Interesting Eutaxian Program.

The Eutaxian Literary Society listened to a very interesting program on the Negro Problem Tuesday evening.

A debate, "Resolved, That the Negro Should be Deprived of Suffrage," was won by Birdie Wise and Eleanor McClaine of the negative. Bess Cowden and Lenore Hansen argued for the affirmative. After this a general and heated discussion took place on the question of whether or not the negro was better by freedom.

Three new members took the oath.

M. A. A. C. Meet Left Surplus

Contrary to the general predictions, last Saturday's meet with Multnomah Club, of Portland, did not cause a financial deficit. The total receipts taken in at the gate amounted to \$95.50. The cost of advertising was \$15.00, and the expenses of the visiting team, \$80.00. This leaves a small balance of 50 cents to the good.

SILK, CREPE AND LAWN KIMONAS—NEW

Women's Suits in Misses Sizes

Many women with slender figures cannot be fitted in regular women's sizes without considerable alterations in the garments.

We take particular care of such women by having many of our best styles in suits and coats made in misses sizes.

We have the garments in the famous Wooltex garments—which means pure wool cloths, pains-taking tailoring and styles that can not be excelled in Paris itself.

You will find it a pleasure to see these, whether you buy or not.

Very reasonable prices.
