SENIOR PLAY PERFECTED

Coach Reddie Promises Excellent
Amateur Production on Next
Thursday.

Thursday, April 11, is the date that
has been definitely set for the pro-
duction of the Senior Play. The seat
sale will begin Wednesday morning
and the usual prices of \$1.00, 75c, and
50c, will be charged.

The management has spared no
effort to make this the best Senior
production that has ever been staged
and from present indications the play
will be a great success. No time or
cost has been stinted in securing
the best costumes and a large amount
of special scenery has been ordered.

Under the direction of Prof. Red-
die the cast are rapidly perfecting
their parts and by next Thursday
promise to run through the play

IT'S NO SNAP TO BE AN
ENGINEER, SAYS PROFESSOR

Prof. C. W. Converse addressed the
University students Thursday even-
ing on "Engineering as a Profession."
This was the third number of the se-
ries of lectures dealing with choos-
ing a life work.

Prof. Converse declared that as a
result of the broadened and more
thorough training required, the voca-
tion of engineering was being placed
on the same basis as law, medicine
and theology, as Columbia University
has recently done. He emphasized the
fact that the engineering profession
taxed the best intellectual powers
of man and it gives him a wide range
to put into practice his best quali-
ties, and that as a life work, engin-
eering is nothing to be ashamed of.

Tournament Drags On
No matches in the Varsity men's
handicap golf tournament have been
played since last week's contests.
There is still one semi-final to be
played, the winner of which will play
Bert Prescott, who is high man in
his division, for the silver mug.

Blain Devers, of Columbia Univer-
sity, Portland, has been a guest at
the Sigma Nu house.
