## 12 MEN WILL GET LETTERS

**CEREMONY TAKES PLACE  
AT TOMORROW'S  
ASSEMBLY**

### SENIORS CHOOSE BLANKETS

Amendment to Constitution  
Providing for Stripes or  
Stars to Designate Number  
of Years Has Been Proposed.

At 10 o'clock Wednesday morning, during the regular assembly hour, the students of the University of Oregon will have an opportunity to witness one of the most impressive of Oregon's ceremonies, held annually in honor of the men who have fought and struggled on the football field for their Alma Mater—the awarding of the football letters to the men who have earned them.

Twelve loyal Oregon students will stand up before the assembled student body and will receive the rewards for which they spent hours after hours of hard work in the rain and the cold and the darkness.

This ceremony takes place annually at Oregon in recognition of the spirit, bravery and grit that these men have displayed on the gridiron in many hard struggles against opposing teams. But it was not the games which took the "real stuff," it was the hours put in day after day and night after night, when it was necessary to use a ball covered with white paint in order to distinguish it in the darkness. When the coach could hardly see to follow the team and when he could only be located by the swish swash he made as he plowed around through the mud.

Several short speeches in honor of the occasion, including the presentation by President Motschenbacher of the student body and short speeches by President Campbell and Coach Bezdek, will be made.

At this time also the Girl's Choral Club will sing for the first time in public Oregon's official Alma Mater song.

The men who will receive their letters are: Caulfield, Holden, Fenton, Hall, Cook, Bradshaw, Beckett, Wiest, Cornell, Bryant, Malarkey and Parsons. Three of the men, Fenton, Hall and Bradshaw have chosen blankets since they are seniors and these will be presented to them later.

An amendment to the constitution is to be presented also which will provide for service stripes or stars to be placed on the blankets to designate the number of years that the receiver has made the team.

### 110 OUT OF 171 STUDENTS IN MUSIC TAKE PIANO

Growth of Department Cramped  
by Lack of Room. Bi-Weekly  
Recitals Held in Villard

One hundred and ten out of one hundred and seventy-one students who have registered in the University School of Music are registered in the Piano Department.

"The sudden growth of this department," said Professor R. H. Lyman, head of the University School of Music, "necessitates more room and better facilities.

"We need more pianos and practice rooms. We have twelve teachers but only five rooms for their use. This lack of accommodation has forced three of our teachers to turn their private homes into studios. Neither are we able to supply practice rooms for our students."

Bi-weekly recitals are being given in Villard Hall by the music students, to which students and friends of the University are invited.

## ENTRIES FOR TOURNAMENT MUST BE IN BY MARCH 10

Golf Players Will Have Chance  
to Win Prizes in Handicap  
Matches

The entries for the University golf tournament which is to be held exclusively for students will close on March 10.

This tournament has been arranged for University students alone and two silver loving cups have been offered for the winners of the series. The entries will be handicapped so that all will have a fair chance to win the prizes. One of the cups is offered to the men and one to the women.

Those desiring to enter this tournament will hand their names accompanied by fifty cents to Registrar Tiffany who is handling this end. Also with the name the lowest score and the average score must be given to the Registrar.

It is the hopes of Hugo Bezdek to create sufficient interest in golf at the University to later form a golf team which will then meet teams from the outside and will likely make several trips.

### LIBRARIAN SAVES MONEY BY USING PARCEL POST

Old Book Rate, However, of  
Eight Cents, Is Cheaper for  
Books Under 4 Pounds

A recent ruling of the Postoffice Department, which places packages of books, weighing over four pounds, under the Parcel's Post classification will prove to be of great use in the University library, according to M. H. Douglass, librarian.

"It is a great saving when we are sending packages of books to nearby towns," declares Mr. Douglass, "and it will be especially useful to people who live out of town and borrow library books.

"Packages, weighing under four pounds, are still subject to the old rate of eight cents per pound, or fraction of a pound, while the rate for a parcels post package is nine cents. The other day I sent a package of books to Portland. It cost me nine cents, where it would have formerly cost 32 cents.

"This rule only holds, however, for nearby places, for as the distance increases, the parcels post rates are increased also."

Elizabeth Freeman Fox, Y. W. C. A. Student Secretary of the Northwest, will arrive in Eugene this afternoon from her home in Seattle.

## U. WRESTLERS GET MORE TIME

MEET WITH M. A. A. C. OFF;  
NO MATCH TILL FINALS  
MARCH 20 AND 21

### EXTRA PRACTICE IS NEEDED

Squad Has Little Experience  
But the 20 or 25 Men in It  
Are in Good Condition, Says  
Instructor Shockley.

Negotiations between Graduate-Manager Walker and the Multnomah Club for a preliminary wrestling match before the conference meet have fallen through. It is not probable a match will be held before the final on March 20 and 21 at the Multnomah Club.

"The Multnomah Club wanted to meet us March 7, but on account of other attractions we could not hold the meet," said Mr. Walker yesterday. "They could not accept March 5, but could come on the 6th; the Junior dance that night, however, will prevent our meeting them. I would offer to meet them on some afternoon, but I do not think that we could clear expenses."

The wrestling squad is in good condition, according to Coach Shockley, who thinks that the men will make a favorable showing against the other teams in the conference meet. However, this is the first year of wrestling at Oregon and the men have little experience. It is impossible to tell what they will do before a crowd. In practice they may make good, but I have seen such men go into meets and lose out so quickly that they did not know what was happening. I believe our men will compare with the other teams. I should like to see a preliminary match scheduled. This would give them practice, which would help them.

Between 20 and 25 men are turning out regularly and some good material is being developed by Shockley.

Bound volumes of the New York Times, dating from August to December of 1913, have been received by M. H. Douglass, at the University library.

Alpha Tau Omega announced a new pledge in John Telford of Oregon City.

Forty students have enrolled in the new Department of Journalism at Boston University.
