

FROSH DEFEAT EUGENE

Continued from first page.

pass. Burgard punted thirty-five, while Ross returned eight yards. Eugene made three yards on a buck, but Ross found a hole in the line for forty-five yards. End of first half. Score, 7-0.

Third quarter. Thatcher went in at full, with Cook and Burgard halves. Thatcher kicked off forty-five yards. Ross returned the ball eighteen. Three downs resulted in no gain for Eugene. Gray punted thirty yards.

Cornell came back five yards. Thatcher gained on a delayed pass, but Burgard was held. Cook annexed four over tackle. Thatcher punted thirty-five.

Two downs gave nothing to Eugene. At this point Powrie, left tackle for Eugene, was kicked in the head, but returned to the game with his dome swathed in bandages. He was roundly applauded.

New Rule Is Invoked.

Eugene lost three yards, then fumbled the ball on a fake kick, but immediately recovered Gray's twenty-five yard punt. The officials gave the ball to the Freshmen, quoting a new rule, which says, "A ball is onside on a punt, until some member of the opposing team touches it."

Burgard followed the wrangle with a two yard gain. Cornell gained two around right end, but Cook failed. On the fourth down an incomplete pass gave Eugene the ball. Ross made two yards, but Gray none. End of third quarter. Score, 7-0.

Fourth quarter. The ball is on Eugene's thirty yard line. Bigbee and Hartsuck replace Thatcher and Cook.

Eugene lost forward pass. Frosh made four yards. Hartsuck two, Cornell added three. Wilhelm replaced Crowell at right end. Seven yards were gained by Freshmen in three bucks. Eugene's ball.

Gray was stopped on an attempted fake punt, but he succeeded in hoisting the oval twenty-five. Cornell was dropped in his tracks. Two downs were unsuccessful. On the third, a forward pass was uncompleted. On the fourth down, with ten yards to go, Coshow failed in a place kick attempt.

Coshow Executes Place Kick.

Vickers returned the ball twelve yards, while Ross made eight on end run. Freshman Bigbee interrupted a forward pass, and advanced five yards. Hartsuck gained three, Bigbee added one yard through tackle. Cornell made no gain on a quarterback run. Coshow made an easy place kick from twenty yard line. Score, 10-0.

Eugene kicked off forty yards, which Bigbee returned fifteen yards. First down resulted in no gain. Eugene secured the ball on the twenty-eight yard line on a fumble.

High School Nearly Score.

Vickers made two yards, Ross annexed eight on a fake forward pass. Ross carried the ball to the Freshman's one yard line.

The Freshmen staved off a score by holding on the next two downs. Ross received a jolt in the eye, but was restored by Hayward.

High School fumbled. Frosh recovered the ball on twenty yard line. The first penalty was inflicted upon the '16 team for holding. Holden punted thirty yards to Vickers, who fumbled, but recovered the ball. Ross was held, but Vickers made fifteen yards on a quarterback run.

Frosh Goal Again Challenged.

The High School again carried the ball well into Varsity territory, leaving it on the six yard line. Two forward passes failed, and Gray could not advance. Ross failed on the High School's last chance to score, missing a place kick from the fifteen yard line.

Cornell gave the ball to Coshow, who measured off ten yards. The game ended with the ball on the Freshman's thirty yard line. Score: Freshmen 10; Eugene High, 0.

It is rumored that Jimmie Johns, '12, is soon to enter the bonds of matrimony.

FACULTY PROPOSES ANOTHER RESTRICTION

ABSENTEES WILL SUFFER, IF RESOLUTION PASSES

Eighty Per Cent Attendance is Required, or Student is Flunked.

Another faculty restriction upon the scholastic work of students of the University was proposed at the Faculty meeting Thursday afternoon, when the Committee on Absences, of that body, made the following report:

(1) That all instructors be asked to make a daily report of absences from their classes.

(2) That any student not present at at least eighty per cent of the recitations in any subject, be debarred from examination in that subject.

(3) That one semester's credit be deducted for each sixteen absences occurring during the year; provided, however, that when a student is refused examination under rule two above, then no extra credit shall be deducted from such absences.

Signed by the committee,

John Straub,
Heman Burr Leonard,
Edward Thurber.

This ruling, fostered by Professor Straub, and not by Professor Schafer, as was erroneously stated in a local paper, will be voted upon after the lapse of one month, as is the faculty ruling in matters of this kind.

The effect of the report, if adopted, will be to "flunk" a student in any subject, if at least eighty per cent of the recitations are not attended. However, if the student is fortunate enough to attend the class more than four-fifths of the time, he will still be docked at the rate of one semester credit for sixteen absences, which is giving the wayward ones as much leeway, as is necessary, in the opinion of the committee.
