## O. A. C. TIES UP CHAMPIONSHIP BY TAKING MORNING GAME 14-5

**WELCH BUMPED FOR 13 HITS,  
WHILE OREGON GETS  
RUNS ON  
ERRORS**

### CHANDLER KNOCKS HOMER

Game Is Wierd and Uninteresting—  
W. S. C. Winner in Eastern  
Division.

CORVALLIS, Ore., May 24.—(Special to the Emerald by J. Ward Arney.)—By bombarding Welch for 13 solid hits and taking advantage of Oregon's four errors, O. A. C. won today from Oregon in a wierd featureless game. Welch had nothing on his fast ball, and no control of his curves, passing four men and allowing 13 hits. Culver pitched a nice game, his teammates' errors allowing Oregon's scores.

O. A. C. took the lead in the opening frame, when Smith and Shaw hit, and were advanced when Loof was hit by a pitched ball. Robins tripled, scoring all three runs. Oregon tied the score in the second inning on a hit and three errors.

In the fifth O. A. C. drew two more, the result of two errors and a base on balls.

Oregon counted one in the fifth, Chandler hitting and stealing and scoring on Cornell's safety.

Hits by Smith, Robins, Glazier, and Bobel's triple resulted in four runs in the sixth, while five hits and base on balls added five in the eighth.

Culver blanked Oregon until the ninth, when with two men down, Chandler rode one for a homer.

R. H. E.  
Oregon .....5 6 4  
O. A. C. ....14 13 7

O. A. C. has credited three triples and two doubles in its 18 hits.

Culver pitched a wonderfully consistent game.

Box Score:  
Oregon.

## OREGON SECOND TEAM TIES WITH ROSEBURG 4-4---WARD ARNEY INJURES ARM IN TENTH

A tie game, 4-4, at the end of the eleventh inning, when time was called for dinner, was the result of the contest between the University Second Team and Roseburg, during the strawberry festival in that city Thursday.

In the first inning, Hughes hit and stole second, and third on Dobie's sacrifice. Arney reached first on a bunt, scoring Hughes. Arney stole second, went to third on a passed ball. Gorman struck out, Arney stole home, and Billings was out on first.

No more scoring was done until the fifth, when Oregon squeezed in a tally on Roseburg's wild throwing. Oregon in turn came through with a bunch of errors, and Roseburg tied the score.

In the eleventh, with Tuerck on second, Hughes' hit to the infield, which

### SOMMERS MAKES MISTAKE IN DOSING PTOMAINE SUFFERERS

Acting Role of Samaritan, Freshman Gives Castor Oil to Sick and Well Alike.

Even if a man is a hero in times of trial, he will sometimes make mistakes.

Max Somers, the Freshman who rendered "first aid to the poisoned" during the ptomaine scare at the Dormitory, demonstrated this Thursday night, although his intentions were good.

Somers, in the midst of the melee, while on his good samaritan trips with various black bottles, found Elliot Roberts, who does not board at the Dorm, peacefully asleep in his room. Presumably thinking him already started on his "long sleep," Somers awakened him with, "Here, take this!" Down went castor oil, ginger tea, and the et cetera; then Roberts recovered his breath long enough to gasp, "What for?"

"Aren't you sick?" was the query. "No, you boob,—get out!"

## Y. M. C. A. ENJOYS ITS ANNUAL STAG PICNIC

CANOE AND SWIMMING RACES  
FURNISH DIVERSION

State Secretary Guy Needham, Dr. H. B. Leonard, and Others, Speak "After Dinner."

Forty members of the University Y. M. C. A. enjoyed a stag picnic across the river on the lagoon yesterday afternoon. The boys left The Shack at 4 o'clock, and spent the afternoon in canoeing and swimming.

Four exciting races were held. The first race was a double canoe race, which resulted in a tie between Chas. Collier and Lewis Bond, and Bill Holden and Don Pague. The prize of four bars of Hershey's was divided among the two winning couples. Dean Peterson took first in the single canoe race and received the prize of two bars of Hershey's. The second prize of one bar was awarded to Bill Holden.

The feature of the day was a canoe race in which the participants were allowed no paddles, but had to use their hands to propel themselves. Ed. Bailey and Andy Collier repeatedly tied for first place with Allie Groat.

## OREGON EASILY WINS DUAL MEET WITH AGGIES TODAY

EIGHT EVENTS RUN OFF GIVE  
THE UNIVERSITY A  
LEAD OF 54  
TO 14

### QUARTER IS RUN TWICE

Walters Fouls McConnell—Aggies Dispute, but Windnagle and McConnell Again Best Him.

With eight events finished and the score standing 54 to 14 in the favor of the University the result of the dual track meet with O. A. C. this afternoon is no longer in doubt. Oregon is taking everything in sight at the time of going to press, but the high wind which is blowing makes records impossible.

## BATH HOUSES TO BE BUILT ON MILL RACE

Paul Bond Is Installing Complete Swimming Equipment Opposite University.

Bath houses by the mill race is the latest in water sports. Paul Bond announces that he will build a bathhouse for men just below the boat-house, and one for women about 200 feet down stream, where there is a sand bar and where the girls may easily learn to swim because of a gradually sloping shallow bottom.

The shore will be cleared of brush and a walk made along the bank. At the bathhouse there is fifteen feet of water, which will be cleared of snags. A diving ladder, twenty-two feet high will be erected at the corner of the bathhouse for the use of high divers and later a "shoot the shutes" will be put in. Spring boards are also part of the equipment.

Dirt to fill up the depression and make a good foundation for the bath houses is already being hauled. The houses will be constructed with tent tops at first, but if the project pays, more permanent structures will be built and better fixtures will be put in.

The girl's bathhouse will be made with compartments and lockers. The boy's house will have one large dressing room and lockers. Bathing suits and lockers will be for rent. It is the intention to have the houses ready for use before Commencement.

The hundred yard dash, which was run in the fast time of 9:4 was down hill and with the wind.

Windnagle's Performance Remarkable  
The performance of Windnagle in the half and in the quarter, which he ran twice, for this race was rerun on account of a disputed foul, was remarkable.

Walters Fouls McConnell  
Oregon rooters showed remarkable sportsmanship over the disputed foul in the quarter-mile race. In this Windnagle took a ten-yard lead over Walters on the far side. McConnell had also passed Walters by two yards, when Walters closed in, seized McConnell by the hair, and threw him to the ground while running at a fast rate. The Aggies make the excuse that McConnell had been put in the race to deliberately box Walters, and demanded that the race be rerun. To

## MRS. E. H. PARSONS IS AGAIN PRESIDENT

Effie Rhodes, Mae Norton, Miss Uplegger, and Flora Dunham Receive Offices.

Officers for next year were elected at the meeting of the Agora Club held in the Library Building last Thursday evening.

Those elected were: President, Mrs. E. H. Parsons; vice president, Effie Rhodes; recording secretary, Mae Norton; corresponding secretary, Miss Margaret Uplegger, and member-at-large, Flora Dunham.

This was the last meeting of the Agora Club for this year.

The Agora Club was founded November 21, 1912, immediately after the passing of the Women's Suffrage Bill in Oregon. Its purpose is to educate the women in their new rights as voters, and to this end numerous speakers have addressed them at times in regard to work along political and governmental lines.

When told of the plans, Dr. Bertha Stuart said that it would be too late to use the opportunity for instructing the girls in swimming this semester, but if the project is a success, a swimming course might be started in the fall. Canoeing under the direction of Miss Thompson has been practiced for some time, but so far no attempt has been made to make canoeing safer by teaching the girls to swim.

## CO-EDS DEFEAT WASHINGTON IN DEBATE BY UNANIMOUS DECISION

BARTENDERS DO NOT COMPOSE  
FRISCO BAR ASSOCIATION

Professor Allen Berates Unsophisticated Students for Confusion of Terms in Story.

"A Bar Association is Not composed of bartenders. A student, 18 or 20 years of age, who does not know that, will probably never make a newspaperman. I don't know what he will make!" This information was bulletined for the information of the one o'clock class in Journalism Friday and expresses Professor Allen's opinion of the mental development of certain of his students.

Wednesday the budding Watterson's were required to write up a news item in which "The churches of San Francisco, supported by the Bar Association, had invoked the recall on Police Judge Weller. Some of the "dry" members of the class were undecided as to the exact relation of the Bar Association to the saloon question, and the criticism of the journalism instructor was the result.

## PROF. THOMAS SHAW TO VISIT UNIVERSITY

GREAT NORTHERN CROP EXPERT  
WILL ADDRESS ASSEMBLY

Has been James J. Hill's Assistant; Comes Under Auspices of Eugene Commercial Club.

Through the efforts of Manager Duryea of the Promotion Department of the Eugene Commercial Club, arrangements have been made for Professor Thomas Shaw to address the Student Body at the Assembly next Wednesday morning, May 28th.

Professor Shaw ranks as one of the highest authorities in the United States on agriculture and agricultural development. He is the special agricultural expert of the Great Northern Railway, and is making a tour of Oregon for the company to arouse interest in development work along agricultural lines. He is a forceful speaker, and is thoroughly posted on the natural possibilities of Oregon.

Professor Shaw is doing work among the farmers of Montana and North and South Dakota along the line of increased production of crops per acre. Under his guidance farmers of that section are being helped to get bigger and better results from their lands, and thereby increase their earning capacity. He is helping them to breed better quality of stock. Professor Shaw has been James J. Hill's special expert for years, and has had charge of the experimental farms that Mr. Hill has maintained in Minnesota.

## UNIVERSITY WOMEN WILL MEET O. A. C. CO-EDS IN TENNIS TOURNAMENT

A girls' tennis tournament with the Co-eds of Oregon Agricultural College, to be played on the University campus next week-end was announced today when final arrangements were made by Ruth Beach, who is acting as local manager.

This will be the first Co-ed tournament ever held between the two institutions. Try-outs will be held the early part of next week to choose the Varsity team, in much the same man-

IN FOUR YEARS OREGON WOMEN  
NOW BREAK EVEN WITH  
WASHINGTON  
TEAMS

### U. HASN'T LOST THIS YEAR

Four Victories Give Oregon Complete  
Championship of Western  
States.

Oregon debaters were victorious for the fourth time this year, in Villard Hall last night, this time by the unanimous defeat of the women representing the University of Washington in the fourth annual Co-ed debate held with the Northerners.

Upholding the negative of the question, "Resolved, That the Immigration to the United States of Unskilled Laborers of the New Immigration, as Classified by the Immigration Commission, Should be Prohibited," the three Co-ed debaters, coached by Bert Prescott, who has made an enviable record as a debate coach this year, met every contention of their opponents, and established their case that the action advocated was too drastic.

To exclude entirely all peoples from Southern Europe would be to keep out many worthy of citizenship, an act for which there is no economic justification. The negative claimed that low wages and standards of living were not alone caused by the immigrants, but by contributing causes as well.

The affirmative based their argument upon the over supply of labor that exists today, and the effect that they have upon social conditions.

Representing the University of Oregon were Miss Beatrice Littlefield, of Elgin, Miss Aldous Oberholtzer, of Spokane, and Miss Cecil Sawyer, of Brownsville. For the University of Washington, Miss Marguerite Cook, of Aberdeen, Miss Lois McBride, and Miss Bertha Banks, of Seattle, spoke. Dalzell King, a member of the men's negative debating team of the University, presided.

The judges were Robert Aiken, of Salem, Professor Horner, of the Oregon Agricultural College, and Dr. William Parsons, of Eugene.

### SOPH CLASS MEETING POSTPONED TO MONDAY

Due to the fact that there have been numerous other meetings scheduled for Wednesday evening at the same time, President Fred Hardesty has changed the date of the Sophomore class meeting to Monday night, 7:30 o'clock, May 26.

At this time there will be the election of officers for next year and other business of importance.

L. C. Stevens, ex-'15, now of Stanford, is here visiting friends.
