

GROUP PICTURE WILL BE TAKEN OF WOMEN

League to Use Cuts in Getting out Booklet for Distribution

Every woman of the University is requested by the Womens' League to assemble in front of the Womens' Gymnasium directly after assembly Wednesday in order that a group picture may be taken. Classes will be postponed until after the picture has been taken.

It is the wish of the League that a large group of the Women be present so as to make the picture expressive of the need of a new and larger Womens' Building here. The film will be used in a small pamphlet which will be printed by the Womens' League and distributed among the Women at the Convention of Womens' Club at Hood River next week. It is hoped that in this way support will be gained in the campaign for the Building. The book will be small and contain only such pictures as will show the need for the new structure.

AGORA MEETS FIRST TIME

Members Plan Extension Campaign Among Girls

The first meeting of the Agora club for this Semester was held Thursday evening in Miss Perkin's room. As the attendance was small the reports of the committees was postponed until the next meeting. Several new members were sworn in and a committee was appointed to canvass the sorority houses on the Wednesday evening before the next meeting in order to arouse the interest of the girls in the society. A committee was appointed to revise the Constitution. The next meeting of the Agora Club will be held on October 9.

UNIVERSITY ISSUES THREE BULLETINS

Extension Monitor, and Press Sheet Are Two Most Important

The University will publish three Bulletins this coming year. They are the University Bulletin, twelve times a year, the Extension Monitor, once a month, and the Press Bulletin, every two weeks.

The first University Bulletin, which is in the hands of the printer, and will be out in one week, is devoted to the High School Debating League. This Bulletin lays the foundation for the great High School debating system of this state, which is considered by many to be the greatest High School debating system in the United States.

The Extension Monitor is a great help to correspondence students and is prepared especially for their use. It contains editorials and articles of the different courses in the University.

The third is the Press Bulletin, which is sent to every newspaper in the state. The object of this Bulletin is to give to the citizens of Oregon a glance at the principal activities of the University of Oregon, the theory being that since the citizens support the University, the information is made to print nothing but news in their by right. An attempt is made to print nothing but news in this Bulletin. A complete financial statement is published annually.

LADIES' TEA IS POSTPONED

Women's League to Hold Business Meeting Tomorrow

The Womens' League tea which was to have been given this Wednesday at Mary Spiller Hall has been postponed until October 8th. An important business meeting will be held tomorrow in Dr. John Straub's room at 4 o'clock to elect a secretary to take the place left vacant by Hazel Tooze, and for the reading of the constitution.

Other business matters will be attended to. Every woman is urged to be present.

Miss Nellie Hemenway, '13, spent the week-end at the Chi Omega house.

Y. W. C. A. BUNGALOW HAS BEEN COMPLETED

Is Furnished by Contributions from Townspeople

The new Y. W. C. A. bungalow will be ready for use on Tuesday, September 30, although the formal opening will not be held until Monday, October 6. The bungalow will be used for all the meetings of the Y. W. C. A. and also for all the enterprises in which the Women of the University are interested, such as Eutaxian and the Woman's Council. Mrs. Fletcher will have charge. Hereafter she can be found in her office there, from two to four in the afternoon.

The bungalow is being generously furnished by contributions from the town people, by the work of the Advisory Board and from the remainder of the building fund, which has been accumulated in recent years. The main room in the building is the assembly room, furnished in oak and containing easy chairs, library tables and a piano.

It is hoped that the women of the University will make a meeting place of the bungalow, and take advantage of the room, kitchen, and general comforts. Places are being provided for studying and letter writing.

The open hours will probably be from nine to five, and during this time every college woman will be welcome to the conveniences the bungalow affords.

R. STEIWER.

LAUREANS MEET TONIGHT

Will Feature Referendum Resume by Max Sommers

Meeting tonight, for the first program of the year, the Laurean Society will feature a speech on the University and Referendum by Max Sommers. Sommers' speech will be a complete summary of the Referendum situation. Following Mr. Sommers' speech, there will be a reading by A. H. Davies, president of the society.

A declaration by Allen O'Connell will conclude the program.

New School of Journalism Opens.
Fully equipped with a modern newspaper plant, the million dollar Pulitzer School of Journalism at Columbia University opened its doors September 24.

The Muji University, Tokio, Japan, today shut out the University of Washington. This is the second defeat for the U. of W. baseball team during its trip abroad. The score was 1 to 0.

A chapter of Alchemia, national women's chemistry society, has been established at Stanford. Five charter members were initiated.

KOYL TEARS HIS HAIR OVER SINKER THEFT

Week-Old Escapade Is Still Bothering Y. M. C. A. Secretary

Charles Koyl, of Christian nature and associations is on the war path. The immediate cause of Koyl's war-whoops was the disappearance of eleven dozen doughnuts at the Stag mix nearly a week ago but Charlie has been getting madder and madder the more he has pondered over the dark deed and now it is dangerous to cross his path.

The blood-curdling details were these. While the guests were gathering around the cock fight in the center of the arena the crooks tipped out with a box of doughnuts as big as themselves. Then rumor has it that one of the dropped the box of doughnuts out of a second story window to a confederate watching below, who slipped off into the shadows with the boodle. Moreover the man who caught it was slim of build and he was almost overcome by the weight of the sinkers.

No clues were left—not even the holes of the doughnuts.

SWEETSER WILL SPEAK

Regular Y. M. C. A. Meeting to Be Held Tomorrow Evening

The second regular meeting of the Y. M. C. A. will be held in Dr. Schmidt's class room at 7 o'clock Thursday evening.

The program includes an address by Prof. A. R. Sweetser, and a solo by Kinney Miller, besides the regular bible study work. Harold Humbert will have charge of the music at all the meetings.

The University of Washington baseball team which is touring Japan, has lost but one out of four games to the Japanese. The series includes fourteen games to be played every other day.

Washington is making a better showing against their almond-eyed opponents than did Stanford last year who came back with a record of seven in their favor and six against.

Washington lost its only game to Waseda University.
