

AGORA IS PREPARING REFERENDUM BOOKLET

Women Intend to Publish Pertinent Facts Concerning the University.

Mrs. Parsons, chairman of the Referendum Booklet Committee, gave a report of progress at the meeting of the Agora Club Thursday evening. The questions which are to be answered in this pamphlet are now being considered. Though the money to cover the cost of publishing will be advanced by the University, it seemed advisable both as a means of advertisement and as a matter of principle that the expense should be met by the University women. To this end a committee was appointed to attend to the collection of fifteen cents from every woman on the campus. This is a slight individual burden and the committee is urging every woman to do her share.

Portland people are taking a great deal of interest in the work and several requests have been received from them for copies of the booklet when published.

Miss Guppy told of the work of the committee of fifteen which is working against the referendum in Portland. She spoke of the work Portland women are doing and urged the University women to take hold in order to accomplish results. She also read a paper on Home Economics, dealing with the women food inspectors of Seattle.

WASHINGTON TO MEET OREGON IN TENNIS

May 9, is Date for First Meet Between Colleges—Washington Will Sign Two Year Contract.

The University of Washington tennis team will meet Oregon's team in Eugene on May 9, the same day of the track meet, according to a telegram from Seattle, received this afternoon by Student Manager Arthur M. Geary.

Washington also agreed to sign a two year contract in tennis, this being the arrangement under which the two universities have heretofore held their meets. This year's meet will be the first of the new contract.

This year is the fifth that Oregon and Washington have clashed in tennis, and so far the honors have been about even. Up to last year each college had the same number of points, lege had the same number of points.

CLASS DEBATERS ARE PREPARING FOR STRIFE

Freshman-Sophomore Contest Saturday Will be Followed by Dance in Gymnasium.

Final preparations are being made by the Freshman and Sophomore debating teams for the interclass contest which is scheduled for Saturday evening, May 3, in Villard Hall. The Freshman debaters, under the tutelage of Carleton Spencer, are supporting the affirmative side of the capital punishment question, while their opponents, coached by Bert Prescott, are upholding the negative.

The question stated in full is: "Resolved, that life imprisonment with restricted power of pardon should be substituted for capital punishment in the State of Oregon." This question is of more than ordinary interest because of the prominence which it has received during the past year in this state.

The members of the Freshman team are: Lamar Tooze, leader; Prentiss Brown, and Allen O'Connell. The Sophomores will be represented by Maurice Hill, leader, Gray McConnell, and James Donald.

It is intended to give a dance in the Gymnasium after the debate. The debate will begin promptly at 7:30 o'clock, so that the dance may start shortly after nine. The committee in charge of arrangements announces that those attending the debate will be admitted to the dance free. Otherwise tickets to the dance will cost fifty cents.

An admission of 25 cents will be charged to the debate.

SIX MEN WILL COMPOSE VARSITY TENNIS SQUAD

Freshman Tournament Has Narrowed Down to Trowbridge and Kuck.

Tennis try-outs have found J. Pluvius their hardest opposition this week and the result has been a number of postponed matches.

The Freshmen matches for the Laraway cup have simmered down to Henry Trowbridge and Harry Kuck. Yesterday they were to play the finals but were prevented by the rain.

To decide what six of the 15 contestants will make the Varsity squad, Captain Irvin Brooks has arranged for three tournaments to be played by the end of next week. Six men will drop out after the first tournament, and four after the second, which will leave five men for the third try-out. Gray and Brooks will act as runners-up.

According to Captain Brooks each of the three men composing the team will have to be able to play singles as well as doubles for the contest with the University of Washington will include three matches single and two doubles. No definite date has been arranged for the tournament.
