With the advantages of the new system there is no reason for not expecting next year's administration to clear away the debt entirely.

The whole affair goes to show that any problem can be solved expeditiously and satisfactorily as soon as the students get behind it and give it their interest and support.

#### ENCORE!

There has never been a better exhibition of Oregon Spirit than that manifested at the Gymnasium last night, when the crowd got back of the team and put up such a show of enthusiasm and encouragement that the players pulled victory out of defeat in the last ten seconds of play.

This is what we should see at ever game. There is no legitimate reason why we should lay away the Oregon Spirit at the close of every footba season and not bring it out again un til the next fall. The spirit show last night was fine.

Let's have more of it.
