TRACK SEASON OPENED WITH CLOSE CONTESTS

Six Conference Colleges Meet With Oregon, W. S. C., and Whitman as Victors.

Last Friday and Saturday marked the real opening of the inter-collegiate track season in the Northwest. All of the six conference colleges, Washington, Idaho, W. S. C., Whitman, O. A. C., and Oregon, participated in dual meets.

Oregon met and easily defeated the O. A. C. track men on Friday. On Saturday Washington State College sprang a surprise on the sport followers and vanquished the famous University of Washington team by an overwhelming score.

The only fast time made in the meet was the 100 and 220, which were easily taken by the fleet-footed Courtney.

On the same day, May 11, Whitman and Idaho University competed in one of the closest contests ever held on a Northwest track. Not until Bloomquist redeemed what looked like a sure loss in the relay, did Whitman overcome the Gem Staters. One of the exciting features of this meet was the dead heat in the quarter mile between Loux, of Idaho, and Bloomquist, of Whitman.

The real contest of the season will be the big conference meet in Portland, June 1. The six conference colleges will participate in this meet, making it the largest contest ever held in the Northwest.

Manager Geary was selected to arrange the meet and is already making extensive plans for a successful contest.

WASHINGTON TO INAUGURATE NEW FEATURE "PARENTS DAY"

Students at the University of Washington will entertain their parents on the campus on Wednesday, May 22. All members of the student body have been asked to invite their parents for that day, and a reception has been provided.

The incomplete program of the day includes the moving up assembly, when athletic emblems are awarded for the year, and the first inaugural ceremonies for the new associated student officers will be held. From 2 to 4, President and Mrs. Kane will hold a reception for the visitors and The Daily will conduct an open house for the afternoon. A crew race will be scheduled at 4 o'clock and additional entertainment will be provided later by the committee.

Y. M. C. A. RIVER PICNIC PLANNED

The last regular Y. M. C. A. lecture of the year will be given by Dr. Wm. Parsons on "Intellectual Consistency in Christianity," Thursday, May 16, from 7 to 7:50 P. M. He was formerly a prominent worker among students of Eastern universities, serving in the capacity of student pastor for several years. The quartette will sing, preliminary to the address.

The annual picnic up the race and across the Willamette will take place Friday, May 17. The followers of outdoor pastime will leave the Dormitory at 4:15 P. M., and maneuver up the race in canoes.

Dr. Taylor, a local physician, will deliver the last lecture of the "Health and Strength Series," Wednesday evening, May 15, on "A True View of Four Sex Lies." His address will be a scientific and constructive talk on false ideas entertained by men generally.
