

CHARLES KOYL GIVES TROPHY

SILVER CUP TO BE AWARDED TO THE BEST JUNIOR

Rules, Regulating Decision, Are Based on Qualifications of Real Manhood and Leadership. Winner Holds for Year.

(By Millar McGilchrist)

"To the student attaining the highest standards by the end of his Junior year," is the inscription on the loving cup to be presented by Charles Koyl to the best all-round Junior each year.

The cup is to be known as the Koyl cup, and is to be presented dur-

Charles Koyl

ing commencement week of this and each succeeding year. A faculty committee composed of Prof. E. E. De Cou, Dr. John Straub, Dr. Jos. Schafer and Prof. Carl McClaine and Charles Koyl are to pick out the Junior who has the highest standard as to character, personality, scholarship, physique and sociability. The man is to be chosen on the basis of all round development.

If, in the opinion of the judges, or decision committee, no man stands out above the rest, the cup will not be presented for that year. In case of a close race between two or more men the qualifications will be made more rigid and a more detailed study made of the particular men.

Charles Koyl said in regard to the plan: "It is not to reward a man having character or high standards in scholarship, but to shift the burden of emphasis on to those things which make for leadership and real manhood, and to inject into under-classes a greater desire and zeal to really achieve results in attaining characteristics of an all-round manhood and capable leadership."

Charles Koyl has had the idea in mind for over a year, but he has been unable to make any decision regarding it before. He conceived the idea from the fact that cups are given away for many other things, and that Princeton has lately erected a monument and dedicated it to "all-round manhood in body, mind and spirit." The Princeton statute bears the inscription, "The Student Christian."

The following are the rules governing this trophy:

First—The receiver must be a Junior. All men in the Junior Class will be considered by the judges except students who have not been here the full three years in the university.

Second—Receiver will have his name engraved on the cup and will be entitled to retain it during his Senior year.

It has been planned to have President Campbell present the cup, the presentation to take place on the evening of Junior orations during commencement week.

The silver cup has already been purchased and will be on display at the Book Exchange next Monday.

Howard Zimmerman, a member of last year's championship debating team, is studying law at Stanford.

Thomas R. Townsend, '09, a former editor of the Oregon Weekly, is located in Salem.

Karl W. Onthank, Editor of the Emerald last year, is principal of the Hood River High school.

Walter Doble, ex-14, is attending the University of Wisconsin.

NORTHWEST SECRETARY TO INSTALL OFFICERS

President-Elect Appoints Cabinet Heads for the Year

Miss Elizabeth Fox, northwest secretary of the Student Young Women's Christian Association, is now in Eugene, and will install the incoming officers of the Y. W. C. A. Monday afternoon. She will leave later on in the evening for Portland.

The officers to be installed at Monday's meeting at the Bungalow are Jewell Tozier, president; Katharine Bridges, vice-president; Carolyn Koyl, secretary, and Jennie Huggins, treasurer. The retiring officers are Ruth Beach, president; Maud Mastick, secretary, and Barbara Booth, treasurer.

Jewell Tozier, the president-elect, has appointed the following cabinet members for the coming year: Social, Rita Fraley, chairman; intercollegiate, Charlotte Sears; finance, Jennie Huggins; membership, Katharine Bridges, and social service, Marjorie Cogswell. The heads of the publicity, missionary and Bible committees have not yet been selected.

Mrs. E. F. Fletcher, the general secretary of the Y. W. C. A., in speaking of the prospects for the coming year, said: "The outlook for a successful year are very bright, indeed. For the most part, the girls are very enthusiastic and show a willingness to work. Before long we hope to have a piano, which will be a very desirable addition."

"Although the membership in the association has not shown a very material increase over that of last year, at the present time almost half of the girls in the university belong to the Y. W. C. A."

The number of members is now 134, while the number of women enrolled in the university is 280.

Y. M. C. A. MEMBERSHIP INCLUDES 4 FOREIGNERS

Increase in Enrollment Was Forty-five During Year of 1913.

(By Otto Heider)

Four foreign nations and every one of the men's fraternities in college are represented among the 215 members who belong to the University Y. M. C. A.

In the foreign membership, the Japanese lead with four members, while Greece, Ceylon and China are each represented by one. In the fraternity membership, Beta Theta Pi heads the list with 18 members and Delta Tau Delta is next in line with 11.

During the past year the membership has increased from 170 in 1912 to 215 at the present time. Of the total male enrollment in the univer-

Y. M. C. A. COSTS \$2,300 YEARLY

OUTSIDERS GIVE \$1640 STUDENTS FURNISH THE REMAINDER

MEMBERSHIP DUES LARGE

Receipts From Subscriptions Are Smaller This Year Than Last. All Funds Are Used for Local Betterment.

It costs \$2,300 to conduct the business of the University Young Men's Christian Association during one school year. Eugene friends, the faculty and friends of the university all over the state give the association five-sevenths of the total amount and two-sevenths is all that the students are expected to raise.

"If the friends of the students outside this institution are sufficiently interested in our welfare to give the association \$1,640 this year," says Walter Dimm of the finance committee, "the students should be sufficiently interested in themselves to raise \$660 to carry on their work."

There are three sources from which the Y. M. C. A. receives student aid. They are the membership dues, voluntary subscriptions and profits from the Hershey candy case. There is only one of these sources that is up to last year's standard, and that is the membership dues. Last year the student subscriptions amounted to \$235. But \$140 is all that has been received for the work during the present term." The Aava Club heads the list of fraternity gifts with \$16.50; Dormitory, \$15.50; Delta Tau Delta, \$11.00; Beta Theta

sity, 58 per cent are members of the Y. M. C. A., as against 50 per cent at this time last year. The total number of college men is 368.

The non-fraternity men have 140 members, while the fraternity representation is 75. When the association was established in 1892, the membership numbered five and in 1904 there were 45 enrolled.

Among the prominent Oregon students who have been members of the association and who have served on the cabinet are Student-Body Presidents Percy Collier, Carleton Spencer and Vernon Motschenbacher; the manager of The Emerald, Andrew Collier; the president of last year's Senior Class, Edward F. Bailey, and Howard Zimmerman, inter-collegiate orator and debater.

The membership committee consists of Otto Heider, chairman; Max Reigard, George Relfel and Dean Crowell.

60 AVERAGE ATTENDANCE

"First Aid to the Injured" Lectures to Be Given This Semester.

(By David Glass)

An average of 60 men have attended the regular meetings of the Y. M. C. A. during the semester just closed, according to figures recently compiled. The largest number present at any single meeting was 250 men in Villard Hall October 23. The smallest number attending any one of the 14 meetings was 17. Last year's average attendance was 25, showing a gain of 35 this year.

This year the social service lectures on sex hygiene have been held in connection with the regular Y. M. C. A. meetings. The same policy will be continued this semester in regard to lectures on "First Aid to the Injured," which began February 25 with a lecture by Hugo Bezdek.

Prof. Dunn, Senator R. A. Booth and Kenneth D. Latourette have addressed the association this year.

The members of the meeting committee are: David Glass, Emmett Rathbun, Herman, Gilfen, Lee Bostwick, Frank Campbell, Robert Langley and Hugh Watkins.

Pi, \$8; Alpha Tau Omega, \$8; Phi Gamma Delta, \$6.50; Sigma Chi, \$5.50; Kappa Sigma, \$5.00; Phi Delta Theta, \$3.50. The men outside of fraternities have given \$70.50.

Every cent of the annual budget is spent among the students on the campus for their own benefit. When money is given to the association it is not giving it away to charity, where it will never be heard of again, but it is added to a great force for the aid of the student that gives it.

The members of the finance committee are Walter Dimm, treasurer; Floyd Galloway, Walter Church, Anthony Jaureguy and Harmon Northrop.

Walter Fisher, who graduated last year, is the city editor of the Roseburg Review.

Walter S. Hodge is the deputy County Surveyor of Coos county. His address is Coquille, Oregon.

EUGENE LAWYER ENROLLS AS STUDENT IN VARSITY

E. A. Bennett Registers in the Department of Economics This Semester.

"I am rather late in finishing my education," said E. A. Bennett of Eugene, Oregon's new 49-year-old student today, "because I have had to work my own way since I was 10 years old and because I have never been afraid to change when I felt a change would better me."

Mr. Bennett entered the University of Oregon this semester, and is registered as a student in the Department of Economics.

Mr. Bennett comes from Washington, where he has been engaged in the practice of law, having been admitted to the bar of that state in 1903. Mr. Bennett matriculated in the University of Washington in 1908 and will be granted advance standing here.

Mr. Bennett's early education was obtained in a Baptist seminary and normal school in Iowa, where his father emigrated from Wisconsin in 1864, the year of Mr. Bennett's birth. He taught school in cities of Iowa, and after hearing a famous attorney make a plea in Des Moines, Iowa, decided to study law, and took up the work at night, preparing his law studies after his day teaching in the Des Moines schools.

"Eugene is the prettiest town I've seen in the west," said Mr. Bennett, "that is the reason I chose to come here. I plan to finish my arts course, and if the faculty will permit me, I also intend to do a little work this spring at the Oregon Normal School in order to get my degree."

\$150 SCHOLARSHIP TO BE GIVEN AWAY BY ALUMNAE

Mary Spiller Prize Has Been Won by Ethelwynn Boydell for Past Two Years.

The Mary Spiller scholarship, consisting of \$150, will be given in June, for the best scholarship of any graduate of an accredited high school in the state. The prize was just established in 1912. So far this

year no applications have been made.

The prize consists of the payment of board and room accommodations at Mary Spiller's Hall for one year, and is given by the State Association of the University Alumnae.

Miss Ethelwynn Boydell has been awarded the prize for the past two years.
