

## UNDAUNTED BY DEFEAT VARSITY MAKES READY FOR NORTHERN AGGIES

**THE STONEWALL DEFENSE AND  
BACK FIELD SPRINTERS WIN  
FOR WHITMAN**

### OREGON TEN MEN TEAM A FEATURE

**Pinkham Optimistic, in Spite of Depleted Ranks—Bender Also Confident.**

(By Tommy Boylen.)

Beaten by the decisive score of 20 to 0 by Whitman, the smallest college in the conference, and suffering the humiliation of the first defeat by that college in the history of Northwest football, Oregon's warriors returned Sunday evening.

#### Plain Football Wins for Whitman.

Whitman won on straight football, using its back field of sprinters to good advantage on end runs. Besides being a scoring machine, the Missionaries put up a stonewall defense, and Oregon's only yardage was made by trick plays and forward passes.

A play reminiscent of the old days when Oregon's band of eight cripples stood off the Idaho eleven, was made during the third quarter, when the lemon-yellow team, not realizing that Fenton was out of the game, charged down the field for several downs, with but ten men.

Whitman scored touchdowns in the first, third and fourth quarters, and kicked all goals but the last. Oregon all but scored in the second quarter, when once the ball was within three inches and again but four feet from the final chalk mark. Thus it is indicated that the score does not show the relative strength of the two teams.

#### Officials Are Not Discouraged.

But from the statements of Coach Pinkham and Captain Walker, it can be understood that Oregon intends to make a desperate attempt at a come back next Saturday in the game with Washington State College.

"I am not discouraged over Saturday's game," says Pinkham. "We were defeated by a better team and we have no hard luck story. We will beat Pullman Saturday. Wait and see."

"We were outplayed, but we should have scored. I think that our defeat was due to lack of old men in the line up. We will come back strong and win Saturday's game." So says Captain Dean Walker.

#### More Men Posted.

But regardless of the optimistic views taken by Oregon's football leaders, it is apparent that Oregon is facing a serious proposition. The real blow came yesterday afternoon, when Holden, Parsons, Jones, and Garrett were reported low in their studies. Besides barring these four men from the squad, Ainslee, the 210-pound guard from Drain, has been forced to quit college because of eye trouble.

Fenton, Heusner, and Anunsen, who were slightly injured in Saturday's game, will probably be in the game again, but Hall will still be on the side lines with his lame shoulder.

Inasmuch as both Coach Bender, of Pullman, and Coach Pinkham predict victory for their teams, it is evident that the approaching struggle will be a fight from start to finish.

Forty men, under the leadership of Captain Haimbaugh, have begun active training for the cross country team at the University of Michigan.

### MISS WATSON SPEAKS; MEETING PLACE CHANGED

The regular meeting of the Y. W. C. A. was held in the women's gymnasium Monday afternoon. Maud Mastick led the meeting, Eva Brock furnishing special music. Miss Mary Watson was the speaker of the afternoon.

Miss Watson's subject was, "The Value of the Bible to the University Student." She showed that while the Bible was never meant to be taken as authority on Geology, Geography, and Astronomy, yet it is worth while to be considered seriously by the University student, not only as a masterpiece of literature, portraying ideal characters and historic life, but as a guide to man's conduct of life and religion. She further represented the Bible as a necessity for attaining the highest degree of efficiency and the best standard of a useful and happy life.

Several members of the Advisory Board were present. Mrs. Sweetser announced that the regular meetings of the Y. W. C. A. would hereafter be held in Paul Bond's Shack. The association is planning to have one social meeting there a month. From all indications, association women will find the Shack an ideal meeting place.

## FIRE ILLUMINES RALLY

### Rooters Will Explore Main Streets Under Guidance of Blackman.

The principle rally of the year, with the annual Freshman bonfire, will be held Friday evening, before the Oregon-W. S. C. game. The Freshmen are already performing the preliminary tasks of building the fire, and are busy erecting the skeleton of the big heap.

The rally, under direction of Abe Blackman, will start from the Dormitory at 7:30 P. M. After forming the full line from the different houses, as usual, the line will proceed downtown to Willamette street, yells and general commotion will advertise the game on the morrow. Willamette street explored, the rooters will return to the football field by way of Eleventh street. When the line reaches Alder street, the fire on the football field will be lighted, and further proceedings will be illumined by its light.

From an improvised rostrum near the grandstand, the assembled crowd will hear speeches from Coach Pinkham and his assistants, Captain Walker, Bill Hayward, and other men, who are always on hand at the rallies.

### PROF. SCHAFER SPEAKS TO EASTERN OREGON TEACHERS

Professor Schafer returned Saturday from a trip to Enterprise, Wallowa County, Oregon, where he addressed the Eastern Oregon branch of the State Teacher's Association. The subject of his address was, "New Movements in Education."

Dr. Schafer also addressed the High School section of the convention on "The Use of Local History in the High School," and the rural section upon the same topic.

Dr. Schafer speaks Saturday to the Lorane Grange in this county upon the subject of "Good Roads."

### The Freshmen Babies Will Be Soon Exhibited.

Plans for the Freshmen-girl baby party, annually held in the Women's Gymnasium, will be made at the regular meeting of the Y. W. C. A. cabinet today.

## Y. W. C. A. MAKES FINAL STATEMENT OF PLANS FOR GIRLS' BUNGALOW

**\$2,080 OF NECESSARY \$2,500 NOW  
ON HAND FOR BUILDING  
PURPOSES**

### PROF. ADAMS IS DESIGNER OF HOME

**Bazaar and Society Circus Relied On  
to Supply Present \$420  
Deficit.**

After three years of effort toward a bungalow, the Y. W. C. A. of the University is prepared to build a college home next spring on the Association's property adjoining the Y. M. C. A. lot on Twelfth and Kincaid streets. Of a necessary fund of \$2,500 to build and furnish the bungalow, assets amounting to \$2,080, are in the hands of the Advisory Board.

#### Buildings Will Be Useful.

The bungalow, facing on the campus, will offer a home for University women, and serve as headquarters for women's clubs, where lectures and social affairs may be given. "We would like to have been on the campus," said Miss Beach, "but we have a location almost as convenient for the girls."

Professor Adams has designed the bungalow. His plans show a lecture room of one hundred and fifty seating capacity, office rooms for the Association, a rest room in the rear, a kitchen and pantry, where "eats" can be provided, an alcove and vestibule. Bungalow will be 25x50.

Professor Reddie has consented to assist in interior finishings and furnishings.

#### Bazaar Will Raise Deficit.

The Association will hold a bazaar on December 6, at the First Presbyterian Church, as a means of realizing their deficit of \$420. A Society Circus in the men's gymnasium next March, including a minstrel show, may supplant last year's Jardin-de-Paris and Orpheum.

The accounts of the Advisory Board stand as follows:

Invested in six per cent bonds	\$1,860.40
Uncollected pledge	120.00
Material and work offered	100.00
<b>Total assets</b>	<b>\$2,080.40</b>

## 100 TICKETS ON SALE

### Geary Plans Last Effort to Boost Season Passes—Reduction to Late Buyers Given.

Manager Geary announces that the season ticket system has reached the crucial stage of its existence, and the ultimate outcome of the plan will be decided by the end of the present week.

At present it is necessary that one hundred more tickets be sold, and plans are being made for a canvass of the various fraternities and sororities. The Oregon Club, which will hold a meeting next Thursday afternoon, will at that time consider the same subject. In order to bring the plan to a successful conclusion, Mr. Geary announces that all those buying tickets during the next week will be allowed a reduction of fifty cents for the price of their admission to the Willamette game.

Miss Barbara Booth spent the past week-end in Salem.

### GERMANS MEET AT LAMBDA RHO HOUSE TONIGHT

The monthly meeting of the German Club will be held tonight at the Lambda Rho house. An interesting program has been arranged as follows:

- Solo ..... Eva Brock
- Debate—
- Negative — Howard Zimmerman and Chester Kronenberg.
- Affirmative—Eleanor McClaine and Amy Rothchild.
- "Why I Wish I Were a German" ..... Ellice Shearer
- "Value of German Study" ..... Vernon Motschenbacher
- Solo ..... Homer Maris
- Recitation ..... Ruth Peters
- Address ..... Dr. Schmidt
- Subject—Industrial Conditions in Germany.

#### Dr. Schafer Writes Bulletin.

The next University Bulletin, dealing with the extension and commonwealth work of the University, will be written by Dr. Schafer.

The Bulletin has been divided into three main divisions, namely, correspondence studies to be obtained in the school, the extension of lecture courses, and an account of the various types of commonwealth service.

## ZUEBLIN IS SPEAKER

### Well Known Lecturer Is An Authority on Civic Improvement.

Professor Charles Zueblin, publicist, lecturer, and city builder, will deliver the address at the regular Assembly tomorrow morning on the subject, "Education and Life."

It was through the efforts of Miss Julia Burgess, president of the Fortnightly Club, and the University faculty, Professor Zueblin was secured to speak before the Student Body.

Mr. Zueblin is the author of "A Decade of Civic Development," "American Municipal Progress," and "Democracy and the Overman." As president of the American League of Civic Improvement, he made plans for the reconstruction of the city of Harrisburg, Pennsylvania. He has been the special advisor to the Chicago Park Commission and speaks as an expert upon plans for beautifying cities and improving civic conditions.

Mr. Zueblin is at present professor of Sociology at the University of Chicago, where he is at the head of the extension work. He is also editor of the Twentieth Century Magazine, and contributes to journals of Sociology and Ethics. The speaker is now on his way to Portland from San Francisco, where he has delivered a series of lectures.

## ATTENDANCE GROWS

Six hundred and thirty-eight students have registered in the University since the opening of college. Of this number, 229 entered as Freshman, 139 as Sophomores, 128 claimed Junior standing, while 118 have registered as Seniors. There have been fourteen students enter as Special, while ten have undertaken post graduate work.

At the end of the first semester last year there had been 636 registered in the University, which shows an increase of two in the present enrollment over last year's number.

No figures have been compiled to show the number of men and women in the institution, although last year the men outnumbered the women to the extent of 350 men to 286 women.

## POLLS OPEN SOON FOR EMERALD STRAW VOTE ON VITAL QUESTIONS

### THE PRESIDENTIAL RACE HEAD LINER ON TRIAL BALLOT

### EQUAL SUFFRAGE WILL PREVAIL

### Alcoholism in Eugene to be Voted on —Suggestions on Timely Topics Asked.

A straw vote to determine student sentiment on questions to be voted on at the coming national and state elections will be conducted by the Emerald next week. The balloting will probably take place Wednesday, October 30, and the system used at the straw vote before the primaries last spring will be followed.

#### Universal Suffrage to Prevail.

Suffrage will be extended to the women equally with the men, and the faculty will also be asked to go on record. The presidential race will, of course, attract most interest, and supporters of Taft, Wilson, Roosevelt, and Debs, are already active in drawing up their forces.

#### State Questions on Ballot

Initiative and referendum measures which are to go before the people at the national election and which are likely to prove of special interest to undergraduates, will be voted on equal suffrage, the proposed millage tax bill for the support of the University and Agricultural College, and the question, whether Eugene shall be "wet" or "dry," are among the issues which will be submitted to the students. Last spring the results of the straw ballot proved a very good forecast of the actual decisions of the voters of the state.

#### Local Questions Wanted.

Questions of purely college interest will also be submitted at the election. Topics of live local interest may be submitted to the Emerald for use on the ballot any time this week.

### SORORITY FRESHMEN HAVE TO WEAR GREEN CAPS

The Freshman girls in the Lambda Rho house, from recent rules passed by their upperclassmen, must wear green dust caps while performing their household duties. This plan, which corresponds to the wearing of the green by the Freshmen boys, has so far been reported as working well. The girls admit that the caps are "not so bad after all," since they have become accustomed to wearing them. The caps will be worn up to Junior week-end, at which time they will be laid aside with appropriate ceremonies. In all probability they will be instituted as a house custom.

### Orchestra Will Give a Concert Next Semester.

Practically all of the University orchestra attended the practice held in Villard Hall last night, despite the heavy downpour. The meetings are being devoted at present to preparations for a concert the early part of next semester, the final arrangement for which will be made next week, when the musical director will meet with them.

Dr. Kranzlein, former University of Michigan track trainer, has gone to Europe. It is rumored that he will train some European team for the next Olympic games.
