OREGON TAKES SECOND GAME FROM O. A. C. BY 8 TO 4 SCORE

WELCH PITCHES MASTERFUL GAME AND AGGIES GET FEW HITS—ERRORS SHOW VARSITY IN FORM

7 HITS OFF WELCH 5 OFF O.A.C.

Oregon Errs Six Times, and Corvallis But Two, but Oregon Bunches Hits

Oregon and O. A. C. met this afternoon in the second game of the series, and Oregon won by the score of 8 to 4. Welch and McMillan were pitted against each other, while Motschenbacher and Weller held up the catching end. Anticipating batting against a southpaw, Coach Ayer shifted his batting order from that of yesterday's game, maintaining the same line-up however.

Umpire Salisbury officiated. First Inning—Smith, first up for O. A. C., walked, and stole second, Motschenbacher's throw being low. Shaw flew out to Mount. Hutt grounded out Cornell to Fenton, Smith taking third. Robins flew out to Chandler. No hits, no runs.

Cornell took four straight balls, stole second, and scored on Robins' error. Chandler got an infield hit to Smith, who overthrew first, the captain then stealing second, and going to third on a passed ball. Fenton struck out, as did Bigbee. Billings walked and stole second. Anunsen walked, filling the bases. Mount hit to Hutt, who made a nice stop and threw him out to Gobel. One hit, one run.

Second Inning—Gobell struck out. Groce fouled out to Motschenbacher. Fryor rolled out to Welch-Fenton combination. No hits, no runs.

Motschenbacher struck out, McMillan using a nice low ball with a big break. Welch walked. Cornell hit into right, Welch taking third and Cornell second on the throw in. Chandler struck out. Welch scored when Weller dropped the ball, Cornell taking third. Fenton succumbed by the strike-out route. One hit and one run.

Third Inning—Weller hit to Cornell, who booted, and by an overthrow of first the Ag catcher took second. McMillan hit to Bigbee, who threw him out at first, Weller going to third and scoring on a passed ball. Smith died by strike out. Shaw drove to Bigbee, who fumbled a hard chance. Robins rolled out to Fenton unassisted. No hits, one run.

Bigbee grounded to Smith. Billings struck out. Anunsen drove to Gobel, who made a fast stop and beat him to the bag. No hits, no runs.

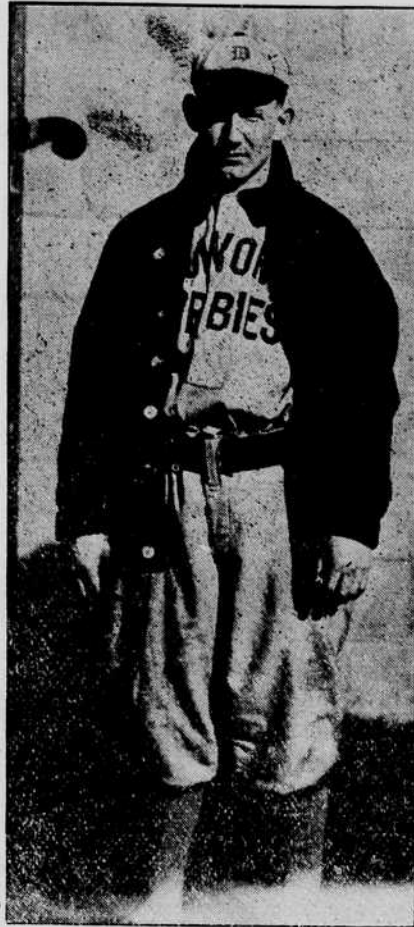

Fourth Inning—Gobel hit over second for one trip, the first hit off Welch. Groce walked, putting Gobel on second, from where he advanced to third on Fryer's sacrifice bunt to Welch. Gobel scored on Motschenbacher's error of Bigbee's throw in of Weller's grounder to the plate. Groce scored on Motsy's overthrow of second attempting to get Weller stealing. McMillan struck out. Smith walked. Weller scored on Shaw's double up the first base line. Hutt hit to Welch. Two hits, three runs.

Mount out, Hutt to Gobel. Motschenbacher singled into center field, and drew second on a passed ball and stole third on a dropped strike. Welch singled, scoring Mosty. Cornell hit to McMillan, who threw wild to get Welch at second. Welch went to third and Ans to second. Bigbee running for Welch scored on wild pitch, Cornell to third. Cornell stole home. Chandler fanned, and Fenton duplicated. Two hits, three runs.

Fifth Inning—Reed replaces Motschenbacher. Robins out, Bigbee to

OREGON DROPS FIRST OF GAMES TO O.A.C.

CULVER, O. A. C., PITCHER, WHOLE THING YESTERDAY

Varsity Wabbles in Third and Fourth Turning Expected Victory Into Clean Defeat.

After piling up a lead of two runs in the first inning by hard hitting, and apparently sewing the game up, Oregon wobbled terribly in the third and fourth, allowing the Oregon Agricultural College to leave the field with the first game of the series tucked away in her bat-bag, 6-2. It was a keen disappointment to the supporters of the Big Green team, for they had their mouths all fixed for another triumph over the Ags. But O. A. C. won fairly and squarely and we have no hard-luck tales to tell.

Culver Pitches Good Ball.

The loss of that game is attributable to two things. First and greatest of all was one Mr. Culver, who occupied the hurling-pit for the visitors. This little wirey lad had everything on the ball after the first inning, control, speed and hope. Although Oregon garnered seven hits from his offerings, they were scattered, only two coming in a row. He was master of the game and his pitching won.

Then Oregon had an off-day. They didn't play with that dash and speed that characterized their playing in the trip around the circuit, when they humbled W. S. C. and Washington. Over confidence seemed to make them careless in their handling of the ball and in mapping out their plays, costly errors and bone-headed work giving their opponents many chances to score. Cornell, Chandler, and Buck Bigbee, all kicked little easy ones through pure carelessness, while Fenton turned one trick in first—water lapsus noodle style. Better support would have made the hammering that the Ags gave Bigbee's shots less disastrous.

Cornell gets Threebagger.

Oregon scored first in the initial frame when Cornell, leading off, tripled into left and tallied on Culver's sacrifice hit and third when Fenton grounded out to short. Then Buck Bigbee came through with a single driving the centerfielder over, the in-

OREGON'S INFIELD

RELAY GIVES MEET TO ZETA PHI BY ONE POINT

SIGMA NU, WITH 25 POINTS, GETS SECOND IN BIG INTER-FRAT AFFAIR

ZETAS CAPTURE BOTH CUPS

Dorm is Third and Alpha Tau Omega and Sigma Chi Tie for Fourth Today.

By winning one of the most hotly contested and sensational mile relay races ever seen in an inter-fraternity meet, the Zeta Phi fraternity this morning won the second annual inter-fraternity field and track meet with a score of 26 points. Sigma Nu was a close second with 25 points, while the Dormitory by the consistent work of Fee, took third honors. Sigma Nu, Alpha Tau Omega and Zeta Phi were the only fraternities to enter teams in the relay, and had either of the first two won, Sigma Nu would have captured the meet. The final scores were: Zeta Phi, 26, Sigma Nu, 25, Dormitory, 20½, Alpha Tau Omega, 18, Sigma Chi, 18, Kappa Sigma, 11½, Oregon Club, 8, and Phi Gamma Delta, 4.

Chester Fee, representing the Dormitory was individual point winner of the day, taking first place in the high jump and javelin, second place in the 120 yard hurdles, and tying for third in the pole vault, a total of 13½ points. Cook was second high man with 11 points. Parsons' broad jump of 21 feet 11 inches was the feature of the meet. This is the best jump that has been made in the Northwest this season. Other creditable performances of the day were the hurling of the javelin, 152 feet, by Fee, and Barbour's stepping the 440 in the fast time of 54 seconds flat. One of the closest finishes was in the two mile event, in which Pack by a strong sprint, nosed out Reynolds in the last 50 yards.

At the close of the meet Fen Waite presented the Hayward cup to Vere Windnagle, captain of the winning Zeta Phi relay team.

Summary of events:
Mile run—Windnagle (Zeta Phi), first, Pack (Alpha Tau Omega) second, Schaffner (Dormitory) third. Time, 5:52-5.

CANDIDATES ANNOUNCED FOR STUDENT OFFICES

MOTSCHENBACHER AND FOWLER SEEM LIKELY TO WIN OFFICES BY DEFAULT

FOUR WOULD BE SECRETARY

Ruth Beach, Maud Mastick, Ellice Shearer, and Norma Dobie in Field

With the nominations for Student Body officers only four days off, the two most important Student Body offices seem likely to go by default to the one candidate for each of these. Vernon Motschenbacher is the only man in the field for Student Body president, and Henry Fowler as yet has no opposition for the editorship of the Emerald. Harold Young and Don Rice, both of whom rumor has made candidates, denied today that they would run. Sam Michael is also the only entry for manager of the Emerald.

Rice, who has also been looked upon as possible presidential timber, asserted that he would probably run for Executive Committee, but for nothing else. Other candidates for Executive Committee revealed by the canvass made this morning, are Willard Shaver, Dal King, Wallace Caulfield, and Everett Stuller.

Del Stannard and Elliot Roberts will contest for the vice-presidency. Four University women are in the field for Secretary, Maud Mastick, Ruth Beach, Ellice Shearer and Norma Dobie. To date five men are out for the three places on the Athletic Council. Elmer Hall, Carl Fenton, Bob Bradshaw, Chester Huggins, and Joe Jones.

WOMEN'S GYMNASIUM EXHIBITION PLEASURES

MILITARY DRILL AND FOLK DANCES BEST LIKED

Underclassmen in Marching Drill; Upperclassmen in Specialties Reflect Credit on Dr. Stuart.

(By Nell Hemenway.)

The fourth annual demonstration of gymnasium work by the Freshman and Sophomore women last night reflects great credit upon Dr. Stuart, Miss Thompson and the girls who took part.

Hearty applause from the audience attested their appreciation of the finest exhibition which has yet been given. The military march, given by thirty-two Sophomores and Freshmen, was perhaps the most spectacular event. The girls who took part were all dressed alike in white sailor suits and white shoes, so that in their clock-like evolutions through which they went with perfect precision, they appeared like a perfectly drilled army of straight young amazons, as they faultlessly obeyed every command.

Folk Dances Take Well.

The folk dances given by Agnes McLaughlin, Vida Harner, Vera Moffat, Agnes Ryder, Leola Ball, Grace Hartley, Agnes Stevenson, and Lucile Cogswell, showed remarkable grace and finish in their execution. To Miss Grace Burr Lewis, of New York city, belongs the credit for training this class as well as the one in Aesthetic dancing, which interpreted the "Frolic" and "Autumn Leaves" dance.

Among the most interesting events were the grand march given by all the girls in the classes, and the "Swedish Day's Order," which is simply the daily work of the regular classes and which is constituted by calisthenics and apparatus work.

Each event was interesting in the extreme and deserved commendation both from the point of skill shown and from aesthetic effect.

The Junior class presented a large bouquet to Dr. Stuart as an expression of their appreciation of the work she had done for them.
