### SUMMER SCHOOL HAS ABLE MEN

**DR. AXSEN AND PROF. TURNER WILL BE NOTABLE SPEAKERS**

### TO HOLD EDUCATION WEEK

**Teachers Will Be Given Opportunity to Attend Classes. Dr. Stuart Will Provide Outdoor Training.**

Dr. Stockton Axsen of Princeton University, a brother-in-law of President Wilson, and Prof. Frederick J. Turner of the Department of History of Harvard University, will be the most prominent men at the University of Oregon summer school, to be held June 29 to August 4.

Dr. Axsen is not new to the university, as he lectured at last year's session in connection with the English Literature Department. His lectures this year will be upon "Shakespeare and British Poets."

Prof. Turner comes to Oregon with the reputation of being one of the greatest of living American historians. He is a former president of the American Historical Society, and for many years was head of the Department of History at the University of Wisconsin. Dr. Joseph Schafer, professor of history at Oregon, was a student of Prof. Turner while the latter was a member of the Wisconsin faculty. Dr. Schafer has charge of the summer school, and it was mainly through his efforts that the Harvard historian was induced to come to Oregon. Prof. Turner will lecture during the last week of summer school on the subject, "Aspects of Western History."

Another eastern professor will be in the person of Dr. A. A. Burlingame of Tufts College. He will give a course in Christian ethics.

Dr. H. D. Sheldon, formerly a member of the university faculty, but at present a professor at Pittsburg University, is also scheduled for a series of lectures to be given under the Department of Education.

"School Administration" will be the subject of a number of lectures by Superintendent of Public Instruction Churchill and L. R. Alderman, superintendent of the Portland schools. Dr. George Rebec will offer courses in educational psychology, and Dr. Clifton F. Hodge will offer courses in civic and social biology.

A course in library instruction for teachers will be given by Librarian M. H. Douglass. The various library systems will be explained, particularly the Dewey decimal system that is now being used in the University Library.

Besides these special courses, there will be the usual summer school courses offered by the different university departments.

One of the features of the summer session will be a conference of ministers from July 13 to 17, inclusive. Dr. John H. Boyd, pastor of the Presbyterian church of Portland, is in charge of the conference arrangements. Ministers of every denomination throughout the state will be invited.

During the third week an educational conference will be held. This conference will be mainly for the benefit of teachers that attend summer school.

The number of credits allowed for summer school this year will be six instead of seven, as was the case last

### GERMAN COMEDY WILL BE PRODUCED BY STUDENTS

Play Will Be for the Benefit of Societies Visiting Here in June.

The German Department of the university will stage the German comedy, "They Announce Their Engagement," in one act, on the campus sometime during June, when the 35 German societies of Oregon will hold their annual convention here. The play was written by Wichert.

For the benefit of the visitors, nothing but German will be spoken by the actors. Dr. Schmidt, head of the department, said today, in speaking of the play: "The purpose of this work is to give the students a practical knowledge of the language, as well as an insight to foreign plays. Two years ago we staged the comedy, 'One Must Get Married,' and the results were very successful." Prof. O'Donnell, Prof. Reddie and Dr. Schmidt will coach the play.

The leading part, Mrs. Gumbach, will be assumed by Beulah Stebno, who has a thorough knowledge of German. Miss Stebno is the only person of direct German descent who will take part in the play. The other characters will be rendered by Effie Rhodes, Jeanette Wheatley, Echo Zahl, Walter Dimm and Sherman Pobst.

Dr. Schmidt says that if weather permits, the play will be produced outside on the campus; otherwise, it will be staged in Villard or the gymnasium. The time required for the comedy is 30 minutes.

This is the fourth play to be acted out by the students of the German Department.

### ADVERTISING EXPENSES ARE CUT TO MINIMUM

Posters Are Principal Means of Gaining the Publicity Desired

Posters, circulars, schedule cards, newspaper writeups, general announcements and the telephone afford the means by which the University Y. M. C. A. carries on its publicity operations. So far this year, the greater part of the work has been done through posters, drawn by Milton Stoddard, Sam Fujimaki and Joe Tominaga. Only \$25 has been spent so far for printing. Advertising by means of posters has been found to be the most

effective, according to Carlyle Geisler, chairman of the publicity committee.

The work of the Publicity Department is to inform the fraternities and clubs of each week's lectures, and to do personal advertising. Geisler, in speaking of the work this year, said:

"We have done less paid advertising than before, but have carried on a more extensive personal campaign among the students. We request that all men of the university watch the bulletin boards and the announcements in The Emerald for notices of the lectures given by the Y. M. C. A. each week. It is impossible to reach every student, and in the past many have missed the best lectures because they have failed to notice the announcements."

The members of the publicity committee are Carlyle Geisler, chairman; Joe Tominaga, Sam Fujimaki, Milton Stoddard, Lamar Tooze and John Wells.

Eight students left last night for Cottage Grove on the first trip of the year, to be held under the Extension Department of the Y. M. C. A. The students will hold nightly meetings for the special benefit of the younger fellows of the town, and will explain to them the religious side of college life.

### EMERALD EDITOR SAYS WIRE WILL NOT BE USED

Fowler Believes Eugene Is Too Small to Warrant United Press Service

"At present it would not be advisable to use leased wire service for The Emerald," said Editor Henry Fowler today, in speaking of the recent proposal made by the United Press to give The Emerald telegraphic news service. "At present the size of Eugene is not large enough to

warrant the publication of a college paper oftener than three times a week. If we had the press service it would be necessary, in order to cover all the local, as well as outside news, to publish the paper daily.

"Furthermore, the additional expense that would be involved in putting out a daily paper could not be met by the local advertisers. Also, the Eugene papers now cover outside news, and there would be a duplication in many cases."

The United Press agreed to furnish telegraphic service to The Emerald free of charge, provided that it would not compete with the regular papers who pay for their news.

### 8 MEN AT COTTAGE GROVE

Students Will Hold Meetings for Young Men.

The men who made the trip are Charles Koyl, Walter Dimm, Herbert Lombard, Bert Schmidt, Harold Humbert, Clarence Maurer, Sherman Pobst, Vernon Motschenbacher and Erle Lane.

The Extension Department now has a Bible class organized in the Eugene High School. The members of the committee in charge of the work are: Lamar Tooze, chairman; Victor Holt, Walter Brenton, Charles Collier and Sherman Pobst.

Ruth Duniway, '12, is living at Athena, Oregon.
