and Stuller were out Wednesday while Old Sol permitted and if the weather makes it possible, outside work will commence immediately, but if it does not, the jumpers, hurdlers and weight men will work out daily in the gym. McConnell, Pack, Holt, Payne and Loucks having been doing cross-country for a few weeks to put themselves in condition for the inter-class meet May 7. The try-out will be held February 28.

The old men back are: Parsons, broad jump; Cook, shot and javelin; Boylen, 440 and 220; Fee, pole vault and high jump; McConnell, 440; Heidrich, weights; Stuller, high jump; Pack, two-mile and Holt two-mile.

The new men of whom Bill expects results are: Payne, 1 mile; Langley, 2 mile; Telford, javelin and broad jump; Hamstreet, sprints; Loucks, 440 and high jump, and Nelson, 440 and 880.

There are a number of others who will go out, but those named appear at this time to be the more promising to the coach. They are all men who have made records in high

school or at other colleges before coming to the university. Telford is a new man this semester from Washington High. He has the American inter-scholastic record in the javelin at 151 feet 2 inches and broad jumps about 20 feet.

The first meet this year comes April 18 with Columbia University. This date is at the end of spring vacation, and the men who enter it will be compelled to remain here and train during the week. On May 2 comes the annual inter-collegiate track meet at Berkeley, Cal., in which Hayward expects to enter several men.

work. On this list are three names. The men listed on the roll of honor are: Captain Bradshaw, Elmer Hall, Sam Cook, Leo Malarkey, Wallace Caulfield, Alva Grout, J. P. Brown, J. F. Jones, James Cossman, Anson Cornell, Paul Hendricks, H. Normandin, W. P. Holt and Robert McCornack.

The secondary roll consists of Johnny Parsons, Dean Crowell and Glenn Dudley. The remainder of the football squad who made the required number of hours to remain in college, but who did not come to the above standard, are Beckett, Tuerck, Bryant, Wiest, Garrett, C. Bigbee, Spellman and Ensley.

SOCCER TEAM TO PLAY

Sommer, Reifel and Rosa. Captain Spellman considers the squad at present about equal to the tail-enders in the inter-scholastic league in Portland. About 50 students in all, principally Freshmen, have been out for soccer, some as an equivalent for gym credits, some in an effort to make the team, but the 18 remaining represent about all who have displayed any soccer talent.

expect that there will be a large turnout of new men every year on account of the trips that will be offered," said Brooks. "There will, doubtless, be a trip to Portland, where the team will play the Multnomah Club."

According to Brooks, Oregon has the hardest letter requirements of any team in the conference. The requirements are that the team must win the Northwest conference championship in order that the men on the team shall be given emblems. In all the other colleges the only requirement is that the team shall win a single match. Brooks stated that he thought some change would doubtless be made.

The Freshman tournament will be started as soon as the weather shows any signs of breaking up. The Laraway cup is given to the winner of this tournament.

line-up, which broke up to a certain extent the foundation which had been laid.

A complication has arisen in basketball, which may result in Oregon's not being able to elect a basketball captain for next year. The shifting about of the men and the entrance of new players has kept each of the underclassmen on the underclassmen on the squad from making his letter. Since there are four Seniors on the team who will not be eligible it is doubtful, unless the present series does the deed, whether any of the others will have played the number of halves required to make his letter. If this should be the case, Oregon will start the season next year without a captain.
