

*Eastertime is just around the corner*

Easter is the time when nature steps forth clad in the verdant raiments of Spring—it is the time when men's thoughts turn from the heavy garments of the past season to the lighter, gladsome clothes of Spring. We are ready for your call, and hope you will stop in to look over our splendid display of stunning styles in Stein-Bloch and L-System Clothes. Every style effect, every good fabric, every color and pattern is here. See the Suits at

**DR. GILBERT WILL MAKE COOS BAY LECTURE TOUR**

Professor of Economics Will Speak in Five Cities During Easter Vacation

Dr. James H. Gilbert of the Department of Economics of the University of Oregon will make a lecture tour of Coos Bay cities next week, speaking at Marshfield on Monday, April 13; North Bend, Tuesday, April 14; Bandon, Wednesday, April 15; Coquille, Thursday, April 17, and at Myrtle Point, Friday, April 17. Dr. Gilbert's lectures will be on "Education and Public Opinion" and "Democracy and Great Fortunes."

In his address on "Education and Public Opinion," Dr. Gilbert will show the necessity of education in moulding public opinion. This is important, according to Dr. Gilbert, since public opinion rules in a democratic order of government. He will show how education guarantees the community against impulsiveness and its consequences; how education acts as a check on hasty and unwise action.

Karl W. Onthank '13 was recently elected Superintendent of Schools of Tillamook, Oregon, for next year. At present Onthank is principal of the Frankton high school, located three miles from Hood River.

Out of 732 students registered in the University this year, 626 have drawn books from the library. Besides the students 90 faculty members, 192 Eugene citizens, and 48 out-of-town readers have made use of the library.

Professor Ralph H. Lyman has returned to Eugene after a week's visit in Portland where he attended several grand opera concerts. Prof. Lyman will be in his studio during part of vacation to make up the lessons missed during his absence.

**TO START DEBATE LEAGUE**

Former Varsity Coach Asks About Oregon Organization

With the intention of organizing a state debating league in California similar to the one being conducted in this state under the auspices of the University, LeRoy Johnson, Oregon debating coach in 1911-12, has written to Prof. E. E. DeCou, for information regarding the organization of the Oregon league. Professor DeCou was founder of the league in this state.

Mr. Johnson is studying law at the University of California and will be graduated next June.

**FLY BULLETIN IS ISSUED**

Contains the Instructions for Making Fly Traps

To further the "Swat the Fly" campaign in progress in a dozen Oregon cities, a bulletin that outlines plans for the extermination of flies has been published by the University and will be distributed during the next few weeks.

The bulletin was prepared by Dr. C. F. Hodge, professor of Social Biology, who in lectures throughout the state since last October has constantly urged anti-fly campaigns.

The bulletin is devoted mainly to instructions for the making of home-made fly traps.

Poor students will be aided toward a sound training for life by the gift of \$6000 just made to the University of California by Mrs. Edith P. Hambrook of Santa Cruz, to endow the Forestus Phelps Memorial Loan Fund. This endowment is to help poor students from Santa Cruz county who would otherwise be unable to acquire an education.

Call "Four-Eight" for baseball scores.

**REGENTS DISCUSS PLANS FOR NEW MAIN BUILDING**

State Architect Knighton and E. F. Lawrence Meet With Committee

Plans for the new administration and classroom building were discussed at a conference held in Portland between the executive committee of the Board of Regents of the University and W. C. Knighton, State Architect, and Ellis F. Lawrence, consulting architect of Portland, who are making plans for the building.

What was done at the conference has not been given out, and will not be until the meeting of the Board of Regents on April 18. At that time the report of the executive committee will be considered and definite action will be taken on the plans by the board.

The Regents on April 18 will also discuss plans for the reorganization of the University Law school, now located in Portland. It will be decided whether the law school shall remain in Portland or be moved to Eugene.

Are you going home? Take along with you.

Relieve that Spring fever with a box of Otto's Victoria Chocolates Otto's Soda Fountain drinks.

Charles C. Chambers, field secretary of Phi Gamma Delta fraternity visited the local chapter of that organization last week-end.

The University of Colorado has two rival sophomore honor societies, and the competition for material has become so keen that the clubs have taken to pledging men in high school. The upperclasses of the college have taken the matter in hand, and they hope to effect a revival of what the societies should stand for.
