We know what you want in Garments

It is our business to know—and then supply what our customers want.

There's one thing that everybody wants. That's style. And another thing is reliability, and a third is reasonable price.

We ask nothing better than that you should judge us by the style, character and value of our tailor-made coats, suits, and skirts. For they supply the hardest test that any store can submit to.

WE SELL "WOOLTEX" GARMENTS

There is nothing better in this country. If there were, we would sell the better kind. Every "Wooltex" garment absolutely guaranteed. Don't hesitate to come in and look, whether you intend to buy or not.

Cabinet Considers Resumption of Vesper Services.

After hearing reports from the various committee chairmen present at the regular Y. M. C. A. cabinet meeting, yesterday afternoon, the matter of working in conjunction with the University faculty to resume the Sunday afternoon vesper services, which were conducted during the summer, was considered.

It was the opinion of the cabinet that, if the work should be undertaken by the Y. M. C. A., it ought to be aided by the University authorities, and thus not assume all the responsibility.

Eighty-three students had, up to the time of the meeting, paid their one dollar membership fee, a considerable increase over last year. The campaign for members in fraternity houses will be started the first of next week.

David Campbell will play the orchestral arrangement for second piano of the famous Arsky concerto.
