

PICNIC IS PRIZE IN BIG CONTEST

WOMEN'S ATHLETIC ASSO- CIATION STARTS RACE

TWO TEAMS ARE COMPETING

27 Women on Each Side, Under Captains, Will Try and Get Most New Members for the Organization in Two Weeks.

A membership contest with a picnic provided by the losers for the winners is the latest scheme of the Woman's Athletic Association to arouse interest among its members. The total membership of the club has been divided into two teams, each composed of 27 members. The teams were chosen by taking the names in alphabetical order.

The contest is scheduled to last two weeks, starting today, and the winning team will at once receive their reward if it can be arranged. Helen Crump is captain of team A, and Kate Stanfield of team B.

The athletic association is a body which is instrumental in directing the sports of the women and to accomplish its purpose, should have a large membership among the women. It is expected that the present scheme will add a large number of new members.

The membership of the two teams is as follows:

Team A—Helen Crump, captain; Loretta Archambeau, Callie Beck, Martha Beer, Winnifred Bent, Ethelwyn Boydell, Katharine Bridges, Eva Brock, Doris Ball, Ruth Beach, Mildred Broughton, Louise Bailey, Bess Cowden, Helen Crump, Catharine Carson, Genevieve Cooper, Constance Cartwright, Clara Erdman, Lois Gray, Elsie Gurney, Anne Hales, Alice Hill, Ada Johnson, Helen Johnson, Edith King, Rozella Knox, Grace Lilly, Beatrice Lilly and Hazel Rader.

Team B—Kate Stanfield, captain; Beatrice Locke, Ruth Leonard, Lillie Miller, Vera Moffat, Grace McKenzie, Merle McCloskey, Harriette Polhemus, Georgia Prather, Mary Ramage, Mildred Riddle, Marion Reed, Ruth Sears, Merle Stearns, Beulah Stebno, Elizabeth Snell, Genevieve Shaver, Kate Stanfield, Jewel Tozier, Grace Tiffany, Harriet Thomson, Ellen Vanvolkinburg, Roberta Veal, Margaret Whalley, Jeanette Wheatley, Lucille Watson, Dorothy Wheeler.

A student loan fund for the use of undergraduates, instead of a visible piece of stone or steel is to be the gift of the class of 1914 to the University. Members of the class were almost unanimous in their choice of this form of gift. The plan is to make the fund loanable to short-time needs of undergraduate students without any scholastic requirements other than that the student be doing standard university work. The size of the fund will be, it is estimated, almost a thousand dollars.

SEASON OPENS HERE FRIDAY

CHEMAWA MEETS VARSITY FOR TWO SUCCESSIVE CONTESTS

INDIANS PLAY FAST BALL

Nine Which Will Meet Varsity, Defeated by O. A. C. 6-5. Parade to Precede Clash on Campus Diamond.

The Varsity baseball squad meets the Chemawa Indians in the first game of the season on the campus diamond Friday and Saturday. The games will be called at 2:30.

The Indians were barely nosed out of a 6 to 5 victory with O. A. C. last week, and the fact that they hammered the offerings of the O. A. C. pitchers for a total of 12 hits, gives promise of some exciting ball when they hook up with Coach Bezdek's squad.

Line-up Is Given.

The games will give the fans a chance to size up the chances for a championship team in the Northwest conference this year. Coach Bezdek has been working his squad on inside baseball the past week and if the men reach the degree of perfection which he has set in his coaching the teams should prove a winner. The probable line-up for these games is as follows: Bigbee, ss; Cornell, 2; Nelson, 1; Fenton, cf; Buck Bigbee, lf; Lyle Bigbee and Billings, rf; Wotschenbacher, c; Tuerck, Welch, Bryant, Fleming, pitchers.

Second Squad Beats Varsity.

This week has witnessed two practices between the first and second squads in which the Varsity squad has fared the worst. Up to this time, however, little has been done except practice hitting, running bases, and fielding and the first squad has not yet had time to strike its stride. The men have been changed around considerably and team work has not yet come in for a turn at bat.

More interest is being shown in the national game this year than for some seasons and Oregon is freely admitted by onlookers and fans to have a championship team.

Bezdek Optimistic.

Coach Bezdek is optimistic over the squad but says that he has lots of material which, with lots of hard work may develop into a team.

The diamond is in better shape than ever before and is exceptionally fast. Arrangements have been made to care for the spectators and also to keep them off the field.

With the crack of the first hit tomorrow, Oregon's future team will commence to round into shape and

form. Student-body tickets admit to the game.

Auto Parade Planned.

Tomorrow's game will be preceded by a regulation baseball parade. Interested fans about town, garages and all the owners of cars in the University are donating machines. The parade will start from the Gymnasium at 2:30 and carry the contending ball teams through the principal streets before the game.

Pre-season Games Canceled.

The pre-season games with the Spokane Indians of the Northwestern League, which were to have been played on April 2, 3, 4, have been canceled. Manager Walker has received a letter from A. C. Shea, manager of the Spokane team, stating that since he will return his team by a northern route, the dates with the Varsity can not be filled.
