

DEBATE TRYOUT TO BE HELD SATURDAY

Conflicting Dates Delay Contest—Six Men May be Chosen by Judges Immediately.

Conflicting dates have caused Debate Coach Bert Prescott to change the date for the first forensic try-out from tomorrow evening to ten-thirty Saturday morning, in Villard Hall. All intending to try-out, must be on hand promptly, in order to finish the speeches before noon.

Another change has been made in the arrangements as first announced, in that, should the judges consider the work of the men as warranting it, six men will be chosen after the preliminary effort, instead of eight as planned. In this case the second contest will be held Friday evening, December 20. At this time the alternates will be chosen.

The third and final try-out will be held the first Friday after the holidays, January 10, when the leaders and colleagues will be chosen.

WOMEN GIVE PAGEANT

Acquaintance Affair, to be Given in Place of Baby Party, Saturday Afternoon.

Co-operating with the Woman's Council, the Y. W. C. A. will give a Pageant in Villard Hall, Saturday afternoon at 2 o'clock, for all the women of the University. The affair will serve as an acquaintance party in place of the defunct Baby Show.

The Pageant, which will be in the form of a four act drama, will feature widows. Representatives from India, China, Japan, and South America, and other fields of missionary endeavor, will be present in native costume.

Native airs will comprise the music preceding each act, four of which necessitate the performance of fifty women of the University.

After the drama, an hour will be spent in getting acquainted, and in enjoying the refreshments served by women in Japanese costumes.

It has been estimated that the average student at Princeton spends \$919 every year. The maximum last year was \$2,500 and the lowest was \$260.

CO-EDS TAKE UP SALE OF RED CROSS STAMPS

Miss Bonisteel Heads Movement in Fight Against Great White Plague.

The University of Oregon women intend to raise thirty dollars by the sale of Red Cross stamps among the students. The Fortnightly Club in Eugene, which each year has charge of the sale of these stamps for the collection of funds for the war against tuberculosis, has asked the University women to co-operate this year.

Miss Pearle Bonisteel, who is in charge of the sale in the University, has distributed sheets of the stamps to the various sorority and club houses, disposing of from two to four one-dollar sheets in every house. She also plans to appoint several girls to sell stamps in booths on the campus.

PROF. REDDIE READS

Dramatic Interpretation of "Tale of Two Cities" Impresses His Hearers.

Wednesday evening, Professor Reddie gave in his class room, for the benefit of any who cared to come, a dramatic reading of Dickens' "Tale of Two Cities." About fifty were present, listening through the two hour reading with an attention that was unbroken and intense. His hearers were struck with the earnestness and simple dignity of Professor Reddie's manner. His work is to him his mission. "The Tale of Two Cities" is a story of the French revolution, which gives adequate cause for the reign of La Guillotine in the crazed despair of the citizens of Paris. It is a story of heroism which culminates in the death of Sidney Carton. Professor Reddie's interpretation lay not merely in his powerful dramatization, but in his skillful choice of selection as well.

Two Multnomah tennis players, James F. Erwing and Brandt Wickersham, have been placed among the first ten in the Northwestern rankings, which have been recently given out by the committee. Wickersham is in seventh place and Erwing in ninth position.
