"ORDER OF THE O" HAS BEEN RESUSITATED

Men Who Have Won the "O" Reorganize Former Club.

The order of the "O" athletic honor society, organized in 1908 at the University, was revived after two years inactivity, in an enthusiastic meeting of monogram men, at the Kappa Sigma house last Tuesday night.

Officers for the year were elected as follows: Bob Bradshaw, president, Elmer Hall, vice president, and Alva Grout, secretary. The annual banquet will be held at the end of the present year and a concerted effort made by the men to put the organization upon a firm footing. A committee was appointed to investigate and procure an appropriate emblem for the society, a gold winged "O" was suggested.

Due to the prevalent abuse of flaunting "prep" school monograms by Freshmen in the University, the order of the "O" went upon record as favoring drastic measures to discourage the practice.

The next meeting will be held at the Kappa Sigma house, Tuesday evening, at 7:30 o'clock. All men in the University who have won the official "O," in any branch of athletics, are eligible and requested to turn out.

Word has just been received that the Mazamas will pass through Eugene, May 29, on a Week-End trip to the caves in and around Grants Pass. As is well known, these caves in Josephine County are the most interesting in the country and are visited by many tourists yearly. This trip is of especial interest to students, as it has been arranged that the people of Eugene may join the party it passes through here Thursday evening. Friday being Commonwealth Day gives the student a chance to make this trip without "cuts." It is expected, from the number who have already signed up, that there will be enough people to charter a sleeping car from Eugene.

The total expense of the trip will not exceed \$15.00. Five Dollars must be deposited with W. C. Yoran to pay the immediate expenses. The party will arrive at Grants Pass Friday evening and will drive out to the caves Saturday morning in automobiles. The caves are about eight miles out of Grants Pass. Anyone wishing to make this trip should notify W. C. Yoran at Yoran's Printing Office at once.

Phil Hammond, ex-'13, who is studying law in Portland at the University Law School, is in town for a few days.

Isn't the number of telephones out of commission during Junior Week-End remarkable?

Phi Delta Theta are entertaining John Ruth of Ontario, Hollis Huntington of The Dalles, N. B. Borlesque, Hartly Huchins, Geo. Clark, J. B. Cosgrove, David Leleche, Geo. Biles of Portland, Howard Wood, Clarence Wells, '12, of McMinnville, Donald Roberts and DeWitt Gilbert of Astoria, Arthur Keyes of Tacoma, Henry Enders and Walter Philips of Ashland.

We wish to thank Mr. W. C. Yoran for his many kindnesses in helping the staff over hard places. We should fancy the newspaper business as a permanent occupation, if all printers were so good-natured.

If you want extra copies of the Women's Emerald, you can get them at the Y. M. C. A. Book Exchange at ten cents per.

Another Society, which is a source of pleasure as well as benefit, is the German Club. It has been in the University a number of years, and any one is eligible who has had two years of German. However, the membership is limited to forty.

The meetings are held every two weeks at the different fraternity houses. At these meetings German programs, consisting of readings, songs, and lectures on masters are presented. This semester the club has devoted its meetings to the study of German cities.

The club is now at work on a German play—"Das Gaenschen von Buchenau."

The Faculty is seriously considering an appeal to the National Board of Censorship to prohibit the use of so many Indian pictures, as it seems to have upset the even tenor of a previously well behaved Sophomore class.

With thrilling Comanche yells this dignified body gathered with one accord around a stately tree on the campus yesterday afternoon and executed a varied repertoire of Indian war dances—Jessup Strang and Fred Hardesty were very effective in individual exhibition.

The upperclassmen, equally concerned, are abetting the Faculty in the plan to restrict such frivolity.

Don't Take Your Old Books Home

Leave them in the Y. M. C. A. Book Exchange, realizing on them next fall.

We will have Paper Oregon Seals to sell soon.

A GLIMPSE OF TOWN

GO! SEE!! ADMIRE!!! "THE BRAES OF EUGENE"

A "panoramic paradise," commanding a sweeping view of the city, the entire Willamette Valley, and the encircled mountains.

NOTE—Milmac Park, a beautiful grove of fourteen acres, including a natural amphitheatre—one of the finest in the entire United States.

A magnificent scenic driveway along McLean Boulevard and Mac Beth Terrace to the Mill Circle and the Park.

A wealth of wild flowers, sparkling springs, shady nooks, and charming vistas.

Incidentally—the most desirable place for homes in Oregon—large tracts, low prices, very easy terms.

Illustrated booklet and plat on request.
