

## Varsity Wins Close Meet

**TRACK MEN DOWN M. A. A. C. ATHLETES BY SCORE 70-61**

### McClure Runs Mile in 4:20

Boyle, Payne, Loucks, Parsons Stuller, Telford Get Firsts for "U" Muirhead, Philbrook Bellah, McClure star for club

(By Willard Shaver)  
Surprise and thrills characterized the second annual dual meet between Multnomah and Oregon when the latter won out this afternoon by a score of 70 to 61. Multnomah had the lead up until the next to the last event when Oregon won out by taking first and second in the javelin. Boyle, of Oregon, surprised the stands by taking both of the sprints from Hummell of Multnomah, the century being run in the fast time of 10 1-5 seconds.

The real thrill was the first track event, the mile. Langley and Payne of Oregon, and McClure running for Multnomah started at a half mile pace, Langley taking the lead the first quarter.

Payne led the second quarter and the first half was finished in 2:07. Payne then held the lead until the straightaway on the last lap when he was overtaken by McClure with in twenty yards of the finish. McClure having a little more sprint than Payne, finished a scant yard in the lead. Time: 4:20.

This is the Coast record but it will not stand, not being run in a conference meet.

Muirhead was Multnomah's star, taking both hurdles and tying for second in the high jump. Boyle by taking both sprints was Oregon's high point man.

Telford came within a few inches of equalling the college record in the javelin and Loucks ran the quarter in exceptionally fast time for such early season work.

Dr. Stewart, the Oregon trainer, was an interested spectator of the meet.

The summary of events follows:— Mile run: McClure (Multnomah) 1st; Payne (O) 2nd; Langley (O) 3rd; Time 4:20.

2 Mile: Payne (O) 1st; Fox (Multnomah) 2nd; Pack (O) 3rd; Time 10:04.

Broad Jump: Parsons (O) 1st; Cohn (Multnomah) 2nd; Bellah (Multnomah) 3rd. Distance 21 feet 8 inches.

Relay conceded to Oregon.

## "NUTS" AMONG STUDENTS FORM ORGANIZATION

Society Recently Formed Has Gold Peanut as Sign of Membership

"I'm a nut." This expression, coupled with a mysterious movement of the fingers over the cerebral regions is the external evidence of the new "nut" on the campus during the last week.

Members of the organization say that it is very exclusive and that only the select "nuts" can qualify for membership. It is said that the society had its inception in Portland during Spring Vacation.

The pin of the "nuts" is a gold peanut, covering the heart.

"Rural School Organization" was the title of the speech given by Dr. Joseph Schaefer to the Oregon Civic League in Portland Friday night. Tonight Dr. Schaefer will address the School Master's Club in Gold Hill.

## MICHIGAN AND CORNELL CANCEL NOVEL MEET

Accident to Glider Prevents Aviation Contest Between Two Colleges

The Michigan-Cornell aviation meet, which was scheduled to be held in Ithaca some time next month, has been cancelled, as the result of an accident to the new glider which the Michigan club has been building. The machine had just been completed when the smash-up occurred. L. C. Wilcoxon, '16E, was up on a trial flight when a wire broke, and the machine crashed to the ground from a 25 foot height, smashing it beyond repair.

This aviation meet would have been the first intercollegiate contest in the history of the flying game.

## KANSAS FRATERNITIES MAY HAVE TO PAY TAXES

Have Hitherto Been Exempt as College Literary Societies

(University of Kansas April 24)  
As a result of the denial of Judge C. A. Smart of a new trial in the fraternity taxation case, the county will carry the case to the supreme court.

The members of the state tax commission Sam. T. Howe, J. A. Burnett, and J. H. Hostetler, were in Lawrence between trains yesterday and advised County Attorney Tmick to file notice of an appeal immediately.

Heretofore the fraternities and sororities have been exempt from the tax rolls as "college literary and secret societies," but the fact on which the county expects to base its success in an appeal is that the fraternity properties are owned not by the fraternities, organized for the purpose of holding the properties. The members are always fraternity men, but they are alumni and not students.

## COACH BEZDEK AND JAY MCCORMICK GO FISHING

Accompanied by Varsity Baseball Players, Nimrods Bag 30

Coach Hugo Bezdek, Jay McCormick, Dick Nelson and "Skeet" Bigbee spent today on the McKenzie and returned tonight with a catch of something like thirty of the wily mountain trout.

Taking advantage of the layoff of the baseball team which the coach granted them today they thought to take a little recreation in the line of fishing. McCormick proved the fisherman of the party getting the majority of the catch. The Coach claims to have captured four, Nelson two, while Skeet's number is unknown.

## OREGON LEADS IN CONFERENCE

BASEBALL FANS PICK VARSITY NINE FOR NORTH-WEST CHAMPIONS

### WASHINGTON DEFEATS O. A. C.

Bezdek's Team Has Strong Infield, Heavy Hitters and Good String of Pitchers With Which to Meet O. A. C.

Conference Standing			
Western Division			
Won	Lost	Pcc.	
Oregon	2	0	1000
Washington	1	2	333
O. A. C.	0	1	000

Oregon's chances for winning the conference championship in baseball are perhaps the best in years, and if the team continues to hit when hits mean runs, and is consistent in the stellar fielding that has characterized past performances Washington and O. A. C. will have to earn all the games they win.

Oregon's infield looks the strongest in the conference. "Skeet" Bigbee is unbeatable in his position and his addition to the lemon yellow aggregation will prove fatal to opposing teams. He covers worlds of ground and his heavy stickwork has been noticeable in all the games in which he has thus far figured. Cornell is in better shape than he was the first of the season and very few grounders will get by him in future contests. Annunson is playing the best game of his college career at third and Nelson has got enough college seasoning to allow him to take care of first base ably.

In the outfield Fenton and Bryant shine and all three gardeners are more than ordinary hitters. Captain Fenton is particularly strong on extra base drives.

The Phenomenal hitter that has been developed in previous seasons is lacking in this years lineup, but in his place comes a team, any member of which can hit and hit hard. The end of the batting list is practically as strong as the first and it is hard to tell who will start an opposing pitcher's downfall. Even Oregon's pitchers may be counted on for hits when hits mean runs.

With Welch, Tuerck and Bigbee in the box a better combination is hard to beat. Tuerck is in the best condition but Bigbee, who is inclined to be a little wild will be in good form when the next conference games are played here Junior Week End.

The close scores in the Washington games and the defeat of O. A. C. by Washington indicate that the race for the championship honors will be extremely keen but at present the chances are largely in Oregon's favor.

## WALTER DIMM TO EDIT ANNUAL Y. M. YEARBOOK

Special Canvass Will Be Made To Obtain Features for Publication

At the meeting of the cabinet of the Y. M. C. A. Wednesday. Walter Dimm was elected editor of the annual hand book. Roy Stephens was elected manager. Last year Dimm was manager and Burleigh Cash editor.

This students' handbook is published each year for the convenience of the students, especially for the Freshmen. In order to make it a typical students' book a canvass of the students will be made to ascertain what features are most used. Efforts will be made to make the book better than last year's. Advertising of the merchants will pay for the book.

## DEBATERS GET EVEN BREAK

SOPHS AND FROSH EACH CAPTURE DECISION IN DOUBLE CONTEST

### FRESHMEN WINNERS IN 1913

Following Debate the Two Classes Unite in Big Mix. Dance and Social Keep Underclassmen Until Late Hour.

Sophomore and Freshman broke even in their two debates held yesterday afternoon and evening in Villard Hall, the Sophomore affirmative team winning in the afternoon and the Freshman affirmative winning in the evening. The decisions in both contests were unanimous.

The embryo Websterites debated on the question, Resolved, "That all international disputes should be settled by arbitration."

The members of the victorious Sophomore team in the afternoon debate were Cloyd Dawson, Leslie Tooze and William Holt. They were opposed by Ernest Watkins, McKinley Helm and Howard McCulloch, members of the Freshman negative team. The judges of the contest were Professor E. W. Hope, Bert Lombard and Ben Williams.

#### Affirmative Wins

In the evening debate, the Freshman affirmative was composed of Nicholas Jauregui, Milton Stoddard and Martin Nelson. Their Sophomore opponents were Allen O'Connell, Prentiss Brown and Lamar Tootz. The judges of this contest were S. D. Allen, Professor Colin V. Dymont and Fred Hardesty.

In both debates each speaker was allowed eight minutes for constructive argument, while the leaders of each team were given five minutes for rebuttal and summary.

The first inter-class debate was held last year and was won by the Freshman team. The composition of the team was the same as that which lost to the Freshmen last night.

#### Dance Follows Debate

Following the evening debate, an under-class dance and basket social was held in the gymnasium. Dancing continued until 11 o'clock, at which time the baskets were raffled off. Three auction blocks were set up and the auctioneers, attired in silk hats and "claw-hammers" sold to the highest bidders. Bidding was lively and the baskets sold in short order. Scarcely a basket was sold for less than the maximum limit price of 75 cents.

The proceeds of the social were divided among the two classes. It is planned to hold a similar get-together again next year.

## DOUGHNUT LEAGUE OPENS MONDAY WITH FIRST GAME

Kappa Sigs and Phi Deltis Cross Bats on Diamond for First Honors

The first baseball game of the Doughnut season will be played Monday between the Kappa Sigs and the Phi Deltis. The boys are getting into trim and have been spending hours practising for the event.

Considerable interest is shown every year in this inter-fraternity contest in which the majority of the men in the University get to enter.

A silver cup goes to the winner of the tournament which becomes the permanent property of the club winning it in three consecutive years. A second cup will constitute the prize for the highest batting average this year.

A large balance is reported in the treasury department of the League.

## CO-ED SPENDS VACATION IN SADDLE AND IN CAMP

70-Mile Ride in Two Days Enjoyable Change From College Says Mrs. Baker

A horseback trip alone across the Coast range, taken by Mrs. J. Albert Baker, with a week in camp, constituted what was probably the most unique vacation spent by any of the University women.

Mrs. Baker, who keeps her own saddle horse for just such trips, rode from Eugene to Tidewater, on the Alsea river, a distance of 70 miles in less than two days. In spite of the incessant rain and the lonely uninhabited country through which she passed, she declares that the ride was an enjoyable change from the college routine of a sophomore.

The week was spent in the government camp, where Mr. Baker is stationed with a crew examining land in the Sluslaw national forest, which has been applied for as home-lands.

Mrs. Baker returned Sunday afternoon after an absence of ten days.

## WASHINGTON HANGS 4-3 DEFEAT OVER ON O. A. C.

First of Two Games of Series is Loosely Played Says Report

Washington won her first conference baseball game Friday afternoon and O. A. C. lost her first when the Seattleites finished the game by a 4 to 3 score at Seattle.

The game was loosely played and opened up with two three baggers Williams, the O. A. C. pitcher, by Thompson and Patton of Washington.

Six hits were secured off Williams in the game and five off Bryant of Washington. Williams and Bryant each struck out five men.

Washington's fielding was much better than in the games with Oregon, only two errors being chalked up against them while O. A. C. made three. The second game was played today.

Summary	R	H	E
Washington	4	6	2
O. A. C.	3	5	3

## OLD AND NEW CABINETS WILL CONFER SUNDAY

Gale Seaman, Coast Secretary to Talk Over Plans for Coming Year.

A conference of the new Y. M. cabinet, the old cabinet and all the committee men has been called by Charles Koyle for Sunday afternoon at 4 o'clock. Gale Seaman, coast student secretary on the international committee, will be present and talk over the plans for the coming year. To this number is invited all interested in the Association work.

Mr. Seaman arrives tomorrow and will be the guest of Charles Koyle. Sunday evening he will speak at the Epworth League meeting at the Methodist church at 7:15 o'clock.

## MANY WANT MUSIC JOBS

Applications Come to Prof. Lyman From Russia and Germany.

"One application for a position in the music department received this week came from St. Petersburg, Russia. Another came from Berlin, Germany, two from Chicago, and three others have arrived from the eastern part of the United States" said Professor Lyman, head of the Music Department in the University.

"This is just an example of the requests which come in frequently from all over the world. People are anxious to obtain positions in Western schools, and I attribute the many applications largely to this fact," said Prof. Lyman.

## OREGON MAN WINS CONTEST

MORRIS GETS FIRST PLACE IN STATE PEACE ORATORICAL EVENT

### NEW YORK TRIP IS PRIZE

Varsity Representative to Give Oration at Lake Mohonk in May, With Four Other Speakers From Other Sections.

Victor Morris, Oregon's representative at the Oregon State Peace Oratorical Contest, held in Portland April 23, was awarded first place by five of the six judges of the contest over the representatives of nine other Northwest colleges.

First place gives Morris, who is a junior in the University and also attends the Eugene Bible University, the first prize money which is \$75 and also the privilege of representing the Pacific Coast at the annual National Intercollegiate Oratorical contest which will be held at Lake Mohonk, New York, May 27.

This contest is now an annual affair held in Oregon and much interest is being shown by the colleges and universities of the Pacific Northwest in the subject of Peace.

Representatives from institutions over the United States will meet at Lake Mohonk this year in the endeavor to capture the prizes awarded to the orators according to their ranking in the opinion of the judges who will pass on the merits of the orations.

The prizes range in varying amounts from \$40 to \$100, each of the five contestants receiving a prize.

The colleges and universities which sent representatives to Portland for the State contest are: Willamette University, Reed College, Oregon Agricultural College, Albany College, Pacific College, Eugene Bible University and University of Oregon.

## NO DEBATE WILL BE HELD WITH WASHINGTON CO-EDS

Annual Forensic Contest Postponed on Account of Misunderstandings

The co-ed debate with the University of Washington will not be held this year as the result of a misunderstanding in the contract. Graduate Manager Horr, of the University of Washington student body, telegraphed Dean Walker Monday that the University of Washington would support no more debates this year.

"There was no contract at the first of the year," explained Coach Robert Prescott, "and we got what we thought was a contract but the terms were not plain and, as a result there was a misunderstanding as to who should pay the expenses this year. Two years ago, according to the contract, Washington should have paid Oregon's expenses but the contract was not complied with, Oregon paying her own expenses. Last year when Washington came down here we were evened up by having Washington pay her own expenses."

The old contract was renewed this year and Prof. Prescott said that Washington had apparently believed that Oregon was to pay the expenses this year. When the contract was explained Washington refused to pay the expenses, because when her budget was made up last fall no provision was made for co-ed debating.

"For this reason the debate will be postponed one year," stated Coach Prescott. "However, the University of Washington has signified her willingness to enter into a dual debate next year and we expect to go ahead and sign up a contract for two or three years."
