BATTLE ROYAL IS WAGED IN SEATTLE

PRELIMINARY SCRAPE LASTS FIVE HOURS

Auto Truck and Firecrackers Used in Raid Upon Frosh by U. of W. Sophomores.

UNIVERSITY OF WASHINGTON, Seattle, Wash., Sept. 19.—After five hours of preliminary scrapping about town, Freshmen and Sophomores at the University of Washington fought for two hours in the annual inter-class tie up this morning. As neither side was able to tie up the other, the scrap was declared off at about 3 o'clock.

The fight was scheduled for about midnight, but from 6 o'clock on, small groups of Sophomores boarded street cars carrying Freshmen to the under-class rendezvous down town, and forcibly removed and tied them. They were then locked up in box cars, down town offices, and empty houses.

At 11:30 the Freshmen aggregation appeared on Denny Field, the place set for the Tie Up. They waited for over an hour, until the Sophomores arrived, driving a motor truck which dashed through the Freshmen ranks, simultaneously with the dropping of bunches of firecrackers upon the Freshmen from the grandstand above. Taken by surprise, the Freshmen were for a moment bewildered, and before they could awaken, some of their biggest men were locked in chains. As fast as Freshmen were tied up however, sympathizing upperclassmen would cut the ropes, and at the end of two hours neither class had much advantage.

No serious injuries attended the contest. This is the first time in four years that a Sophomore class has held or defeated the larger Freshman class.

SINGERS FIND LEADER

Mr. M. L. Bowman, of Portland, has been secured by the Glee Club management to train the club this fall. Mr. Bowman will arrive the first part of next week, and will assume his duties at once. His first work will be to conduct the Glee Club tryout next Wednesday afternoon.

Formerly with the Savage Opera Company of Chicago, Mr. Bowman has recently been connected with the choir of the First Congregational Church of Portland, having acted as leading soloist with the latter organization.

Mr. Bowman has also served as director of several musical organizations, men's glee clubs and choral societies in Portland and elsewhere, and is himself a finished musician.

CABINET CHANGES MADE BY Y. M. ORGANIZATION

Two changes in the Y. M. C. A. Cabinet have been made necessary by men failing to return this fall. Karl Martzloff, '13, takes the place of Oscar Haugen, '14, at the head of the Social Service department. As William McNeil, '16, Recording Secretary, will not be in school this year, a temporary appointment will be made at the next Cabinet meeting, which will probably be next Wednesday afternoon.

The campaign for members, now being prosecuted by the membership committee, of which Vernon Motschenbacher is chairman, has resulted in an enrollment of over 60, most of whom are old men. Commencing early next week, special attention will be given the Freshmen, a suffi-
