

CHEMAWA BRAVES GET EVEN BREAK IN TWO GAME SERIES

CHEMAWA WINS FROM VARSITY 5-4 IN FRIDAY'S CONTEST

OREGON MAKES 3 DOUBLES

Fast Playing in Flashes Shows What Team May Do in Future. Nelson, Bigbee and Annunsen Star in Infield.

(By Everett Saunders)

The Chemawa Indians, whom the Varsity met in the first game of the season yesterday afternoon, pushed over a run in their half of the last frame, breaking a 4-all tie and nosing Oregon into a 4-5 defeat. The two teams exhibited glib-edged term only in flashes, but they gave the crowd all the more thrills on that account. They made doubles in big league style; they juggled the ball on occasions, and pulled bones, and at times they laid on the pill in the manner of Ty Cobb.

But if the game was a bit ragged in places, no one blames the defense for a few bobbles. Oregon showed flashes of brilliant work; and with a few real workouts like the one yesterday to steady the infield machine, the Varsity mound-men will be backed up by an impenetrable defense. "Skeet" Bigbee was a bright star, playing errorless ball and fielding all his chances perfectly. He practically robbed Crawford of a hit in the eighth inning, when, after a spectacular run, he pulled down a drive behind second base. This catch also started Oregon's third double. Sanders, who had judged the drive safe, having advanced too far off first base. Annunsen must be credited with work of a stellar order. He was responsible for starting two of Oregon's doubles.

First Inning Unfortunate.

The Indian infield showed the result of longer practice in the consistency of their work. Their infield, especially Downie, Adams and Walker, is a dependable machine.

Bryant, barring his unsteadiness in one or two places, pitched a good game. Seven hits were "gleaned from his offerings"; and, considering the fact that the Indians touched Captain Culver of O. A. C. up for nine safe ones in four innings during their recent game, this is not a bad showing. The first inning was his unfortunate period, when three hits coupled with bobbles by his teammates netted Chemawa four runs and placed them within striking distance of the score.

Decision Loses Game.

In the last half of the first frame Oregon came back as though determined to tie the score. But with Lyle Bigbee crossing the plate after a passed ball for the second run, Walker, the Indian first baseman, dug up the hatchet and Umpire Rader changed his decision, sending Bigbee back to third, where he died when Fenton flied out to center.

The Varsity annexed one more run in the fourth and two in the fifth. Then the score remained tied up to the ninth, when the Indians forced over the winning run.

The Line-up:

Chemawa—Catcher, Lane; first base, Walker; second base, Adams; shortstop, Downie; third base, Hungary; Pluff; right field, Crawford; center field, Sanders; left field, Jim. Oregon—Catcher, Motschenbacher; field, Sanders; left field, Jim.

Oregon—Catcher, Motschenbacher; first base, Nelson; second base, Cornell; short stop, C. Bigbee; third base, Annunsen; right field, L. Bigbee; center field, Fenton; left field, M. Bigbee.

Chemawa ... 4 0 0 0 0 0 0 1—5
Oregon ... 1 0 0 1 2 0 0 0—4
Umpire—Don Rader.
Scorer—Walter Kirk.

Oregon Gets Revenge for Yesterday's Defeat by Knocking All Pitchers Out of Box and Swamping Visitors.

FRESHMAN-SOPHOMORE DEBATE IS POSTPONED

Contest Scheduled for April 3 Will Be Held Some Time After Vacation.

The Freshman-Sophomore debate has been postponed from April 3 indefinitely to give room for the Dramatic club play on that night. "Since we cannot have the debates on April 3 we would rather have them on April 24, after spring vacation, in connection with the Sophomore basket social, and have the Freshmen guests of the Sophomores, but the members of the teams fear they will lose their ambition during vacation," declared Allen O'Connell, who is arranging for a date.

"It would be difficult to have the debates on the afternoons of April 3 and 4, as some have desired, because of the lack of time for preparation."

The question for debate is: "Resolved, That all international disputes should be settled by arbitration." The class team that wins will receive a prize of \$100.

The members of the Freshman team are: Affirmative, Milton Stoddard, Nicholas Jaureguy, Martin Nelson. Negative, MacKinley Helm, Hugh E. Watkins, Howard T. McCulloch. The Sophomores have not chosen their negative or affirmative sides yet. The members of their team are: Allen O'Connell, Cloyd Dawson, Wm. P. Holt, Lamar Tooze, Leslie Tooze and J. Prentiss Brown.

SENIOR PLAY WILL HAVE MUSICAL COMEDY CHORUS

Music and Training of Singers in Charge of Prof. Ralph Lyman

For probably the first time in the history of the University, the Senior class will have a regular musical comedy chorus to use in connection with the class play, "The Soph and the Prof," which will be given during Junior week-end. The plan is now under consideration by those in charge of the Senior play and will be brought up and thoroughly discussed at the meeting of the class of 1914, which will be held next Wednesday afternoon at four o'clock. In case the chorus plan is adopted, it is expected that Prof. Ralph Lyman will assist in the picking of the senior band of songbirds. In any event he will have charge of the music at the production.

The class meeting was listed to have taken place yesterday afternoon, but due to the ball game with the Chemawa Indians was postponed until the middle of next week. Besides the consideration of the chorus plan, the cast of the senior play will be formally announced.

In addition, a committee to have charge of Commencement arrangements will be appointed, according to information given out by President Ailie Grout. Choice of a baccalaureate speaker will be considered, and plans will be discussed for the staging of a senior baseball game some time before the Easter vacation.

CANOEISTS MUST SWIM

Such Is Recent Edict of Stanford University Conference.

In the future every student, whether man or woman, who wishes to go canoeing on the Stanford lake, must be able to fall out of a canoe, when twentyfive yards from shore and reach the bank unassisted. Such was the dule recently adopted by the Stanford University conference. Many accidents due to the treacherous nature of the canoes led to the above action.

The men students anticipate little difficulty in capsizing the canoe to conform to the ruling, but many of the women students have decided to give up boating.—Daily Californian.

FALL TRAINING TRIP PLANNED

ENTIRE FOOTBALL SQUAD TO BE TAKEN UP M'KENZIE

WALKER ARRANGES AFFAIRS

New Resort, Forty Miles From Eugene With Big Hotel, Swimming Pool, Shower Baths and Tennis Courts.

Oregon's football squad will leave this city a week before college opens next fall and will spend about two weeks at Nimrod, a new summer resort which is being opened about forty miles up the McKenzie. It is expected that about 40 men will make the trip.

This will be the second time in the history of the University that the football squad has taken a fall training trip. The first was in the fall of 1908, when a similar trip was taken up the McKenzie.

"This resort is being fixed up in fine shape," said Manager Dean Walker, who has been making the arrangements for the trip. A new hotel, shower baths, a swimming pool, tennis courts, boats on the river, and lots of fishing and good hunting constitute some of the attractions of the place. The hotel will accommodate between 50 and 100 people and is not yet completed. Clarence Ireland, of Portland, who is building the resort, was in the city yesterday.

To Take Whole Squad.

"All of the men that are out for the squad will be taken along. The idea is to get the men back early and to get them started in football season right from the jump. Heretofore the men have been straggling along anywhere from one to three weeks late. It is impossible to turn out a team that will bring satisfactory results with this condition starting us in the face, and we decided that this trip would not only serve to get them back on time but would also put them into the best of condition for the hard grind that is to come afterwards.

"While at the resort, the men will be put through light exercises consisting largely of tramping and swimming every day, and enough football tactics to take the soreness out of them and land them back in Eugene in fine condition"

Bezdek Likes Scheme.

Coach Bezdek is highly in favor of the scheme and while he would not say much regarding it, he believes that it will be the proper thing to put his men into shape.

"The hotel is going to be a fine structure when completed," said Walker. "The walls are constructed of peeled logs and the entire building is built on the rustic plan. The steps of the stairway are made of half logs smoothed off. About midway up the large staircase is a platform for a large orchestra. The lobby is a large room whose best feature is a fireplace about the size of one end of my office here."

"We are going to have a fine time," said Captain Johnny Parsons in speaking of the trip. "This is just what the men will need and we expect to get much better results from the short vacation in the mountains. By the time that the men get out, ramble a few miles every day, take a good swim, and then run through signals awhile, I figure that we are going to have a championship team. 'Beat Washington' is our motto and we are going to live up to it. Watch us."

Martin W. Hawkins, former Oregon star, captain and principal point winner of last year's Multnomah Club team, has announced his permanent retirement from track athletics. Hawkins insists that there is to be no talking of the "Patti" about his farewell, and that he has positively competed in his last meet.

STUDENTS WILL ENTER BIG GOLF TOURNAMENT

Formation of Club Is Being Agitated by Enthusiasts of That Sport

Golf enthusiasts among the University students are taking interest in the handicap tournaments soon to be held on the Country Club links. Entries are slow in coming in but before the time for the matches it is expected that all the student golf players will sign.

If sufficient interest is shown in this tournament for which there are two cups up as prizes, it is probable that a University golf club will be formed. Plans are under way for such an organization for next year, when the grounds near the campus may be used as a course. However, a small club this year would make the carrying out of such a plan more probable for next year.

Following are the entries in the handicap match: Wilhelm, Paul Hendricks, Strang, Gwyn Watson, Cellars, Melzer, Bean, Burgard, Stevenson and Young. Hugo Bezdek is chairman of the match committee of the Country Club, and will have charge of the drawings. An entry fee of fifty cents is charged for participants.

CO-EDS MAY HAVE TWO DEBATES WITH U. OF W.

Only Inter-Collegiate Activity of Women Will Probably Be Extended

A new departure in co-ed debating will be introduced at the University of Oregon this year if Professor R. W. Prescott, debate coach and instructor in public speaking, has his way, in the shape of two co-ed teams which will hold a dual meet with Washington.

"This is practically the only inter-college activity that the girls have an opportunity to participate in and I believe that more chances should be allowed them," said Mr. Prescott this morning. "I have six girls who are trying out for the team, and if two teams were picked it would mean that they would all make the team and would all receive benefit from the work. If one is chosen, however, it means that only three will enter the meet."

"Washington is willing to go ahead and hold a dual debate and I have put it up to Graduate-Manager Dean Walker who will place it before the Executive committee."

"We held one try-out this week and will hold another next Wednesday and will make the final choice then. The date for the debate has not been set but will probably be held about the latter part of April. We can make suitable arrangements. The question will be the same that the men used."

The executive committee which was supposed to have met this morning did not meet because there was not a quorum present. "I am not in favor of holding a dual meet," said Manager Walker. "While I realize the benefit to the girls that would be derived, it means an expense that we can not afford at this time. However, it is up to the executive committee and if the members see fit to hold it I can do nothing."

OREGON CLUB PARTY HELD AT BUNGALOW

Social and Business Meeting Yesterday Evening Is Pleasant Affair.

The third of the four socials that are given each year by the Oregon club was held last evening at the Y. W. C. A. Bungalow.

The social was a combined business meeting and social affair. A new secretary, Hubert Starr, was elected, committees appointed and plans for the balance of the year were discussed. Fifteen new members were also taken into the organization.

NEW CONUCIL STARTS WORK

FIRST MEETING HELD TODAY—BEZDEK ADVISES ORGANIZATION

STUDENT SUGGESTIONS ASKED

Ruling Requested That Submit Edicts. Public Phone, Student Band, Debate and Junior Week-End Discussed.

"You must make order out of chaos," said Hugo Bezdek, for three years a member of the student council of the University of Chicago, in addressing the newly formed student council this morning. "You can do a tremendous good for the University," he continued. "You are holding a trust, a higher one than any mere salaried position. I hope that you will go into this with the spirit to accomplish the most possible for Oregon." Before the meeting was adjourned, Coach Bezdek expressed the opinion that the members composing the new organization had the beginnings of a live, efficient council.

In speaking of the work of the Chicago council as an index of what might be accomplished by the Oregon organization, Coach Bezdek mentioned the controlling of all mass meetings, the breaking up of fraternity cliques, and the organization of a Pan-Hellenic.

To Be Student Court.

In the future, according to a decision reached, any students or faculty members or students with grievances or suggestions are encouraged to present them to the council either in writing or in person. In the case of a written suggestion, the communication should be addressed either to the president or to the secretary.

The council provided that the faculty be advised of the opportunity to submit suggestions and complaints and a ruling was asked that faculty regulations affecting the students be submitted to the council before taking effect.

Graduate Manager Walker, who was also present, boosted the Varsity band and suggested that some means be taken to show that the service of the individual members to the University is recognized. As a result of this suggestion, a committee was appointed to take steps to introduce a new student body activity to be known as the "Student Body Band." In order to accomplish this the introduction of an amendment to the student body constitution and the passage of such an amendment will be necessitated.

Debating Is Discussed.

James Donald, representing oratory and debate, spoke before the council, advocating the introduction of a double co-ed debate between Washington and Oregon. He stated that Washington was willing to send a team to Eugene, at Oregon's expense, and that the only objection on the part of Oregon would lie in the \$100 outlay which would be made necessary. He cited also the statistics showing that while the Oregon women contribute approximately half in the way of student body taxes the amount expended from the student treasury on co-ed activities is only five or ten per cent of the total expenditure on student activities.

Manager Walker objected to this on the ground of expense and the fact that such a debate had not been provided for. The matter was referred to the executive committee for settlement, but the council went on record as favoring debate, and a committee consisting of Fred Hardesty, Edith Still and Del Stanard was appointed to devise means of awakening new interest in forensics.

Five men and one woman will have charge of Junior week-end arrangements as a result of a decision made by the council. This committee is composed of Vernon Motschenbacher, Dean Walker, Al Davies. (Continued on Page Four)
