## THE BEST MAN

Student Body elections are soon to occur and the question, "Who is the man for the place?" is uppermost in the public mind. As usual there will be the tendency to allow irrelevant considerations to enter into the choice. But now is the time, if ever it is to be done, to take a broad, far reaching view of the situations and to keep in mind ultimate results. Besides the Student Body here on the campus there are other groups which must be considered in the administration of affairs. The Alumni Association of a University is its most powerful support and must not be overlooked in the determining of student policies. The other friends of the institution must also be born in mind. Again complete harmony with the Faculty is necessary for best results.

Men should be chosen who will bear these things in mind. Of course, in student government the electorate is the controlling influence and rightly so. The Student Body should never be made subservient to outside considerations. But at the same time they cannot be overlooked.

Men must be elected who are big enough to base their lines of action on broad considerations; who will exclude fraternity or factional politics and who are not above listening to suggestions from all sources.

The man who has these qualifications, coupled with initiative and efficiency, should be elected, no matter what influences may be brought to bear to make it otherwise.

In short, let us have a sane, rational election.

## WILLAMETTE PAPER GETS SPORTING DOPE MIXED

The Willamette Collegian's sporting editor is responsible for the following:

"Coach Stewart has had a vast field to choose from, and every position is covered by several good men. Their pitching staff, with Welch, Tuerk and Bigbee, as star twirlers, is almost invincible, and with the support their team is able to give, they keep the score rolling for the "Green and Yellow."

## Petition Not Popular at Cottage Grove.

If every city treated the referendum petition hawkers the same as they were treated here this week, old Parkison would find his job a hard one.

**SOCIETY**  
 By Bess Lewis.

From the dearth of week-end society, it appears that everybody had such a glorious time during vacation that they are still recovering from the effects. Delta Delta Delta, Kappa Alpha Theta, Chi Omega, Gamma Phi Beta all entertained elaborately in Portland, last week, with dances, luncheons and matinee parties. The "left-overs" report a series of picnics, canoe parties, dances and a general good time.

Gamma Phi Beta entertained Friday evening with a very informal dance in honor of their week-end guests, Miss Doris Byford, Miss Helen Clausz, and Miss Hazel Cleveland, of Portland.

Announcement of the engagement of "Sap" Latourette to Ruth Elizabeth Steimer, of Oregon City, has recently been made. The wedding will take place within the next few weeks.

Sigma Chi is entertaining a number of members of the Multnomah track team, among whom are Martin Hawkins, '12, George Philbrook, Sam Bellah, "Doc" Schmidt, and Sumner Bryant.

The engagement of Vieve Cecil, ex-'14, to Loyal McCarthy, of Portland, has been announced. The wedding will take place in May.

Engagements of several former University students, who will be married this Spring, have been recently announced.

Mrs. A. T. Lewis and Mrs. A. W. Graham, of Portland, are guests at the Delta Delta Delta house for a few days.

Miss Maude Still, of Walla Walla, has been visiting at the Delta Delta house during the past week.

Marie Zimmerman, ex-'15, was married in Chicago last week, to Charles Provost of that city.

Miss Clarissa Biles and Miss Jessie Bibee, of Portland, are guests at the Kappa Alpha Theta house.

Gilbert McLennan, of Portland, is visiting at the Alpha Tau Omega house.

Miss Carin Degermark, '13, is at the Kappa Kappa Gamma house.

"Bob" Stewart, of Albany, is at the Sigma Nu house.

Professor Taft, at Yale, will lecture on Constitutional Law in the law school and in the college.

The Pan-Hellenic Association of Ohio State University has sent communications to students of high schools all over the state, saying that the fraternities interested would not initiate any person who had become a member of a high school fraternity since the passage of the law against them.  
 Thirty-seven men are training at Washington for the Oregon-Washington track meet.
