

DEBATE TEAMS MEET FRIDAY

RESPONSIBILITY FOR NATIONAL BUDGET IS QUESTION

ONE TEAM GOES TO SEATTLE

Affirmative Side Taken by Oregon Here—Second Team Has Negative Against University of Washington.

The University of Oregon Debating team will meet the Stanford representatives in their fourth annual contest here, tomorrow evening, at eight o'clock, in Villard Hall.

The question to be discussed is "Resolved, That the Executive Department should be made responsible for the National Budget."

Fred Hardesty and Victor Morris, both members of the Junior class, will uphold the affirmative for Oregon. The names of the Stanford representatives have not been received.

On the same night in Seattle, a second Oregon team will debate with representatives of the University of Washington, on the same subject. This team, which consists of Bert Lombard and Dal King will have the negative.

Words Are Defined.

"A definition of the word 'responsible,' as stated in the question, might be of interest," said R. W. Prescott, debate coach, yesterday. "It is agreed that the term 'responsible,' within the meaning of this resolution, shall be interpreted as laying upon the Executive the duty of introducing the budget into Congress, the right being reserved to Congress to amend by reducing items only."

"Dal King is the only man on the team who has had previous experience," declared Mr. Prescott, "however, we hope to overcome the handicap of inexperienced speakers. The boys have worked hard and all those present on Friday night will hear an excellent debate."

Judges Are Chosen.

Judges for the debate are to be chosen by John C. Veatch, of Portland, acting for Oregon, and F. H. Hilton, also of Portland, acting for Stanford. These men are graduates of the college which they are representing.

Oregon has been a member of the Interstate Triangular Debating League for three years, and last year won the coast championship by defeating both Washington and Stanford, which had, in turn, defeated their opponents. Also three years ago Oregon was champion but the year before last both debates were lost.

An annual debate has been held with Utah for six years, each side carrying away the winning laurels three times.

MISS TURNEY CONTRIBUTES TO TEACHERS' MONTHLY

Dr. Clark and Dr. Hodge Also Have Articles in This Month's Issue

Miss Ida V. Turney has an article on "English in Elementary Schools" in the current number of the Oregon Teachers' Monthly. Dr. R. C. Clark conducts the usual department on "Oregon Governmental Affairs." Dr. C. F. Hodge, with the co-operation of F. L. Griffin, of O. A. C., continues his state-wide anti-fry campaign. The University Extension Department has several pages supplementary to the recent bulletin on Parent-Teachers' Associations. Numerous other articles fill the pages, and the Monthly complains of too much prosperity in that it has had to leave out many excellent contributions.

UPPER-CLASSMEN WILL UNITE IN SMOKER TONIGHT

Men From Clubs and Fraternities to Discuss Plans for Better Harmony

The upperclassmen of the different clubs and fraternities of the University will meet tonight at 7:30 at the Eugene Commercial club for the purpose of discussing tentative plans for the formation of some sort of a fraternity council at Oregon. The affair tonight will take the form of a smoker according to those in charge.

The subject of a fraternity council is one that has been agitated among the various organizations for several months past, and at the present time it is thought that some definite action may result from a meeting of the upperclassmen of these organizations.

Coach Bezdek will be present at the meeting tonight and will probably give his views on the subject. "The purpose of this smoker tonight is merely of a 'get-together' nature," said Del Stannard today. Allie Grout, Don Rice, Vernon Motschenbacher and Willard Shaver all expressed the same idea. Motschenbacher said, "I think such a meeting is necessary at this time. With the aid of tobacco smoke and cider, a friendly discussion of the whole effect of the present fraternity system at Oregon can be held and any plans for the future can be also discussed."

From this number, three men and two women from the senior class, and two men and one woman from the junior class will be chosen at the election scheduled for tomorrow morning.

HAYWARD LEAVES TO LECTURE

Athletes of Former Years to Have Charge of Track and Field Departments During Trainer's Absence.

(By Everett Saunders)

Gray McConnell, 440, half mile, and relay man of the 1911 and '13 seasons, was elected track captain yesterday afternoon to replace Erce Kay who did not return to college this year. Six of the letter men who elected the captain last spring are here, McClure, Heldenreich, Parsons, Cook, Fee and McConnell. Huggins, Neil, Windnagle and Kay are absent. Of the last four only Windnagle is now in school. He is at Cornell.

McConnell has been a consistent point winner during the two seasons he has been in the University, establishing a new college record in the half mile in 1911, two minutes one-fifth seconds, and winning a large number of points for the Varsity in the various meets of last season.

Trainer Bill Hayward is leaving for another of his lecture tours today. He expects to be absent thirteen days and will visit five or six towns in the Coos Bay territory during the trip. He said this morning that it had not been decided definitely as to which places he would touch. "If you want to find out," he said, "look in the morning paper. It is a good paper."

He divided his track squad into five divisions and is leaving each under the direction of one of his proteges who made good in former days. Walter McClure, 1913 captain and Olympic runner, will direct the distance men. Dr. Eberle Kuykendall will have charge of the sprinters and hurdlers. Dr. Kuykendall is an all-around athlete who worked close to the record in three divisions—hurdles, broad jump and pole vault.

Ben Williams, '12, who holds the Northwest record in the pole vault of twelve feet, two inches, has agreed to coach the vaulters. Sam Cook will have charge of the javelin and shot put and Captain McConnell the 440 aspirants, and Heldenreich the discuss.

As to the track outlook in general Hayward said yesterday that it was more hopeful than at any previous time this season.

BLOWER WILL ADDRESS JOURNALISM CLASSES

Extension Secretary of Pacific University to Be Here April 3.

"Newspaper Contests" will be the topic of George C. Blower, extension secretary of Pacific University, in an address to be given before the journalism classes of the University of Oregon, April 3.

Mr. Blower has managed a score of newspaper subscription contests throughout Pennsylvania and Ohio. Since coming to Oregon he has been associated with the Astorian, Statesman and Oregon City Courier.

"Newspaper Circulation" was the subject dealt with in Mr. Blower's college thesis. He is a graduate of Ohio University, Athens, Ohio, and is national president of Sigma Pi Fraternity.

13 SOCCER PLAYERS TO GO ON PORTLAND TRIP

Will Play Columbia University There Next Saturday Afternoon

A list of the 13 soccer football men chosen for the Portland trip, to play Columbia University, was posted in the gymnasium at 4 o'clock this afternoon, and the men were notified to be at the Oregon Electric depot in time for the 7:35 train Saturday morning. The men who will make the first trip of the soccer squad away from home are these:

Ralston, Campbell, Hendricks, Ampsper, Dinneen, Wilhelm, Boylen, Tuerck, Pearson, Ford, Nelson, Relfel and Spellman (captain).

The team was chosen this morning by Captain Spellman and Mr. Dymont.

The game will begin at 2:15 o'clock Saturday afternoon on Multnomah field. The referee will probably be James H. Mackie, savings teller of the Security bank, who two years ago was Mr. Dymont's partner as a fullback on the Multnomah club eleven. Mackie is strict in his rulings as to personal fouls and the Oregon men are being warned to put away absolutely shoving, holding and tripping tactics, to which some of them are still addicted, and to substitute clean body checking.

Multnomah field is a nearly perfect soccer pitch. It is regulation length and width, and is arched. The only thing needed to insure a fine exhibition on it during dry weather is two good teams.

The Oregon squad will face a harder proposition Saturday than it did last week, and if it succeeds in getting even a tie there will be general satisfaction.

PROF. DUNN WILL GIVE TALK TO JOURNALISTS

"How Modern Cartoonists Are Treating Ancients," to Be Subject

"How Modern Cartoonists Are Treating the Ancients," will be the subject of a lecture which Prof. F. S. Dunn will give in his room, Deady Hall, Friday afternoon at 1 o'clock.

The first and second year journalism classes will meet there instead of their regular places for the hour. The lecture is open to all.

Cartoons by many of the eminent cartoonists of today will be thrown on the screen. A majority of them will be drawings of the ancients such as Caesar, Demosthenes and others. Professor Dunn will speak on the cartoons and will show how the modern cartoonist of today, whose pictures are so much in demand, has used the ancients for his subjects. The lecture will be of a humorous nature as the subject would indicate.

Ben Dorris is in Portland securing advertisements for the Oregonian.

10-1 IS SCORE. JAMISON GETS BEARS' ONLY RUN ON FOUR-PLY SWAT

WELCH, BRYANT AGAINST "U"

Tuerck and Fleming Hold Town Team Practically Hitless. Game Not Sufficient to Give Line on Players.

(By Everett Saunders)

In the first practice game of the season played yesterday afternoon between the Varsity and a team composed of local players, former Oregon stars, and present Varsity material, Coach Bezdek's men piled up a score of 11-1 against their opponents. The game was not what the score indicates except in the third frame when four hits and three errors drove Welch out of the box, and a hit and three passes off Bryant and three errors by his team mates netted Oregon nine runs.

The only run for the "Bears" was acquired in the first inning when Jamison, former Varsity first baseman and now of the Portland Colts, smashed the first ball Tuerck sent him over center field for a home run. The rest of the Bears either fanned the air or hit into the air-tight mitts of their opponents.

Both Welch and Bryant worked well for the Bears except in the fatal third frame. Tuerck and Fleming held the town team hitless except for Jamison's home run. Coach Bezdek changed his players frequently, testing them out in the various positions. However, after the game he said that it had not been sufficient to give him a line on the men.

The lineup:

Bears. Oregon. Kingsley.....C... Motschenbacher Welch, Bryant...P. Tuerck, Fleming Payne.....1B...Fenton, Nelson Newland.....2B... "Buck" Bigbee Brown.....S.S..... Cornell Annunbee MacEwan.....3B.....C. Bigbee Lundquist...R.F..... Wilhelm Ruthbaum.....Fenton Jamison.....C.F..... Billings Hobbs.....L.F..... VanMarter "Buck" Bigbee.
