The story in a nutshell may be summed up as follows:

Graduate-Manager Walker has completed arrangements for a short TO Glee Club trip next week-end.

The club leaves Wednesday and sings in Independence that night, Thursday night in McMinnville, Friday in Silverton and Saturday in DELEGATE Woodburn.

"Considerable interest has been shown in the club, particularly at McMinnville," said Mr. Walker. There they postponed a football game in order to have an open date for the concert.

"Big placards and several different varieties of advertising have been received and will be scattered over Professor Eric W. Allen, head of the vicinities we are going to visit.

Mr. Walker left last night for Portland, where he will spend the first of next week making arrangements for the Thanksgiving game between Multnomah and Oregon.

"Our team has been working hard," Walker stated, "and I confidently expect a good game, although the boys still show the effects of the Washington game."

ENCOURAGE FOOTBALL TEAM FOR COMING GAME

Faculty Members and Alumni Will Give Short Talks. Motschenbacher Urges Hearty Support in Last Meeting.

The closing rally of the football season will be held in Villard Hall, Tuesday night at 7 p. m., as a boost for the team in the Multnomah-Oregon game in Portland, Wednesday, November 27. This announcement was made this morning by Student Body President Vernon Motschenbacher, who urges that the support at this rally equal that of the last, which preceded the Washington-Oregon game. "Some of the students," he said, "seem to think we are having too many rallies. But if we are to have the spirit we should have, it must be steadily encouraged, and not stirred up intermittently, or just as we need it. Such a system will never bring the proper results."

All the football men who have won their "O" this season will be speeches. Also a number of the faculty members, and several alumni will talk a few minutes each, to cheer the team on and to stir up student body enthusiasm.
