

ORCHESTRA TO GIVE CONCERT

24 PIECE UNIVERSITY ORGANIZATION LISTED FOR MARCH 27

PROGRAM IS ARRANGED

Classical Numbers Will Predominate. Gillette to Sing Solo During Intermission and Miss Forbes Will Play.

The University Orchestra, consisting of 24 pieces, will give a concert March 27 in Villard Hall. The program includes some of the most beautiful and difficult classical selections known, according to the director, Miss Forbes.

Miss Forbes says that she is greatly satisfied by the work the orchestra is doing.

"They do remarkably good work for an amateur organization," she said. "They play with considerable finish."

The big number of the program will be the "New World Symphony," by Dvorak, a Scandinavian. The melody was Dvorak's impression of the New World. It contains parts of negro melodies. "Pomp and Circumstance," by Sir Edward Elgar, and selections from "La Boheme," will be other big numbers. Albert Gillette will sing and Miss Forbes will play.

"The orchestra plays in perfect harmony," Miss Forbes said this morning. "It masters difficult pieces and there is splendid individual work. The concert a week from Friday will certainly be worth while."

The orchestra consists of George O'Donnell, Mrs. N. Sweet, Minnie Schwarzschild, Irma Vance, Melba Williams and Irene Sullivan, first violin; Meta Goldsmith, Leta Mast, Helen Kust, Ralph Ash, Charles Runyon and Bertram Thomson, second violin; Harry Devereaux, cello; Mr. Gross, double bass; Mr. Masters, French horn; Mr. Livingston, clarinet; French Moore, flute; Mr. Cochran and Floyd Bellman, first and second cornet; Mr. Ruth, timpano; Ruth Davis, pianist, and Miss Winifred Forbes, director.

INTERCLASS HANDBALL CONTESTS ARE STARTED

Elimination Games Are Now Being Staged Every Afternoon.

Twenty men are signed for the interclass handball tournament which began Friday and will continue until the latter part of next week when the finals will be played.

It will be strictly an elimination tournament. Each man will be allowed to play three games, and upon losing two out of the three will be dropped from the list. The elimination will continue until one man is left to represent each class, the Freshman will then play the Sophomores; the Juniors, the Seniors, and the winners of these two games will play the final.

The Seniors started the contests when Casebeer defeated Lane two straight games Friday afternoon by scores of 21 to 11 and 21 to 0.

For the Freshman, Huntington plays Furney; Geary, Parcell. The winners play for a place in the semi-finals.

The Sophomores are represented by only three men; Kuck plays Runquist, and Church plays the winner for a place in the semi-finals.

The Juniors have six men signed; Cossman plays McGilchrist, Dinneen plays Donald and Staiger plays Jerald. The winners of the first two divisions play to meet the winner of the third division for a place in the semi-finals.

The Seniors are also represented by six men; Roberts plays Lyons, Casebeer plays Lane and Larwood plays Early. The winners of the first two divisions play to meet the winner of the last division for a place in the semi-finals.

Professor A. S. Dean of Yale has been elected to the presidency of the University of Hawaii.

Kansas will entertain 500 men from 75 High Schools at a big basketball meeting this month.

MUST PICK 125-POUNDERS FOR 'VARSITY WRESTLING

All Others Chosen. Shockley to Decide Between Martin and Shaffner.

In the wrestling department of the 'Varsity there is the lull which immediately follows the final tryout preceding the meet. With the men who will represent Oregon at the conference meet at the Multnomah Club on March 21, in each division practically decided upon, the unsuccessful contestants have deserted the mat, leaving Director Shockley with his squad thinned down to the minimum.

King has been picked in the 158-pound class; Carl, in the 145; Collier, 135; Fugimaki, 115; Jackson, 108. This leaves only the 125-pound division yet uncertain. For this weight there are two men in the field, Shaffner and Martin. They will be tried out during the early part of next week, probably on Tuesday.

Coach Shockley is well pleased with the condition and the showing of the men, most of whom are new at the game.

John R. Bender, athletic director of the Washington State College and secretary of the Pacific Northwest Intercollegiate conference, in a letter to the athletic directors of the other members of the conference suggested that a leeway of from 2 to 4 pounds be allowed the various wrestlers in the wrestling meet to be staged under the auspices of the Multnomah club on March 20 and 21.

Dow W. Walker, superintendent of the Multnomah club, stated that Bender's suggestion was unseemly and that the conference should adhere strictly to the Amateur Athletic Union rules.

"To allow a leeway of between 2 and 4 pounds at weighing-in time, 6 o'clock, would mean that a 115 pounder would weigh close to 125 pounds at 8:30 o'clock," said Walker. "Allowing a leeway of four pounds at 6 o'clock means that after a wrestler has starved and dried out he would weigh about 125 pounds after eating."

In the east the colleges allow a leeway of two pounds, but it is thought that the conference will stick to the A. A. U. rules regarding weight and other questions.

Bender also suggested two falls out of three decide the winners, but this matter is out of the question, because if all colleges enter full teams the bouts could not be staged in two nights. The A. A. U. rules call for one fall of 10 minutes in the preliminaries and one fall of 15 minutes in the finals.

LEON RAY WILL INSTALL "FRAT"

TAU KAPPA ALPHA TO ENTER OREGON ON MARCH TWENTY-SIXTH

CHARTER GRANTED IN NOV.

Is National Honorary Debate Society to Which Only Members of 'Varsity Team Are Eligible to Membership.

Leon Ray, a graduate of the University of Oregon in 1912, President of the Student Body in the school of 1911-12, and veteran Varsity debater, will arrive in Eugene on March 26 to install the Oregon chapter of Tau Kappa Alpha, national debating and oratorical fraternity.

The charter for this organization was granted to the Order of the Forensic "O" early in November during the previous semester, and it was generally understood at that time that the installation would take place sometime during the spring, but only recently have definite plans been formulated as to the date on which the Oregon petitioners would be taken into the national organization.

Ray himself while at Oregon was a member of the Order of the Forensic "O," a society founded by Professor R. W. Prescott, present coach of oratory and debate for men in this line of college activity, but left Oregon before the petition had been granted. Since that time he has been attending the law school at the University of Indianapolis, where he was taken into active membership in Tau Kappa Alpha. He will be graduated from that institution in May when he will come west to take the Oregon state bar examination. He has been delegated by the national fraternity to act as special installing officer.

Requirements for entrance into Tau Kappa Alpha are practically the same as those prescribed for entrance into the local Oregon society, namely participation in University oratory or debate. A considerable number of Oregon grads may be eligible for installation, those active in forensics during former years who are at present in college are few. Professor Prescott, Dal King and Otto Helder are included in this number.

Abercrombie of Worcester academy. Other recent gifts are two enlarged reproductions of contemporary French maps of the Revolutionary war, and a striking silhouette of Francis Wayland, who was president of the university from 1827-1855.
