

APPRECIATION OF NEW ELECTRIC LINE SHOWN IN BIG STUDENT RALLY

PRESIDENT YOUNG PRAISES EXHIBITION OF OREGON SPIRIT

GROWTH OF UNIVERSITY PREDICTED

Blackman Heads Procession—Oregon Electric Officials Given Hearty Send-off.

Two hundred University students formed a line at the Dormitory at 5:45 this evening, and "Bearcat Serpentine" down town to give Eugene's visitors an Oregon send-off.

That a student body rally on this occasion was appreciated, was the sentiment expressed by President J. H. Young, of the Oregon Electric, when he was called on by the students, just preceding the departure of the special train for Portland.

President Young Speaks.

President Young said, "I'm not an orator, gentlemen, I'm a railroad man, so all I hope to tell you today, is that on behalf of my company, we thank you. The incoming of our road is a great thing, both to Eugene and to the students of the University in particular. We have your interests at heart and hope for a greater and better University of Oregon."

Students Aid Demonstration.

The Oregon students, under the direction of Yell Leader Abe Blackman, reached the corner of Eleventh and Willamette streets at 6:15 o'clock sharp, where they stopped and gave their yells. This was repeated at each intersecting street, till the Oregon Electric depot was reached.

Among the officials of the new road in Eugene today were:

J. H. Young, president; C. A. Coolidge, general manager, W. E. Coeman, general freight and passenger agent, L. B. Wickersham, chief engineer, A. C. Adams, superintendent of motive power, F. A. Bushnell, general purchasing agent, W. C. Wilkes, assistant general freight and passenger agent, J. O. Johnson, general road master.

Director Bowman Plans Operetta for Girl's Glee.

The Girl's Glee Club, better known as the Choral Club, is to have its initial tryouts for membership tonight, at 7 o'clock, in Villard Hall. Old as well as new members are required to try out.

Professor Bowman, the director of the Glee Club, is to supervise the work of the Choral Club as well. He has sent east for a number of operettas and intends to stage one either before or after the Christmas holidays. President Flo Cleveland announces that practice on the operetta will commence next week.

Laurean Membership Is 27.

With the election of eight new members last week, the membership of the Laurean Literary Society now numbers 27 members. As the membership is limited to thirty-six, Secretary Hardesty suggests that "eligibles" should come early, for new applications are being received every day.

The plan of meeting Tuesday evenings, from 7 to 8, instead of Saturday evenings, at that time, meets with favor. It has resulted in an increased membership.

HAYWARD WILL LECTURE ABOUT TRIP NOVEMBER 8

Views showing sports aboard the "Finland" on its trip from New York to Stockholm, events of the Olympic games, and the return of the American athletes, will be part of "Bill" Hayward's lecture in Villard Hall on November 8. Hayward has some two hundred pictures taken during his trip to Sweden, illustrating the form and showing the races of the contestants at Stockholm. "I have the 'dope,' and can tell the story concerning each of the pictures," says Hayward. "What I will say, will interest not only athletes, but everybody acquainted with sport."

An admission of twenty-five cents will be charged, the proceeds going into the Student Body fund.

TICKETS CONTINUE TO SELL

Two hundred and fifty season tickets have been sold. Fifty more have been reserved for students who have spoken for them. After this week the price will be \$2, on account of the Willamette game, which will deduct the extra fifty cents from the price. Manager Geary announces that a vigorous campaign will be waged this week and next to sell the required number.

CLASS TEAMS ORGANIZE

Every afternoon, from four to five, and on Saturday from nine to twelve, the Women's Gymnasium will be given over to basket ball practice. The regular class teams will be chosen just before the first game of the series, which is scheduled to take place on December 12, between the Freshmen and the Sophomores of the University. The teams this year will be selected by a committee composed of the captains of each team, the coaches, and one outsider. The captains of the class teams are as follows: Senior, Eva Roche; Junior, Hazel Rader; Sophomore, Vera Moffat; Freshmen, Gladys Grayhill.

In addition to the class games arranged for, there will be an inter-sorority series, in which all the sororities except Mu Phi Epsilon and Chi Omega, will enter for the championship.

The first inter-sorority game will be played November 8, between the Beth Reah and Gamma Delta Gamma teams. The series will proceed by elimination, the same as last year, the Hayward cup going to the winning team.

The best players of the sorority club teams will be picked by the basket ball committee, consisting of Dr. Stuart, Miss Thompson, the captain of each class team, and three other women not yet chosen from the class teams.

The Freshmen have elected Charlie Fenton as sub captain, while Edna Harvey was chosen by the Sophomores for that position.

Mrs. Hamilton, of Roseburg, wife of Judge Hamilton, regent of the University, Mrs. Ella Fisher, of Eugene, Miss Helen Hamilton, and Miss Edith Clements, were entertained at dinner Sunday by the Zeta Phi fraternity.

Charles R. Oleson, '12, is with the Oleson Lumber Co. at Boring, Oregon.

Herbert George, '16, will spend next week-end in Portland.

HOPE OF FANS RESTS ON PRIME PHYSICAL CONDITION OF TEAM

WILLAMETTE TRYOUT SHOWS EFFICIENCY OF TRAINING

ONLY TWO MEN BARRED FROM GAME

With exception of Huesner and Hall, Squad Is Ready for Whitman.

With the first game played and won, Oregon is preparing to open her conference schedule with Whitman College next Saturday in Walla Walla. The fact that there are only two cripples in the squad, backs up Trainer Hayward's promises to have every man on the team in the best possible condition for Saturday's struggle.

Condition is Evidence Saturday.

The superior condition of Oregon's men was shown Saturday in the instance that but one member of the team was injured and he slightly, and not once was the whistle blown for a wearer of the lemon-yellow to get his wind or recover from fatigue, although several times the game was delayed for the benefit of one of Coach Sweetland's men.

Reports from "Hayward Hospital" indicate that Bill Heusner is recovering from his sprained knee and will soon return to defend his half back position from competitors. Elmer Hall's injury is not reported serious but the fear of another injury will keep the big tackle from the game for sometime. Whether these two men will make the trip to the Washington city is a matter of conjecture.

Ailing Men Recover.

The men who suffered slight injuries in early season practice, will be in good condition for Saturday's game. With the exception of Hall, Oregon's line men, Caufield, Groat, Fenton, Fariss, Holden, and Bailey, will be in perfect condition. The ends, Bradshaw, Annunsen, and Jones, will be speedier in their next appearance because hereafter the training will not be so severe. Cook, Cornell, and Briedwell are at their best. Captain Walker, and Parsons, who have been ill this fall are rapidly rounding into shape and will soon be back in old time form.

SHALL STUDENT BODY ELECT YELL LEADER?

The Laurean Literary Society will debate upon a question of interest to students at its meeting tonight. The question is, "Resolved, That the University yell leader should be elected by the Student Body." This is a question, which has not been brought up for debate before, but is one that has been widely discussed. The affirmative will be supported by H. Young and Dal King, and the negative by M. Terpening and H. Zimmerman.

In addition to the debate there will be an address by Carleton E. Spencer.

Among the Kappa Sigma alumni, who were here last week-end for the Kappa Sigma initiation, were: Ralph Moores, '12, Chester Moores, '12, Earl Cobb, ex-'13, Nat Kimball, ex-'14, Frank Staiger, ex-'15, Cecil Cole, ex-'14, Platt Hoeman of the University of Washington, "Dutch" Koerner, of Stanford, Gordon Moores, Edgar Smith, "Pete" Whittlesy.

ELECTRICAL ENGINEERS HOLD FIRST MEETING

The local branch of the American Institute of Electrical Engineers held the first meeting of the year Tuesday, October 8, in the Electrical Building.

Mr. C. R. Reed, local secretary, explained the organization and purpose of the institute and of the local branch. Mr. A. Martin related some of his experiences as rodman on location survey of the P. E. and E. railroad.

A paper on "The Relation of Radiant Energy to Vision," was presented by Mr. Reid. The effect of different wave lengths of light upon the eye was proved to depend upon the intensity of illumination.

About sixteen members and visitors were present.

WORK APPRECIATED

Through its Chairman, Mr. J. S. Magladry, the Oregon Electric Celebration Committee of the Eugene Commercial Club desires to thank the University students for converting the "O" on Skinner's Butte to an effective "O. E." sign.

Dr. Stuart and Miss Johnson were dinner guests at the Mary Spiller house, Sunday.

BAND IS ASSURED

At last, the University is to have a band. This was decided at a meeting of those interested in this work, held last Thursday night. Bert Jerard, as student leader, is now looking for a director, that regular practice may begin immediately. He says, "The prospects are bright for a good band. There were fifteen present at the meeting on Thursday, and a good many more that play instruments were not present. I think, we will be able to get together a band of twenty-five pieces."

Along with the men who played in the band last year, a number of Freshmen with experience in band work have appeared.

Practice for the present will be held each Wednesday night, beginning this week.

NEW SYSTEM ADOPTED

Hereafter the Dramatic Club membership will be limited to twenty students, and all aspirants for thespian honors must use the same material and stunts in their tryouts. Other changes in the club's constitution, last Thursday evening, were adopted at the meeting of the organization.

This policy, which is patterned after the noted Yale Dramatic Club, will tend to make the club's membership more exclusive.

A list of the required subjects and other details of the tryout are posted on the Library bulletin. President Warner is desirous that all those who intend to tryout, should acquaint themselves with the conditions of competition at once.

Women's Tennis Club Holds Tryouts.

The tryouts for the Women's Tennis Club were begun today, and will continue through Wednesday, when the names of successful candidates will be announced.

POSTPONED GOV. WEST PROGRAM LISTED FOR WEDNESDAY ASSEMBLY

THE GLEE CLUB IS ENGAGED TO GIVE INTRODUCTORY SELECTIONS

SLATER WILL BE THE FIRST SPEAKER

Expectations of State Theme of the Governor's Address—Oregon Pledge to be Given.

The extensive program arranged for the entertainment of Governor West, which was originally planned for last Wednesday, will be held tomorrow at the regular assembly hour in Villard Hall, when Governor West and Judge Slater will address the assembled Student Body.

Slater Speaks for the Alumni.

The program at present is as follows:

The Glee Club will open the exercises with several selections and well known college songs. Professor Young will then introduce Judge Slater, who will deliver an address on, "The Alumni of Oregon, and Their Attitude Toward the State." In other words, he will try to express the sense of obligation which every graduate of this institution feels that he owes the state for his liberal education. Following Mr. Slater, President Campbell will deliver a short address, introducing Governor West to the students.

West Will Elaborate Pledge.

Governor West, whose topic is, "The State and Its Expectations," will then try to show clearly just what the state is doing, just what it desires, and just what the students owe to it. At the end of his address, he will read the pledge.

When the reading has been completed, all students willing to subscribe to it, will stand by classes and verbally give their assent. The assembly will then adjourn to the campus east of Villard, where a group picture will be taken of the entire Student Body, with Governor West in the centre.

The Oregon Pledge.

The pledge reads as follows: As a student at this University, that is maintained by the people of Oregon, I heartily acknowledge the obligation I shall owe to them. The opportunities open to me here for securing training, ideals, and vision for life I deeply appreciate and regard as a sacred trust and do hereby pledge my honor that it shall be my most deeply cherished purpose to render as bountiful a return to the Oregon people and their posterity in faithful and ardent devotion to the common good, as will be in my power. It shall be the aim of my life to labor for the highest good and glory of an ever greater commonwealth.

ANTI-DRINK RULE WILL BE ENFORCED

A notice was recently posted on the Villard bulletin board to the effect that any student of the University entering any saloon or drinking emporium will be expelled from college.

Rumors of the enforcement of this ordinance, drawn up a month ago, have been rife upon the campus of late, but nothing positive was done until the notice appeared. This regulation has long been held under advisement by the faculty, who finally decided that it should be put into force at once.
