

RECEPTION To all University Students by Dorm Club, Friday evening.

OREGON EMERALD

INTERFRAT. LEAGUE Meeting of directors, Friday afternoon, Schmidt's room, four o'clock.

PUBLISHED THREE TIMES A WEEK

UNIVERSITY OF OREGON, EUGENE, THURSDAY, FEBRUARY 27, 1913.

Vol. XIV; No. 61

W.S.C. LOSES TO OREGON FIVE

OREGON TAKES FIRST OF TWO GAMES FROM W. S. C. BY SCORE OF 19 TO 17

FASTEST GAME OF THE SEASON

Neither Team Has Lead of Over Four Points During Game Wild With Routing.

The Varsity five defeated the Washington State College basketball team, leaders of the Northwest Conference, by a 19 to 17 score, last night, in one of the most exciting games ever seen on the local floor.

With the score 17 to 13 in favor of W. S. C. and with but three minutes to play, Captain Sims threw two fouls and shot a difficult basket from near the sidelines, which brought the rooters to their feet.

For Washington State, Anderson Sampson, and Captain Lowrie starred. Anderson, the small forward, throwing four baskets, while Sampson threw five fouls out of seven attempts.

Although the whole Oregon team showed a marked improvement in their play since the University of Washington games, Captain Sims was undoubtedly the star of last night's contest.

W. S. C. Bohler (2) Walker, Rice Anderson (8) Boylen, Brooks Putnam (2) Stevenson (2) Walker Lowrie (2) (15) Sims Sampson (5) Bradshaw Time of halves—20 minutes. Referee—Jamison.

WOMEN'S CHORAL CLUB MANAGER GETS BEST TERMS IN THEATRE CONTRACT

In Addition to Usual Concessions, Catherine Carsons Secures Orchestra Free.

Manager Geary has reasons to allow a University Co-ed to make the rest of his contracts this year. Recently Catherine Carson, as manager of the Women's Choral Club, did what many others have tried to do while in the University, but have failed.

Making contracts with Manager George H. Smith, of the Eugene Theatre, is said to be an art, when it comes to getting terms. But when the manager of the Women's Glee undertook the task, Smith weakened. For besides granting the usual 25 per cent and 75 per cent division of the house receipts, as has been the custom with University theatricals, the astute representative of the singers secured the promises in the form of a written contract that the theatre management would furnish the orchestra and pay for the advertising.

This is the first time that any manager of any University activity has ever secured such terms, especially since the mentioned contract stipulated that the women could practice with the orchestra once.

FAST CROSS COUNTRY RUN ASSURED FRIDAY

McCLURE, HUGGINS, AND WINDNAGLE TO CONTENT

Unusually Fast Lot of Men Enter for Annual Inter-class Affair Tomorrow.

The annual inter-class cross country run scheduled for Friday afternoon, at 4 o'clock, has aroused unusual interest about the campus. This will be the second meeting of Captain McClure and Vere Windnagle, two distance runners, acknowledged to be the best in the Northwest, if not the Pacific Coast.

A third man, who may push both McClure and Windnagle for first honors, is Chester Huggins, who re-entered college this semester. Although he has had but a short time to train, he has been able to stand the pace set by the veteran McClure so far this season.

Besides the race for the first three places there will be several close finishes between such men as Pack, Allen, McConnell, Onthank, and Blackaby.

Continued on page two.

STUDENTS PASS AMENDMENTS AND RE-ELECT EMERALD CHIEF

TAX RAISED FROM FIVE TO EIGHT DOLLARS TO INCLUDE PURCHASE OF SEASON TICKET - MONTHLY IS KILLED, AND SWEATER SUPPLY FOR ATHLETES CUT OFF

All amendments proposed by the committee on the revision of the Constitution and By-Laws of the Associated Students, were passed under suspended rules, at the regular meeting of the Student Body yesterday morning.

After the first reading of the proposed amendments, motions were passed to proceed with the vote on the amendments and the Emerald editor, in view of the fact that the changes had been printed fully in the Emerald. A motion to consider the amendments by divisions, as they had been formulated, instead of separately, was also accepted.

The first division included changes in the Constitution and Article I, II and III, of the By-Laws. The most important revision here was in Article I, Section 1, of the Constitution, amended to raise the Student Body tax from five to eight dollars, which will henceforth include a student ticket, which will admit the student to all games and contests held on the campus.

Article II, Section 1, of the Constitution, was amended to include the

Graduate Manager as an officer of the Association.

A change making for more systematic handling of the Student Body funds was the addition of Section 8 to Article II, providing that the President and two members of the Executive Council approve all bills and sign all warrants for disbursement of all Student Body money. Also Article IX was added to the Constitution to provide for the expert auditing of the accounts and records of the Graduate Manager, once a year.

In Article I, Section 3, of the By-Laws, the provision which devoted fifteen per cent of Student Body funds to Student Body publications was stricken out.

Under the second division, Athletics, Section 2, of Article II, was stricken out. Section 2 now provides that no member of the varsity teams may receive more than one sweater or jersey in one college year. A further reward is inaugurated in Section 3, which is added to the article. Any man winning his emblem for three years in either track or football, and who has turned out for three years in either activities, will be given a green Indian blanket, on which will be a lemon-yellow block "O." This (Continued on last page.)

BASEBALL ENTERS INTO VARSITY SPORT ARENA

Hayward Offers Cup for Inter-Class Series and Doughnut League to be Revived.

Captain Ben Chandler has issued a call for baseball candidates and announced that all who wish to try out for the team must report at the gymnasium each afternoon at 4 o'clock, if they wish to keep a squad suit. Suits were issued to the old men yesterday.

The campus diamond is being rapidly put in condition and will be ready for use by the end of the week. The grass will be removed from the infield and two batting cages erected. Until the field is ready, and during the rainy weather, it is planned to hold daily work outs in the "gym," so that the men may be in good condition early in the season.

In order to encourage early training and a larger turnout for baseball, "Bill" Hayward has again come forward with a generous offer of a handsome silver cup to be presented to the winner of an inter-class baseball league. The games are to be played early in the season in order to bring out all the available varsity material and afford a chance of getting a line on the new men. The games will begin March 10, and the schedule, although not yet completed will be announced within a few days.

In addition to the inter-class games, the inter-fraternity Doughnut League will again be installed this year, and promises to bring out an array of talent.

Men, turn over a new leaf in your book of life, decide to attend the regular meetings of the Y. M. C. A. every Thursday evening, at 7 o'clock, in Deady Hall. Good addresses and music.

ALLOW NO LOAFERS IN EUTAXIAN RANKS

Three Unexcused Absences Will Remove Offender from Roll of Membership.

"No more loafers," was the gist of the amendment, passed by the Eutaxians Tuesday evening in Johnson Hall, which stated that any woman having three unexcused absences would be dropped from the membership roll. A committee, composed of Flora Dunham, Lucile Davis, and Mildred Healy, was also appointed to suggest further amendments to the constitution.

In order to fill the vacancies in the membership list, it was decided to elect six new members at the next meeting. The programs for the remainder of the semester were then read and approved.

The evening's program consisted of short talks on "Workingmen's Compensation," by Lucile Cogswell; "The Minimum Wage," by Eleanor McClain, and "Child Labor," by Lyle Steiwer.

The next meeting of the Society will be of a social nature at the Chi Omega house, March 11.

SECRETARY OF Y. M. C. A. FOR COAST HERE THIS WEEK

Gale Seaman, coast college secretary of the Y. M. C. A., visited the University last Tuesday. He talked to the students of the Bible University at three o'clock in the afternoon on work pertaining to the Association and met with the committee in the Book Exchange, at 4 o'clock. In the evening, Mr. Seaman and Secretary Koyl were entertained at dinner at the Kappa Sigma house. In the evening, Mr. Seaman talked to the club of High School Y. M. C. A. students at the High School.

ALL UNIVERSITY BILLS SIGNED BY GOVERNOR WEST THIS AFTERNOON

President Campbell Expresses Gratification When Informed of News; Means Much to University

SALEM, Ore., Feb. 27.— (Special to the Emerald.)— All University bills were signed by Governor West. These include the millage bills, and others, totaling over \$300,000, for additional maintenance and new buildings.

When informed of this news by the Emerald this afternoon, President Campbell expressed gratification.

"I am very pleased to learn this news," he said, "for although we knew the governor's position, it is very satisfying to learn that all the bills have passed the legislature and the governor. They make possible much needed gains in the various University departments and laboratories."

The bills do not become laws until at the end of 90 days.

OREGON'S DEFICIT IS SMALLER SAYS GEARY

MANAGER PREPARES PROSPECTUS SHOWING FINANCES

Emerald Under Collier's Management Expected to Turn \$200 Into Treasury.

An estimated decrease in the Student Body debt of \$1,216.77, is shown in the prospectus of student finances for the spring of 1913, as submitted by Graduate Manager Arthur M. Geary.

At the beginning of the college year there was a deficit of \$2,100 while the estimated deficit at the end of this year is \$883.23.

Under the efficient management of Andrew Collier, the Emerald has been a financial success this year, and \$200 is expected to be turned into the Student Body fund, over the \$364 or hand. Manager Geary states that this is a conservative estimate.

Following is the prospectus and also a report of the University of Washington basketball games submitted by Geary:

Washington Basketball Games. Receipts \$93.61 Expenditures— Guarantee to Washington \$150.00 (Continued on page two.)

SPRING EVENTS INTEREST GIRLS

TOURNAMENTS IN TENNIS AND GOLF—INDOOR TRACK MEET AMONG EVENTS

FIELD HOCKEY GIVEN UP

New Athletic Association for Women Proposed—Would Create Interest Without Competition.

Two athletic tournaments, with trophies, are the principle objects of the horizon of spring athletics among the University women. The first is the annual Tennis Club series for the championship of the college; the second is to be the first annual golf tournament, to be held in May, just before the examinations.

Co-ed athletics since the close of the eventful basketball series have been of the routine nature, and the girls are longing for the spring weather. Already a few have ventured onto the tennis court, but it will not be until well into April before regular gymnasium work shifts from the floor to the courts. Toward the last of April the Tennis Club will hold its try-outs for membership; following these the spring series begin. The golf tournament is new. The Luckey Jewelry Company has offered a silver cup to the winner, whose name will be engraved upon it. The cup will remain in her possession until the following year, when it will be awarded again.

Field hockey, a proposed innovation this year, will be impossible because of lack of funds to finance it. To provide for sticks and paraphernalia would cost \$50. Field hockey is very similar to ice hockey, but is played upon the football field.

The first event of the season is the indoor track meet to occur early in April. The date has not yet been fixed.

A women's athletic association, designed on an entirely new principle and planned to include every woman in the University, is the object of a women's mass meeting which will be held next week.

Athletic associations which have been formed in other colleges, such as Smith, Wellesly, and Michigan, have had for their aim merely to create interest in gymnastic and athletic sports. But the plan of Dr. Stuart and Miss Thompson for Oregon's association will be on a different basis. (Continued on last page.)

GREEK ARCHITECTURE FURNISHES MOTIF FOR DECORATIONS AT PAN-HELLENIC FORMAL

Arrangements for the Pan Hellenic dance, scheduled for Saturday evening, are completed and those in charge promise new departures in the way of decorations, music and programs for their guests. The dance is being given by the national sororities at the University in order to do away with a surplus which was found to exist in the Pan Hellenic treasury.

The idea for decorations will be taken from old Greek architecture although the committee in charge of this branch of the entertainment is not ready as yet to give out exact details as to their plans.

Dancing will start at 8:30 p. m. Bess Lewis, president of the Pan Hellenic, and Arthur Lewis, of Portland, leading the Grand March. The list of patrons and patronesses for the event has not been definitely announced, but it is known that the house mothers of the various sororities concerned, together with Miss Ruth Guppy, Mrs. R. H. Dearborn and President and Mrs. P. L. Campbell will be in the receiving line.

The music for dance will be in the form of sorority specials, a selection being taken from the songs of each of the organizations in the Pan Hellenic.

SENIOR LOTTERY DANCE NEXT TUESDAY; WILSON INVITED BUT WIRES REGRETS

Tuesday afternoon at one of the sorority houses occurred an event, the first of its kind at the University. Partners were selected for the Senior dance next Tuesday night, and with no regard for the respect of cupid. The names of one hundred Seniors were divided between two hats; girls in one, the men in the other. Then the drawing began, and in a quarter of an hour a committee of three matched enough couples to worry a chronic matchmaker a whole season at the beach. It made no difference who came, down they went two by two, and so they will stand to the grand march in the Folly Theatre on Tuesday evening. Thus the Senior Lottery dance has become a reality—all

except the announcement of who's who. This will be a shrouded mystery until the appearance of the Emerald Saturday night.

"But why not tell us our partners until then," was the cry from virtually every Senior on the list.

"There's a reason," declared a member of the committee today. "When you see the list of combinations, you'll know why. Every Senior is going, the mere knowledge of the name of the partner is of little consequence."

March 4, is the date of the dance. President Wilson was wired a special invitation, but he has already replied with his regrets, declaring the inauguration in Washington a prior engagement.
