EXTRA INNINGS IN FIRST GAME

TAKES 4 ADDITIONAL PERIODS
FOR FIRST TEAM TO
TROUCE SECOND
SQUAD

25 SQUAD MEN CHOSEN

After First Week of Baseball Prac-
tice, Captain Chandler Begins to
Form Teams.

The first baseball game of the season occurred today on the campus diamond between the first and second teams. The first team defeated the scrubs 3 to 1, but it took four extra innings in which to do it. The game was scheduled for five innings. At the end of the fifth the score was 1 to 1. The pitchers were too good. A sixth inning passed without score, and the seventh. It was not until the ninth that the squad brought in two runs.

Welch pitched for the first until the fourth inning, when he was substituted by Fleming. In the same inning Tuerck, pitching for the second squad, was relieved by Street.

The line up was as follows:
First Team. Second Team.
Motschenbacher c. Miller
Welch, Fleming p. Tuerck, Street
Billings 1st Arney
B. Bigbee 2nd Jones
Cornell s. s. Hidden
Anunsen 3rd Dobie
Kirk cf Grout
Mount rf Runquist
Chandler lf Sidwell
The Varsity squad has been boiled down from about thirty-five men to twenty-four. However, this does not mean that no new men will be added. There is still plenty of chance for those beginners who have yet to round into form, if they show up to the class of those already selected. The squad now numbers the following: V. Motschenbacher, L. Bigbee, Tuerck, Welch, Billings, Fenton, Dobie, Cornell, Anunsen, Mount, Kirk, Miller, Reed, Fleming, Dorris, Jones.

WORLD NEWS--SEVENTY KILLED BY DYNAMITE

BALTIMORE—As the result of the explosion of three hundred tons of dynamite being loaded upon the British tramp steamer Alum Chine, lying in the lower Baltimore harbor, just off Fort Carroll, about seventy people were killed, and about sixty more were maimed. \$600,000 worth of property was destroyed, representing the Alum Chine itself, which was completely destroyed, the tug Atlantic, which tried to rescue the seamen, and which was set on fire and later sank, and the United States collier Jason, which was being built in a nearby ship yard, was raked and riddled with the flying debris. Buildings in Baltimore and the surrounding towns were rocked and damaged by the force of the explosion. A Federal investigation has been instituted to determine the cause of the accident, about which there are many conflicting theories.

SEATTLE, Wash., March 7.—Benjamin Stark Pettygrove, the first white child born in Portland, and whose father, Francis W. Pettygrove, was the founder of that city, died in Port Townsend today. The Pettygrove family crossed the plains in 1842.

EVEN YET IN "DRY" EUGENE LUCKY ONES ARE ABLE TO OBTAIN FREE LUNCH

Heusner Demonstrates Ease With
Which Expert Can Procure
Necessary "Eats."

The sandwich man at the corner of Eight and Willamette streets had just turned over a "Hamburger," as one William Bates Heusner, of serenading fame, as well as being noted for his pronounced Teutonic origin, sidled up to the counter, and took his place in the waiting line of those celebrating the victory. Bill's tendency to cast furtive glances around him, stood him to good stead, for before he had even time to think what he wanted, Heusner found something.

Stooping down, Bill was seen to grope hastily underneath the wheels of the wagon. With an air of triumph he tossed a ten cent piece upon the counter, and called for free lunch.

WASHINGTON, March 6.—The last official act of Secretary of State Knox was to sign the commission for his successor, while the first official act of the new secretary, Mr. Bryan, was to sign the commissions of the other incoming cabinet members.

Exit basketball. Enter baseball and track. With the passing of this sport from the athletic calendar of the Northwest colleges and Universities, the Emerald publishes the first authentic composite all-Northwest Conference basketball team, selected this morning through the votes given the various players by the basketball authorities of the five Conference institutions.

Looking back over the season, on the way to Albany, yesterday afternoon, Bill Hayward said that the bad record of the Oregon team was due to the injury to Fenton that kept him out of the game. This broke up the team work, and so disorganized the players as to prevent them from be-

OREGON BASKETBALL TEAM WINS TWO FAST CONTESTS FROM O. A. C.

AGGIE TEAM OVERWHELMED
21-13 IN THIRD ENCOUNTER

Phenomenal Shooting of Bradshaw,
Walker, and Fenton, Out-Classes
O. A. C.

(By Dutch Young.)
CORVALLIS, Ore., March 8.—(Special to the Emerald.)—Playing with brilliancy and accuracy surpassing any previous game, the Oregon basketball team completely outplayed and outshot the Aggie five this evening, winning 21 to 13. Bradshaw, Fenton, and Walker, shot baskets with uncanny skill. Oregon should win again this evening, as the O. A. C. aggregation is literally down and out as the result of injuries and poor condition.

Aggies Score First Basket.

The game started with the same lineups that faced each other in the two previous games, except that Burdick went in at forward, and Dewey at guard for O. A. C. The first score came like a flash after the first whistle, a pretty shot by Burdick. The Aggie rotors went wild, but Fenton came back immediately with the first of a number of wonderful overhand shots from the sidelines.

The scores began to pile up immediately. Bradshaw threw two baskets in quick succession from the center of the field, but the Aggies came up with two scores by King. The first half was marked by the calling of six fouls on Stewart's men, three of which were converted into tallies by Fenton. Cooper replaced Burdick in this half.

VARSITY TEAM "COMES BACK"
14-12 IN THURSDAY'S GAME

Fenton and Rice Stars in Second Con-
test of Series With Corvallis
Five.

Oregon came back strong in the second basketball game on the local floor Thursday night and defeated O. A. C. for the first time in the history of the two schools by a 14 to 12 score. Due to the work of Referee C. S. Mackay, the game was much faster and better played than the one of Wednesday, in which both teams roughed, instead of trying to shoot baskets.

O. A. C. Takes the Lead.

O. A. C. took the lead from the start and the first half ended 9 to 8 in favor of the Aggies. Thirty seconds before the final whistle, with the score 12 to 10 in favor of O. A. C., Fenton knocked the ball in the basket on a jump off with Darling under the south goal, and tied the score. Although the game was exciting throughout, the rooting at this point was terrific. The usual five minutes was given in which to play off the tie and with but ten seconds remaining, it looked as though the score would be undecided, when Walker took the ball in the center of the floor and rapidly dribbling, shot the winning basket. The final gun sounded just as the ball was put in play again. The "rooters" carried the winning team off the floor.

Fenton and Rice Are Stars.

Cooper starred for O. A. C., while

MOUNT, SIMS AND BRIEDWELL FAKE A HURRIED TRIP TO CORVALLIS

Three Are Aided in Their Exploit by
Timely Approval of Wending
"Bullet" Which Adds Realism.

"We have to catch this train to Corvallis," yelled Beanie Mount, Ole Sims, and Paul Briedwell, Friday morning, as they knocked over a few chairs with Dean Walker's suit case, found just outside the door of Professor A. C. Collier's 10 o'clock class in Economic Geology.

The trio burst into the quiet room, had rushed past the desk of the instructor with the above salutation. Luck was with them, for just as the words were uttered, along came the classiest of all Southern Pacific trains, the Wending "Bullet." This added the necessary touch of realism to the situation. This example of heroism on the part of three students, to risk their lives, in order that they might catch the speeding train, was approved, and off down the track the trio went—not after the train, but in search of a nice, quiet place to sit down.

SPARKLING PROGRAM IS CHORAL CLUB PROMISE

GLEE CLUB CONCERT IS MODEL
FOR ENTERTAINMENT

24 Women Under Direction of "Icky"
Ogden to Give Show Replete With
Features.

Next Friday night, March 14, the Girls' Choral Club of 24 members, under the leadership of Melvin P. Ogden, '11, will appear in their first concert at the Eugene Theatre. Though the club has been in existence for the past three years, this is the first public entertainment after the style of the Men's Glee Club.

Judging from the array of stunts, new songs, special features, and solos, that have been added to the program,

NEW FRATERNITY ENTERS OREGON

SIGMA DELTA CHI, NATIONAL
HONORARY JOURNALISTIC
ORGANIZATION GRANTS
CHARTER

FIRST OF TYPE IN EUGENE

University Press Club to Become
Omicron Chapter of Influential
Honorary National.

Sigma Delta Chi, a national honorary journalistic fraternity, has granted a charter to the University of Oregon Press Club, word of which was received in Eugene today. This is the first honorary professional fraternity to enter the University of Oregon at Eugene.

The University Press Club, from which the new chapter will be formed, consists of nine active student newspaper men in the University, as associate members, a number of the University alumni, who, while at college were active in newspaper work. These latter, however, will not become members of Sigma Delta Chi.

Strongest Journalistic Fraternity.

Sigma Delta Chi, of which the Oregon chapter will be known as Omicron, is the largest national American journalistic fraternity. It is to Journalism what Phi Delta Phi is to law. It has chapters in 12 American colleges, which are the University of Michigan, the University of Wisconsin, the University of Kansas, the University of Virginia, University of Illinois, De Pauw University, Denver University, Purdue University, Ohio State College, University of Iowa, University of Washington, University of Pennsylvania. The Omicron chapter, the thirteenth chapter to be installed, will be the second on the Pacific coast.

Installation Soon.
The installation will occur within the next month, as soon as it can be arranged to bring the installing officers here.

The members of the Press Club are Karl Onthank, Franklin Allen, Leland Hendricks, Harold Young, Carleton Spencer, Sam Michael, Henry Fowler, Donald Rice.

CO-ED DEBATERS ARE CHOSEN THIS MORNING

Misses Oberholtzer, Sawyer, and Littlefield, Composer Team That Will
Meet Washington.

Aldous Oberholtzer, Cecil Sawyer, and Beatrice Littlefield, were chosen for the University Co-ed debating team in the final try-out in Villard Hall this morning.

This team will meet the Washington team here some time in May. They will support the negative side of the question, "Resolved, that all unskilled laborers of the new immigration, as classified by the immigration commission, should be excluded from the United States." This selection gives Oregon an entirely new team. None of those chosen has ever had any experience in university debating. Miss Oberholtzer and Miss Sawyer are members of the Junior class; the former is from Spokane, Washington, the latter from Brownsville, Oregon. Miss Beatrice Littlefield is a Freshman registered from Minn, Oregon.

The judges were Miss Julia Burgess, Miss Mary Perkins, and Professor Prescott.

THE UNIVERSITY OF OREGON PRESS CLUB
