SPRING TRACK OUTLOOK POOR

**DISTANCE AND WEIGHT MEN
COUNTED UPON TO
WIN POINTS**

WEIGHTS STRONG EVENTS

**Bill Hayward Will Return To-
morrow and Preparations for
Columbia Meet on April 18
Will Begin Immediately.**

(By Willard Shaver)

Unless a few "dark horses" appear to upset the track "dope," Oregon will have to rely on her distance and weight men to win her meets this spring.

According to Captain McConnell the quarter and half mile events will be the strongest, and from such men as Loucks, Fitzgibbon, Nelson, Boylen and McConnell a mile relay team should be developed to equal, if not surpass the Oregon team that established a Coast record in the spring of 1909. Among the quarter-milers, beside McConnell, Loucks is now showing the most class. Some of the men trying for the quarter may be developed into half milers and in these two events Oregon will undoubtedly find her greatest strength.

The mile men, among whom Paine, Langley and Pack are showing up to best advantage, are being coached by the veteran miler, McClure. Paine is the best of the Oregon milers and although he was a record-breaker in prep school he will have to run his best to beat Clyde of Washington, who established a Coast record of 4:21 last year.

In the weights Cook and Heldenreich are doing consistent work. Cook put the shot over forty feet the first night out and as he has increased it several inches every night since, the Conference shot-putters will find him a stumbling block in the way of gaining first place honors in this event. Heldenreich is throwing the discus consistently around 120 feet and is pushing Cook fairly close in the shot. Cook, Telford and Runquist are about the only men throwing the javelin and should Telford maintain his present pace of daily increasing efficiency he should be regarded as a sure point-getter.

Gale Bandy, the Tacoma star hurdler, has been training regularly the last week and if an injured leg will permit him, he will no doubt duplicate Martin Hawkins' feat of capturing at least one first in any meet in which he is entered.

Captain McConnell counts the sprints the weakest track events, but from such men as Lake, Sheahan and Hamstreet enough second and third place point-winners should be recruited to clinch dual meets at least.

The high-jump and pole-vault are apparently unpopular events, for Stuller and Fee are the only men out for these events that are of varsity caliber. Parsons will again be a contender for first place honors in the broad-jump.

Bill Hayward returned today and will begin preparations immediately for the Columbia meet to be held April 18.

The tryout for selecting an extempore speaker will be held soon afterwards. Definite announcements will be made as soon as a subject is chosen. Coach Prescott says, "These contests are worth while, for a prize of \$50 will be awarded the winner of each contest. Already several men have declared the intention of trying out."

Coach Prescott requests that every candidate hand his name and the subject of his oration to the coach as soon as possible.

Co-ed Contest Has Yet
Been Set**

"The final women's debating team will probably be chosen this week," said Coach Robert W. Prescott. "We have not completed all arrangements with the University of Washington, but the team will be chosen soon."

The University of Washington has suggested May 8 at Seattle as the date for the debate, but this is during Junior Week end at Oregon and Mr. Prescott thinks May 1 is the most desirable.

BILL CASS HEADS CHESS PLAYERS

**CANVASS WILL BE MADE TO
FIND LATENT TALENT
ON CAMPUS**

TOURNAMENT IS PLANNED

**Opponents in Games Will Be
Picked by Lot. Thirty Con-
testants, Including Faculty
Members, Expected to Enter.**

The chess enthusiasts of the University met Monday afternoon in Professor Schmidt's room in Deady Hall and formed a chess club, electing Bill Cass president. This club has been talked of for some time but it was not until Monday afternoon that anything definite was agreed upon.

After electing a president the members talked over future plans. President Cass appointed a committee of three to have posters made and placed upon the bulletin boards and to make other necessary arrangements. This committee consists of Bob McCormack, Eyer Brown and George Stevenson. A general canvass of the campus will be made in order to find the latent talent among students and faculty. Then in about two weeks another meeting will be called at which plans for a tournament will be arranged. President Cass says that lots will be drawn in order to pair the members off. Each two will play games at a place to be agreed upon by themselves. The winner of the best three out of five games will pair off again and so on until the champion is chosen.

Al Davies, an ardent chess enthusiast, and one of the boosters for the club, predicts that about thirty men will enter the tournament.

Among the faculty members who will play are Professor K. M. Dallenbach, H. C. Howe, W. B. Kempthorne and Dr. E. S. Conklin.

Among the student members of the club are Wm. A. Cass, L. Whitman, A. H. Davies, E. L. Modren, G. Stevenson, C. Hampton, Eyer Brown, J. L. Bisher, Jr., Willard R. Houston, R. D. McCormack, C. W. Sweek and F. C. Westerfield.

Stanford University.—An unofficial record for the Pacific Athletic association in the half-mile run was established today by R. L. Murray of Stanford University, who covered the distance in 1 minute, 57 1-5 seconds in a special race run in the dual track meet between Stanford and the Olympic Club of San Francisco, in which Stanford defeated the Olympics by a score of 60 to 43. The former record of 1 minute, 58 1-5 seconds was made by Dowl of the University of California in 1910.

F. S. Murray, the half-mile record-breaker's brother, equaled the Stanford record of 15 1-5 seconds for the 120-yard high hurdles.
