EUGENE, OREGON, THURSDAY, DEC. 4, 1913

No. XXIX.

CLUB GAMES START TODAY

KAPPA SIGMA AND SIGMA CHI MEET IN INITIAL BASKET-BALL CONTEST

SCHEDULE IS NOW ARRANGED

Five Games Listed for Preliminary Series and as Many for Elimination. Twelve Minute Halves Will Be Played.

The Doughnut League has started. The first games of the season are being played this afternoon, Kappa Sigma and Sigma Chi staging the curtain raiser at 4 o'clock and Delta Tau Delta and Phi Delta Theta mixing immediately after the opening struggle. All four houses claim championship teams, although the line-ups will not be given out until the referee's whistle blows.

One or two games will be played every day this week.

The practice series will be played this week and the eliminating series will come the first part of next week with the final series coming Friday and Saturday, although it has not been decided as yet, and will not be until the next meeting of the interfraternity committee next Wednesday.

The schedule for the preliminary series is as follows:

Thursday, 4 p. m., Kappa Sigma vs. Sigma Chi; 5 p. m., Delta Tau Delta vs. Phi Delta Theta.

Friday, 5 p. m., Alpha Tau Omega vs. Dormitory Club.

Saturday, 2:30 p. m., Oregon Club vs. Phi Gamma Delta; 3:30 p. m., Avaya Club vs. Sigma Nu.

The schedule for the eliminating series is as follows:

Monday, 4 p. m., Kappa Sigma vs. Sigma Nu; 5 p. m., Sigma Chi vs. Delta Tau Delta.

Tuesday, 4 p. m., Phi Delta Theta vs. Alpha Tau Omega; 5 p. m., Dormitory Club vs. Oregon Club.

Wednesday, 4 p. m., Phi Gamma Delta vs. Avaya Club.

At the last meeting of the interfraternity council it was decided to have the length of the halves 12 minutes. It was also decided that there should be another drawing to pick the opponents for the finals and to arrange the schedule. As there will be five teams left for the finals it was found necessary to have one team draw a bye and thus have three games in the finals. A committee of three was appointed to look after the games and see that they were played on time. This committee is composed of Willard Shaver, chairman; Tom Boylen and Sam Lyons.

The council requests that all teams hand in the names of their captains so they may be assured of notification before the games.

All teams are warned to be on the floor at the scheduled time. According to a league ruling a club forfeits the game when the team scheduled to play is not on the floor within fifteen minutes of the time for the game to start.

PROF. YOUNG IS APPOINTED

Governor Names Him on Commission to Draft Registration Laws.

Professor F. G. Young has been named by Governor West as a member of a commission to draft and prepare for submission to the people a new registration law in view of the fact that the supreme court has knocked out the recently enacted law. The other members of the commission are as follows: Frank F. Collier, attorney, Portland; Claude C. McCollum, attorney, Bak-

EIGHT MEN WILL ATTEND CONFERENCE AT SALEM

Y. M. C. A. Delegates Leave Tomorrow for Annual Meeting

Eight students have said they would represent the University at the Religious Leadership Conference at Salem tomorrow and Saturday, but it is hoped that this number will be increased to at least twelve. Heretofore Oregon has had the largest delegation but with O. A. C. sending between twenty and twenty-five men this year it looks as if the honors would go to that institution.

The Oregon representatives will leave tomorrow at 11:15 a. m. They are: John Black, Peter C. Crockett, Ben Schmidt, Roy Stephens, Hermon Gilfilen, Paul Chesebro, Carlyle Geisler and Charles W. Koyl.

JUNIORS PLAN MASQUE DANCE FOR MARCH 7

Class Hears Oregon and Treasurer Reports. Basketball Discussed

Basketball, finances, The Oregon class hour and the Masque dance were the subjects considered at the Junior class meeting Wednesday morning. At exactly ten o'clock President Jerard called to order some seventy of his noble and loyal cohorts, there assembled. Thomas Boylen, by an unanimous vote, was elected as basketball manager for the class. In response to a demand for a speech, Boylen gave a short talk on the class's basketball prospects for this year. Treasurer Ralston gave his usual hard luck report on the condition of the class's finances. He reported that the class had a small balance on hand.

Ben Dorris, manager of The Oregon, urged that all the class get "behind the book" and "come through the Rye with their subscriptions."

President Jerard announced that the Class Hour committee composed of James Donald, chairman; Helen Werlein, Gertrude Buell, Velma Sexton, Clark Bergard, Thornton Howard and Fred Hardesty would soon make arrangements for the class hour in the middle of January.

The Juniors are making preparations to give an informal masque dance, to be held March 7. It is the intention of the class to make this dance an annual affair. "From time immemorial, it has been a crying need," says President Jerard, "and the Juniors are going to supply this need." Two prizes will be awarded by a committee of judges composed of prominent Faculty members and "Campus Heads;" one to the person having the most beautiful costume and one to the person wearing the funniest. The whole student body will be invited to attend.

After the meeting all the men intending to try out for the class basketball remained for a few minutes and discussed "Ways and Means" for capturing the championship. Buck Bigbee was elected as captain.

er; Prof. J. B. V. Butler, normal school, Monmouth; Mrs. Jas. B. Kerr, woman's clubs, Portland; Ed. Wright, county clerk, La Grande; S. A. Koser, secretary of state's office, Salem; Charles Erskine Wood, attorney, Portland; W. L. Marks, county clerk, Albany; Dr. W. G. Dubach, O. A. C., Corvallis; Mrs. Sarah A. Evans, women's clubs, Portland.

Walter Bailey, '12, is now principal of the high school at San Isidro, Philippine Islands, where he has been since his graduation from the University. He has charge of a teaching force of fourteen members.

The first year class in journalism at the University of Louisiana published the college paper recently.

GLEE CONCERT BASKETBALL COMES DEC. 12 STOCK IS HIGH

ANNUAL SHOW PROMISES WITH LAST YEAR'S TEAM IN BETTER THAN USUAL TACT, CHANCES LOOK THIS YEAR GOOD

STUNTS WILL HELP ENTERTAIN BEZDECK WILL COACH SQUAD

After Tour During Thanksgiving, Club Is Working to Remedy Defects Discovered on Trip.

The Eugene people and students will be given an opportunity of hearing the University of Oregon Glee Club in concert at the Eugene theatre Friday, December 12, is the announcement of Prof. Ralph Lyman, director of the Club. Since returning from the Thanksgiving trip the members of the club have been busy rehearsing and perfecting their work. The year's club is considered one of the strongest in the history of the University, according to musical critics in the University. In addition to the regular Oregon songs many songs will be introduced which have not been heard in Eugene before.

There are 26 men in this year's club.

The Glee Club stunts, "Oldtime Vaudeville," by Shaver and Cowden; "Caught with the Goods," by Jerard and Batley, and the Xylophone solo by Apperson were well received on the recent trip and are expected to score a hit with the local audience. The solo work of Albert Gillette has received many flattering comments by those who have heard the club this year.

TANK TESTED SATURDAY

Additional Fund May be Appropriated for the Tile Border.

Finishing work on the swimming tank will delay the opening until the first part of next week. It has not been definitely decided on what day that will be. The whole inside of the tank room is being painted a clean white and another pair of doors are being made connecting it with the locker room.

Water will be let into the tank on Saturday as a test.

The board of Regents will inspect it before that time and will decide whether an additional fund will be al-

Bert Jerard and Merwin Batley in their clever stunt, "Caught With the Goods," a prominent feature of the University Glee Club concert, which will be given at Eugene theatre, Friday, Dec. 12.

PROGRAM ENLIVENS FRESHMAN MEETING

Monthly Class Hour Given Over to Entertainment by the Students

The Freshmen yesterday morning at ten in Villard held the first of their series of preliminary class hours, the purpose of which is to discover the talent and ability in the class for the big class hour next spring.

The program was as follows:

Vocal Solo.....Miss Zella Knox

Chalk Talk.....Milton A. Stoddard

Piano Solo.....Sherman Pobst

Reading.....Miss Emma Wootton

The Freshmen will have the ten

'o'clock hour on the first Monday of

every month for their preliminary

program hereafter until the class

hour proper.

WOMEN'S MIXER PLANNED FOR TOMORROW EVENING

Basket-ball Games, Pantomimes, Singing and Games to Be Features

Oh ye women of the University of Oregon. Come one, come all to the Mixer on Friday night at 7:30 sharp in the Men's Gymnasium. Come and prove by your presence and enthusiasm that the "Oregon Spirit" is not dead but just as much alive as ever.

It is yet a little early to get a line

on the material as there are several

games coming which may reveal some

good material which has not yet

come to the notice of the coach.

There is to be series of games to be

played between the fraternities and

one between the classes. There is a

likelihood that these series will re-

veal some men who are of varsity

caliber who have not quite the crust

to get out for the first team.

In basketball as in any other sport it is not the first team that wins the games alone. They could

not win them if there were not a

number of men out and playing hard

every night against them to give them

practice. Captain Fenton would like

to see all men who have played bas-

ketball at all out in suits to help the

first team along and land a champion-

ship for Oregon this year.

lowed for tiling the floor around the tank. Professor Carl McClain, who designed the pool stated yesterday that he considered that it would be a wise investment as the Multnomah tank in Portland is equipped with a surrounded tile floor which has been very satisfactory. It is estimated that the cost will be about \$500.

The first game of the series occurs on January 13, 1914, between the teams of the Delta and Beth Rhea.

On January 14 Theta meets Delta Gamma and on January 15 the two winning teams play. On the 16th of the month the winning team plays the girls of the Oregon Club.

One failure serves to eliminate a team from the league.

The games are looked forward to with much interest on the part of the girls, for there is some good basketball material which as yet has not been developed.

GALE SEAMAN IS IN EUGENE

Coast Y. M. C. A. Secretary Confined to Room With Poison Oak.

Gale Seaman, coast student secretary of the Y. M. C. A. on the international committee, came in last Saturday from Los Angeles to boost the Religious Leadership Conference along that is to be held in Salem Friday and Saturday of this week. He was suffering from a case of poison oak and is still confined to his room at the city Y. M. C. A.

Roy Curry, ex-'15, is now business manager of the San Leandro Standard at San Leandro, California.

SCEDULED TO BE ARRANGED

MANAGERS OF NORTHWEST CONFERENCE TEAMS TO MEET DEC. 5, 6

MANY QUESTIONS TO DECIDE

Besides Planning Basket-ball and Baseball Games, Track Matters Will Be Discussed by Representatives.

Graduate-Manager Dean Walker leaves tonight for Portland where he will attend the Northwestern Inter-collegiate Conference of Managers which will be held at the Oregon hotel December 5 and 6.

Each college in the conference will have a representative there and they will be Ralph Horr, of Washington; G. L. Larsen, of Idaho; J. R. Bender, of Washington State; Archie Hahn, of Whitman; E. J. Stewart, of Corvallis, and Dean Walker, of Oregon.

This conference is the regular meeting of the managers which is held by them for the purpose of making out schedules and attending to other matters which concern the members of the conference.

"However, this conference does not have any power to admit another institution to the conference or make any changes in the rules," said Walker today at his office. "That is all taken care of at the annual conference held next year. We meet principally for the purpose of making schedules.

Many Questions to Decide.

"The main questions which will come up at this meeting in Portland are: Where the annual conference track meet is to be held; shall number of men on teams be increased from 7 to 9; shall there be held an annual tennis tournament; shall the 35-pound weight be included in track meets; shall an annual cross-country meet be held; shall an annual wrestling meet be held (tournament); shall a better scheme for adopting officials for the games be adopted; shall the division of the basketball schedule made last year remain the same and shall a like division of baseball be made.

"I cannot give much light on some of these questions as I do not know how many of the other managers feel concerning them. It is probable that the 35-pound weight will be added to the track meets because at the present time there are no events which give the heavy men a chance to participate in the meets.

May Change Official System.

"I think it probable that a new scheme for adopting officials for the games will be made. So much trouble was encountered this year that I think it probable that a change will be desired all around. However, if a change is made three sets of officials will have to be made so that when more than one conference game is staged on the same day there will not be a limited number of officials. I think that this matter will be adjusted to suit the various managers.

"The division of the basketball schedule will in all probabilities be fought by certain of the managers since the colleges east of the mountains are not satisfied with the arrangement I understand. I think it likely, however, that the division or another will be made at any rate. It is also probable that a division in the baseball schedule will be made. Some such a plan will be welcomed by us as trips planned for the baseball team would interfere with the conference schedule in case these trips are made.

47 states and 31 nations are represented in the student body at Cornell.
