FROM OTHER INSTITUTIONS

According to the records Coach D. C. Hall, of the University of Washington track team expects at least six of his men to be chosen to make the trip to California and wear the purple and gold in the All-Coast meet May 4.

The records of eleven men were submitted to the California authorities, but only those chosen will be allowed to participate. Don Evans, captain of the northern tracksters and Ira Courtney, star sprinter, who will try for the Olympic games, are the only ones who are sure of their places.

The names of the men and their records sent south are:

Evans, javelin, 153 feet 7 inches; high jump, 5 feet 11 7-8 inches; Courtney, 100, 9 4-5 seconds, 220, 21 3-5 seconds; Sherrick, hammer, 143 feet 10 inches; Lang, 880, 2.01 1-5 seconds; Hilton, mile, 4.36; Neiman, 2 miles, 10.18; C. Bowman, high jump, 5 feet 9 7-8 inches; pole vault, 11 feet 2 inches; Wright, 440, 51 4-5 seconds; 220, 22 3-5 seconds; Talcott, 100, 10.02 seconds; Abbott, 440, 51.0.

A baseball team, composed of Chicago students, is touring the country playing college teams both in the east and west. The first game was played with the University of California during the late part of last month.

The Judicial Board of Women at Stanford University recommends to the Students' Affairs Committee that no more sororities be admitted into Stanford University while the 500 limit for women exists for the following reasons:

1. The admission of one more sorority would encourage the entrance of others into an already crowded field, eight sororities among 500 women being a large proportion.
2. The admission of more sororities would tend to destroy the balance that now exists between fraternity and non-fraternity women.
