not be necessary to call a student body meeting, as no resolutions were made which need be rescinded. The matter will pass into the hands of Graduate Manager Geary, who will go ahead with his schedule for spring sports and next fall's football game.

The resolutions passed by the O. A. C. Student Body read as follows: Resolved: "That the president of the student body be instructed to appoint a committee of three members, of which he shall be one, and which shall include one other student and professor R. D. Hetzel, of the faculty. That this committee be and hereby is instructed to negotiate with the representatives of the University of Oregon for the establishment of student relations on a mutually satisfactory basis."

The student body voted to instruct the committee as follows:

"That an understanding be reached between this committee and the representatives of the University of Oregon which shall provide that the students of these two institutions shall meet upon a basis which recognizes their equal duties and obligations as students of higher learning.

"That to establish this relationship the committee shall enter into an agreement with the representatives of the University of Oregon which shall provide for the scheduling of athletic contests, including a football game for 1912; forensic and other activities consistent with the understanding and the friendliest relations; that the representatives of these institutions shall determine upon some course which shall guarantee as completely as possible to the students of each institution immunity from disparaging press reports emanating from the other."

PRESIDENT CAMPBELL TALKS TO Y. M. C. A.

President P. L. Campbell gave an interesting talk to the Y. M. C. A. Thursday evening, on "The Choosing of a Life Work."

He believes that this is one of the greatest problems which a young man must face and in deciding upon a profession he should have as his object, the greatest good for humanity. The community will reward a man according to his service and ability. The leading requisite of success is the ability to work in harmony with other people. Great as is the value of individual endeavor in life, he contends that the great institutions of the world—the Church, the State, and the School, should not be ignored by anyone who wishes to succeed.

CARLTON SPENCER REPRESENTS OREGON

Carlton Spencer, of Cottage Grove, was the orator chosen in the tryouts held Wednesday night to represent the University of Oregon in its annual Interstate Oratorical Contest with the State Universities of Washington and Montana, Pullman, and Whitman, to take place at Missoula, May 25. Spencer was the winner of the State Intercollegiate Contest last year, and two years ago, as a Freshman, won the Alumni Debate Medal given annually to the best debater in the University.

The Oregon orator deals with "The Rust in Our Legal Machinery."

DORMITORY FRESHMEN RACE TO ESCAPE ANNUAL SPLASH

Friday evening, at 7 o'clock, the Dorm freshmen held their annual race from the front of the dormitory to the frog pond. The winners were Sidwell and Airrey.

The two finishing last, who went into the pond, were "Buddy" Ryan and Clarence Brotherton. There were about twenty applicants for positions of honor. The race was held under the protecting care of the Dorm upper-classmen. Elliot Roberts was starter, and George Shantin, Tubby Wentworth, and Bill Neil officiated at the finish.

LEAGUE DIRECTORS MEET

Baseball, Track, and Tennis Are Up for Discussion and Await Action of Committees.

A meeting of the directors of the Interfraternity Athletic Association was held last Tuesday in the men's dormitory and several important committees were appointed.

A committee was appointed to arrange a schedule for the baseball games which will be played off in the near future. The games this year will probably be conducted under the same general rules as those in force last year.

At the same time a committee was appointed to confer with Bill Hayward concerning a track meet. Bill has been endeavoring to start something of the kind and has put up a handsome trophy cup to be awarded to the winner of the 440 in case the meet is pulled off.

The question of a fraternity tennis tournament was also brought up, but since the subject is a new one, the matter was laid on the table until the representatives could determine the attitude of their fraternities on the matter.

REFERENDUM DECISION POSTPONED AGAIN

The decision of the Supreme Court in the now famous referendum case may be postponed another week. The decision was expected Tuesday, March 26, but the counsel for the state has asked for additional time.

The President, Faculty, and Students, who have watched the progress of the case from its beginning are hopeful of the ultimate outcome, but regret the continual delays.

If the Supreme Court decides in favor of the University, the construction of the buildings provided for in the appropriation will be begun immediately, in order to have them as near completion as possible by next fall. It is hoped that at least one will be ready for occupancy by September.

The Mu Phi Epsilons gave their Massanet evening at Mrs. A. C. Dixon's Monday night.

Miss Myra Loveridge, formerly of Eugene, but now of Portland, is spending a few days at the Chi Omega house.

DRAMATIC CLUB WILL APPEAR IN 'CANDIDA' NEXT MONDAY NIGHT

CLEVER CAST PROMISES STAR ENTERTAINMENT FOR THOSE WHO ATTEND PLAY

PROCEEDS TO INTERSCHOLASTIC MEET

Prof. Reddie Puts Finishing Touches on Exceptional Array of Dramatic Talent.

"The Student Body should give the Dramatic Club play "Candida" their hearty support. It means the financing of the Interstate Track Meet, one of the best ways of advertising the University. If you want to help Oregon, you can't find a better way, nor one out of which you will get more personal enjoyment. "There is Life and Action from the Rise of the Curtain to the Fall."

In this way F. E. Dunton, president of the Dramatic Club, pleads for the support of the students for the club's production, which will appear Monday evening, at the local theater.

Under the direction of Prof. Reddie, the cast have held their last rehearsal today and confident of their cues, await the rise of the curtain, on what is said to be the most finished production ever put on by an Oregon dramatic organization.

As to "Candida," the realistic problem play of Bernard Shaw, dealing with a woman's struggle against powerful forces of evil, little more can be said. On account of its classical character, Manager Warner is not over confident that the production will be a great financial success, as the expense of advertising has been a heavy item. Nevertheless, he expects to turn over a balance to the track meet.

Along this same line, Manager Geary said, "The students should show their appreciation of the club's offer to give half the proceeds to the track meet by their hearty support. I understand that "Candida" is a play of exceptional merit."

When asked for a statement, Prof. Reddie said he was satisfied with the work of the cast and their handling of the parts. He spoke especially of Dimm, the frosh actor, who as "Marshbanks," the physically-good-for-nothing poet, promises to make a hit.

The cast is as follows:

- Proserpine Garnett, stenographer.....
- Nancy Noon
- Rev. James Mavor Morell, Christian Scientist.....Forrest Dunton
- Rev. Alexander Mill, his curate.....
- Frank Dudley
- Mr. Burgess, Candida's father.....
- Alexander Martin
- Candida, wife of Morell.....
- Maude Beals
- Eugene Marshbanks, a poet.....
- Walter Dimm
- Scene: Morell's study, St. Dominic's parsonage, Hackney Road, Victoria Park, London.
- Time: The present.
- Seats are now selling at the theater, 50c, 75c, and \$1.00.

Prof. Barnett Writes.

In the American Journal of Political Science for February, Prof. Barnett, of the Department of Political Science, has an article on the "Recall of Judges in Oregon," in which he treats the history, development and later workings of that phase of popular government in Oregon.

SENIORS WHO WOULD TEACH SEE FACULTY COMMITTEE

Senior registration blanks, of the Faculty Appointment Committee, for all Seniors who expect to teach next year, are ready at Prescott's office.

These cards are to be filled out with all the data necessary, as recommendations, work done, positions held, that will help the appointment committee in their work of recommending teachers.

This year a fee of one dollar will be charged to each applicant, payable at the steward's office, which will cover the cost of making duplicate copies of all records, recommendations, and possible phone charges. The application committee will forward these duplicate blanks to all possible vacancies.

Seniors are urged to fill out and file their cards as soon as possible with Bert Prescott.

Cards have been issued for the first annual dance of Mu Phi Epsilon to be given Saturday, March 30, at the Folly Hall.

Miss Zona Haight, of Albany, spent the week-end with Gertie Taylor and Elsie Baine.

George Frazier is making an extended business trip in Portland.

CO-ED DEBATE TRYOUT

All Those Interested, Requested to Hand in Names Before April Second.

At a meeting of the Committee on Oratory and Debate Monday evening, it was decided to hold the tryout for choosing the co-ed debating team, April 2. The committee recommend that all those intending to try for the team hand in their names to Earl Jones or Arthur Geary as soon as possible. It has been suggested by some that there will probably not be enough interest in the co-ed debate to justify a contest. If such is the case, the committee are anxious to know it, and will not make further arrangements with Washington. The subject decided upon is, "Resolved, That equal suffrage should be adopted by the various states at the next election."

O. A. C. MAIDS PRACTICE ECONOMICAL COOKING

According to recent advice received from O. A. C., the domestic science department of that school is turning out an exceedingly capable bunch of cooks and incidentally a lot of good raw material for future wives is being developed.

The girls, who are under the direction of Miss Milan, recently served a delectable chicken dinner for the small sum of twenty-two cents per plate. President Kerr, the State Executive, and various other dignitaries, were present, and all were highly enthusiastic over the spread.

CHEMISTRY CLUB PROGRAM ANNOUNCED FOR MONDAY

For the Chemistry Club program, which will be pulled off Monday afternoon, in McClure Hall, at 4 o'clock, the following speakers and subjects have been announced:

Mr. Wheelon will treat, "The Relation Between Chemical Reaction Velocity and Physiological Processes." Hal Bean will present a paper on the "Relation Between Electrolytes and Physiological Processes, and Heart Beats and the Effect of Sodium, Potassium, and Calcium." Prof. Boyard will speak on the "Effect of Sodium, Potassium and Calcium on Cell Division and Development."

GRADE COMPARISONS WITH LAST SEMESTER TENDENCY DOWNWARD

WOMEN'S ORGANIZATIONS LEAD MEN FOR SCHOLARSHIP PREEMINENCE

MISSOURI SYSTEM RAISES STANDARD

Students Residing in Eugene Are Better Students Than Those From Out of Town.

The registrar's report indicating the individual scholarship of the University students and the compiled averages and standing of the various student groups, is out and shows a decrease of from 13 to 8.9 per cent from last year.

The women students generally show the highest grades, as seven groups of women are listed before any men's organization. Mary Spiller Hall, the girl's dormitory, stands at the head of the list with 88 per cent. Last year seven house averages were above 88 per cent and only four out of the complete list of twenty-one have improved over last year's standing.

The new grading system, called the Missouri system, is largely responsible for the decrease in grades. While this system did not go into effect until this present semester, it was chosen by the faculty before last semester's grades were banded in and is reported to have had the effect of causing the professors to tighten up in their markings.

Another notable fact is that the students whose permanent homes are in Eugene, show a higher general average than the out of town students.

The following is the order of the houses with respect to standing according to the grades given out by the registrar:

Mary Spiller Hall (the girls' dormitory), 88 per cent; Lambda Rho sorority, 87.9 per cent; Chi Omega sorority, 87.6 per cent; women living in Eugene, 87.4 per cent; Gamma Delta Gamma sorority, 86.8 per cent; Kappa Alpha Theta sorority, 86.2 per cent; men living in town, 86.1 per cent; Tri Delta sorority, 85.8 per cent; Gamma Phi Beta sorority, 85.6 per cent; men's dormitory, 85 per cent; Delta Sigma fraternity, 84.7 per cent; Acacia fraternity, 84.1 per cent; Alpha Tau Omega fraternity, 83.7 per cent; Kappa Sigma fraternity, 83.7 per cent; Avava Club (men's), 83 per cent; Phi Gamma Delta fraternity, 82.8 per cent; Beta Theta Pi fraternity, 82.6 per cent; Sigma Chi fraternity, 81.1 per cent, and Tawah Club, 79.1 per cent.

In computing these figures the authorities averaged "A" grades (95 to 100), at 96; "B" grades (90 to 95), at 92 per cent; "C" grades (80 to 90), at 85 per cent; "D" grades (70 to 80), at 75 per cent; conditional work at 70 per cent, and "E" grades (below 70), at 60 per cent. Work uncompleted was not included in the estimates.

President Ackerman Will Speak.

The speaker at next Wednesday's assembly will be Pres. A. H. Ackerman, of the State Normal School, at Monmouth, who will speak on "Educational Unrest." For a number of years, President Ackerman served as State Superintendent of Public Instruction.

Miss Helen Cake left Tuesday morning for Portland, on account of a severe cold.
