

The accompanying photograph gives an idea of the work on the Gatun locks of the Panama canal. The photograph shows one of the two channels of the locks. One channel is to be used by ships passing from the Atlantic to the Pacific while the other channel will accommodate the ships sailing in the opposite direction. The towering steel structure shown in the picture is for use in case of emergencies. In the event of anything happening on the gate these towers, there are two of them, may be swung around in position so that they can dam the locks with heavy steel plates.

Following is the challenge and acceptance as formally issued:

The Senior Class of the University of Oregon, seeking one more chance of demonstrating their superiority over the Class of 1915, do hereby challenge the aforesaid class of 1915 to a game of football to be played on the 25th day of October as a preliminary to the Oregon-Idaho game on Kincaid field, Eugene, Oregon.

**COMMITTEE.**

**AT THE EUGENE THEATRE**

The dramatic sensation of the present theatrical season, "The Lure," which has been the most-talked-about play of this generation, will be seen in this city next week. So wonderful has been its success that this part of the country is not to wait, as usual, for a whole year before getting this big eastern hit, but it is being presented simultaneously in New York City and throughout the west. "The Lure" will be given here at the Eugene theatre Thursday, October 23.

Don't forget to register.

**WOMEN WRITE TOTAL OF 1383 LETTERS**

Appropriation Is Being Supported by Co-eds of the University

Miss Guppy expressed her gratitude to the women of the University for the way in which they have responded to the request that they write letters to their friends in behalf of the University. Many of the women, especially those in Mary Spiller Hall, have written their letters to eastern and southern Oregon, where they have been so badly needed. The number of letters written amounts to 1383, up to Wednesday evening.

Miss Guppy said, further: "If any of the women, who, on account of illness, or living far from the court house, cannot register, will leave their name, address and an hour convenient to call, with me, an auto will be sent for them. The registration closes at 5 o'clock Saturday evening."
